Dear Dick & Dia,

It's no use trying to write a letter to you, I'd only tear it up. But I must thank you for your kind invitation to stay with you in June. I should love to see you both again & to meet your friends, but I'm afraid I can't manage it. I've got to be in London on June 20th & I'm not sure how long I'll be there. I'll probably have to stay a week or more. But I'll write to you again when I know definitely what I'm doing.

Thank you so much for your letter. I'm glad you enjoyed your visit to Scotland. I'm afraid I'm not very good at writing letters myself. I'm so glad you like your job. I'm sure you'll be very successful in it. Do you get much time off? Don't forget to get your holidays in good time. It's no use waiting until the last minute & then finding that you've got to go at a moment's notice. Don't work too hard & keep well.

Love to you both,

God Bless,

Dick.

Pax
Bologna from
Torbin

Dear Pax
Good luck for every-
thing in your future.
Woody is a cute little
guy

Love
Andrea
(Cha-Cha)

Dear Pax,
You are
so cute, and
you are not
ugly at all.
You are
totaly great
in Drama.
You're a bit
OD & I love
you
Love
Nikki
Pie

Dear Pax,
Hey! It's been cool knowing
you this year and I
wish I had your energy
just save a little for your
senior year. I'll see ya in
Drama next year and I'll see ya
Bye, Bye, Buddy.

Dear Pax,
It's been nice
getting to know
you. (even though
you're a dick)(XO)
"Grease" was
fun! Love,
Angel
Soabella

Dear Pax,

To Thanksgivings or Big Mac!
I love You so much - we
definitely have to go out
Summer I'm glad we both
got to ACT together in
(PLEASE) because we wouldn't
of became good
FRIENDS -
Round TABLE
Rules?
So does
Dennys -
Love Ya
Chris

PS keep up
the Acting

Greg, Doody
I'm glad we got
to be friends
this year. Thanks for
bein' in that play w/
me & Chris. You were good
in Grease and that will always
stay with me. Have fun bein'
a sophmore & have a lot of fun
this summer. Love Sara

SARA

SARA
SPALSBURY

Greg - what's your name?!
Hey - it was great
meeting you and Drama
was cool. So. ES only
we stay friends. Keep
in touch!
Love ya!

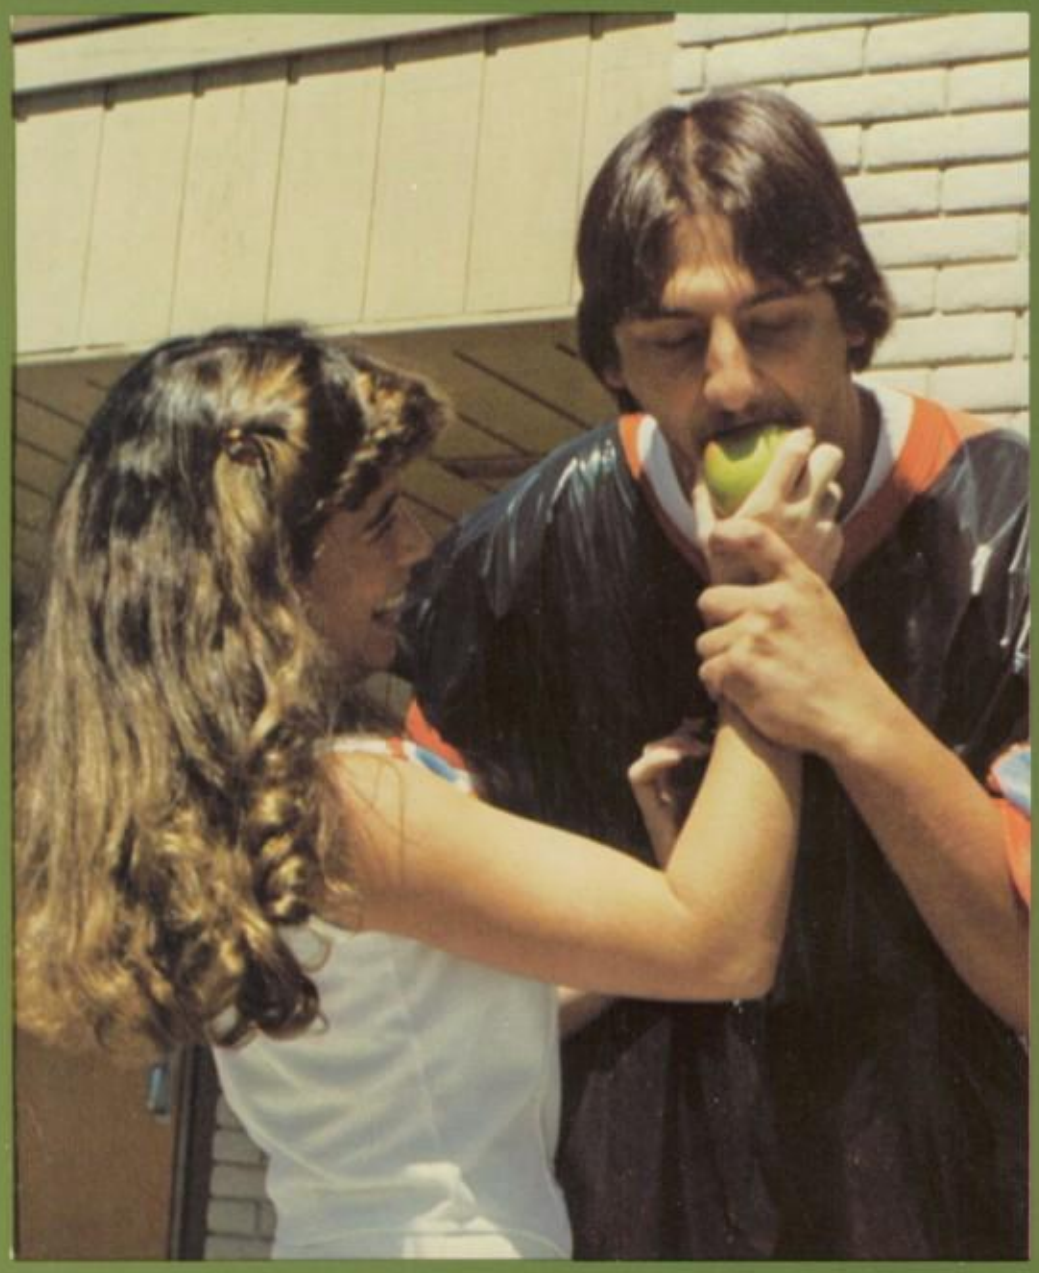
"Tune in to S.T.H.S."

"Be true to your school"



top right: Seniors Rachelle Martini, Kristy Weaver and Michelle Hansen show their pucker power. *top center:* Songirl Wendy Stephens and football player Todd Skrabak show the underclassmen how class competition is done. *right:* Lettergirls Bonnie Ford and Annie Carbajal let there spirit shine at a lunchtime rally.

Tune In . . .

Be it education, relationships or sports that a person is interested in - Santa Teresa has these and many other things a student can "tune" in to.

First, and foremost, with the number of highly skilled teachers and variety of classes, a student has a better selection of courses. This is one of the reasons we're rated superior in our district.

Then, after class is over and the books are closed, it's time to socialize. This is a time to make many new and lasting friends. Many of the relationships we make in high school will more than likely be the ones that will last a lifetime.

Santa Teresa is also right up there when it comes to sports. With outstanding individuals players and top notch coaches, we take a back seat to nobody.

All these, along with many other attributes about Santa Teresa, keeps us number one . . .

top left: Senior Renee Orozco takes a break from her studies. *top center:* Junior Vicki Khanbabin hangs loose during break. *left:* Seniors Mike Ross and Dave Borden sport the GQ look.

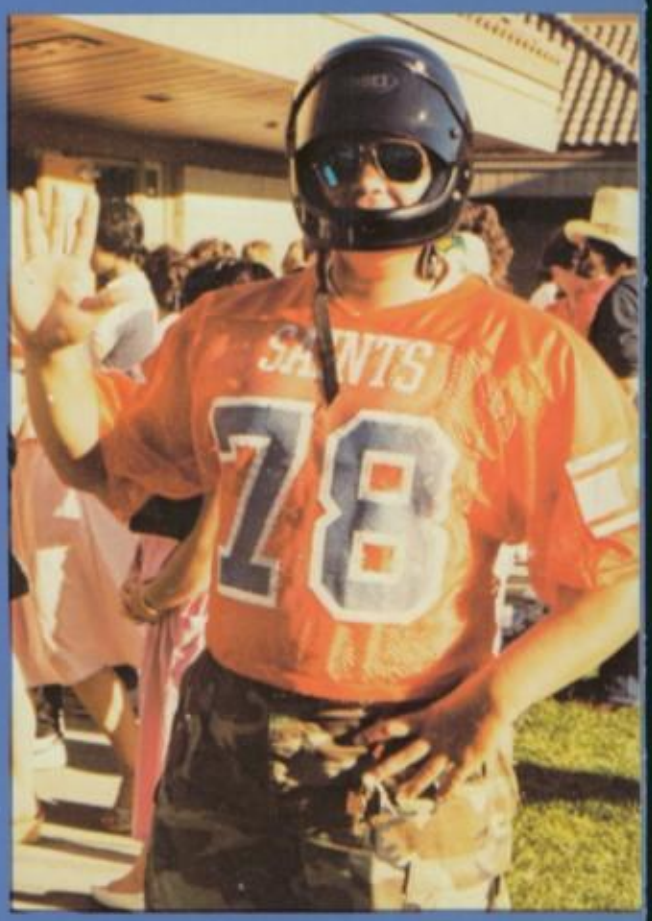
"Photograph"

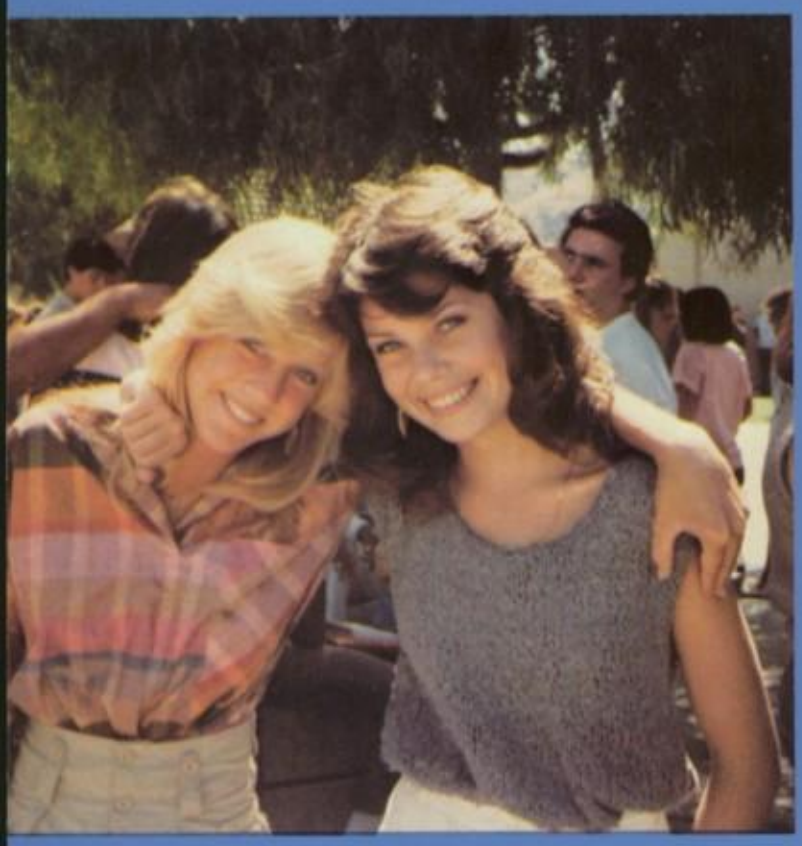
Opening Scenes

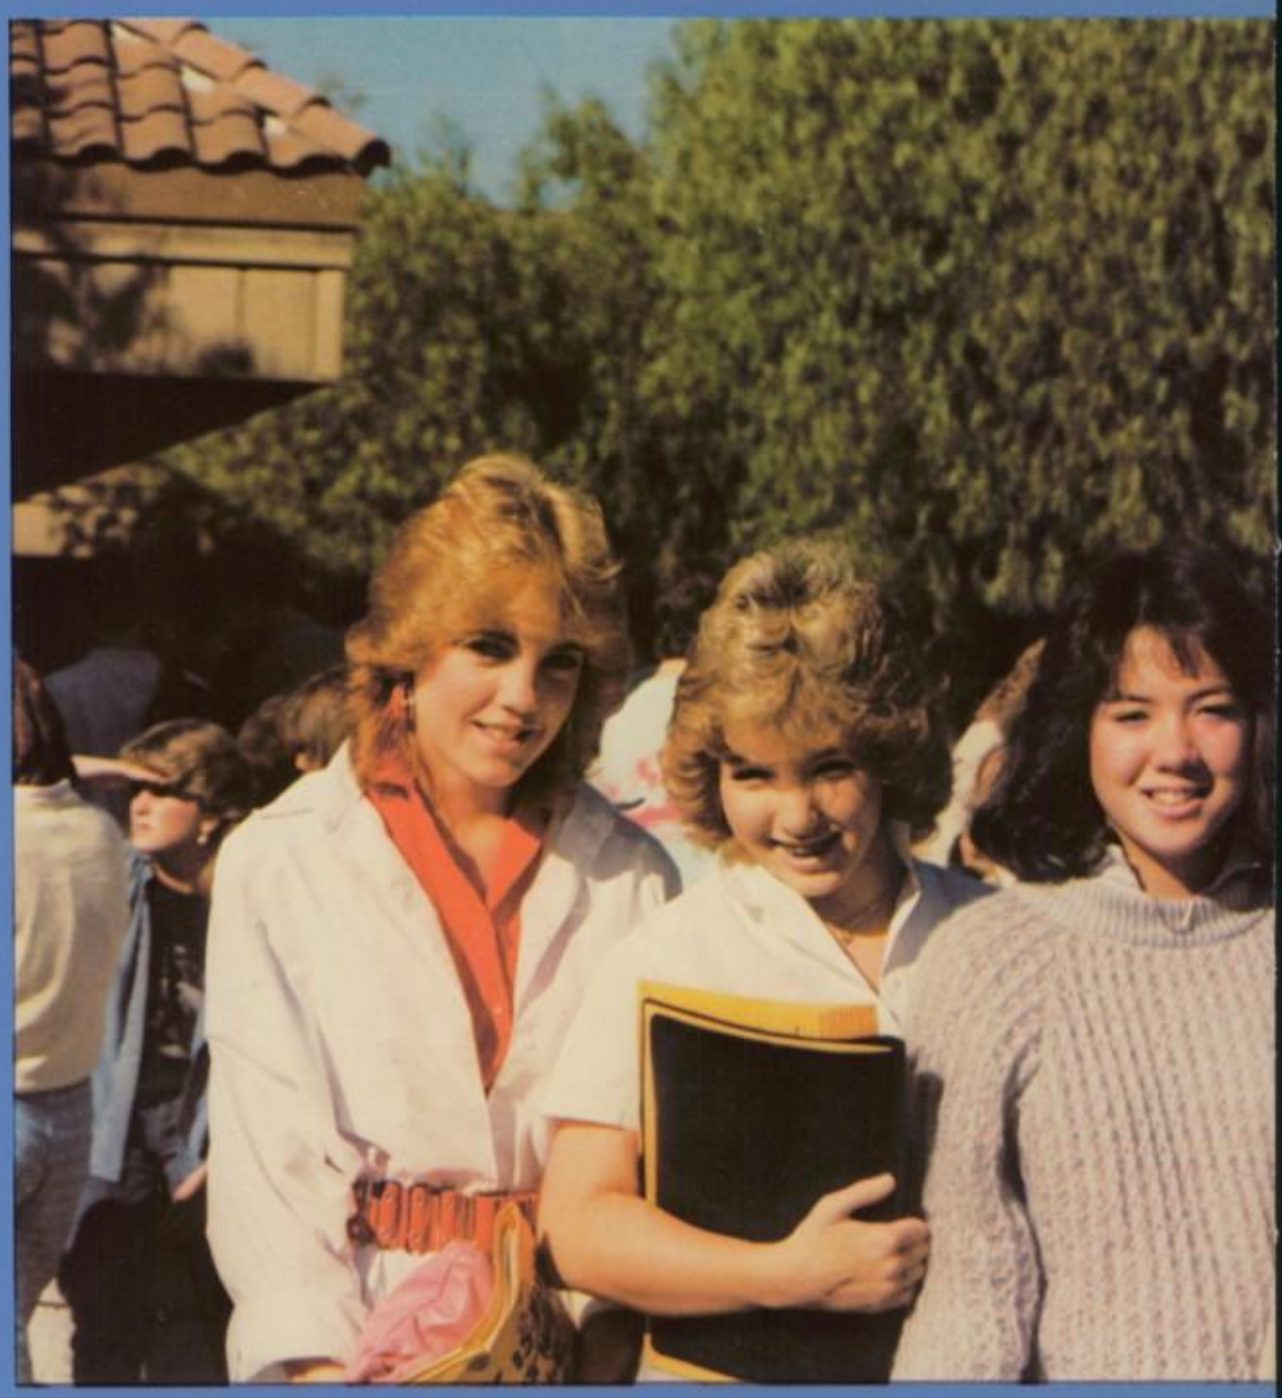
These are the images of the first day of school. Approximately 2700 students are tuning in to Santa Teresa High School for education, fun, and friendship. Santa Teresa High School has over ninety different courses including Art, Drama, Auto Shop, Electronics, and Creative Living. Other courses include architectural drawing, teacher's aide, foreign languages, and of course physical education. Required courses include several different levels of learning. Santa Teresa has over one hundred and twenty faculty members which include teachers, secretaries, senior citizen volunteers, janitors, and many others. It takes many people to run a school as large as Santa Teresa.

This year several hundred students have tuned into the realm of fun at Santa Teresa. Santa Teresa has many sports one can try out for or just watch. Football, basketball, tennis, baseball, volleyball, soccer, wrestling, and swimming. Santa Teresa has over fifty sports, and we are proud of all our teams. In addition to the hundreds of sporting matches during the year, Santa Teresa has several other activities to attend. We have several dances, two spirit weeks and a few dozen rallies by the cheerleaders.

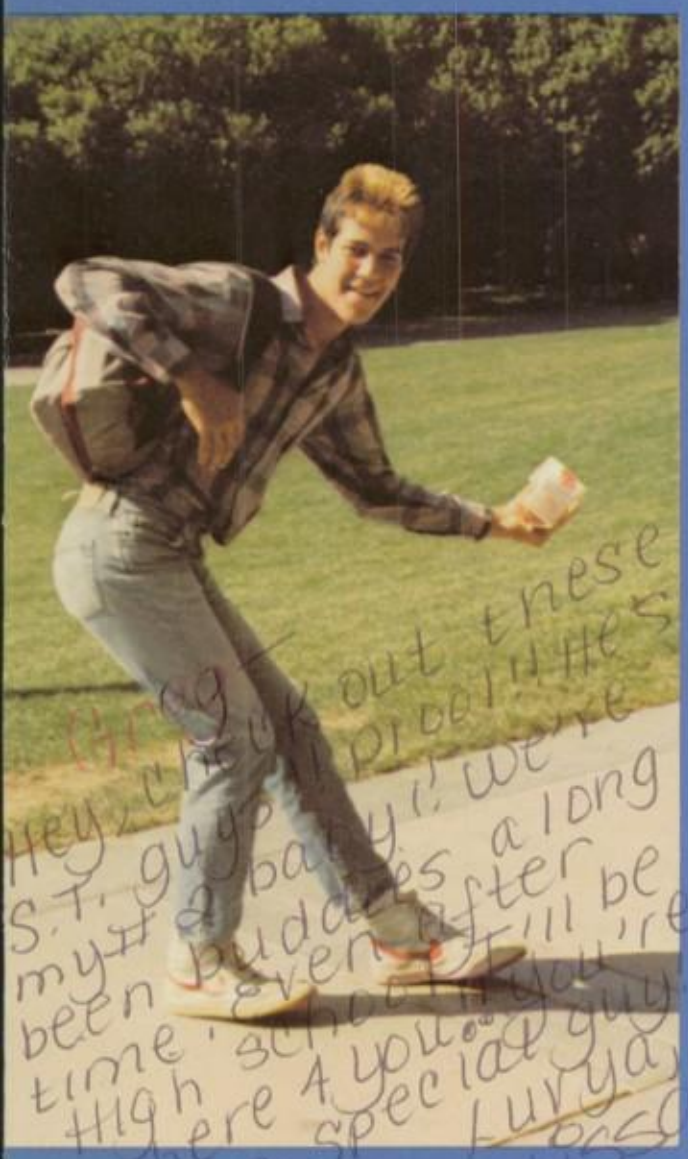
With a student body of over 2700 people, it is fairly easy to find a friend or group of friends to spend break or lunch with. The friendship aspect of Santa Teresa High School is perhaps the most important part of Santa Teresa because they make the days a little more bearable. It is all of Santa Teresa's aspects that make it possible for the students to tune into Santa Teresa during the whole year.

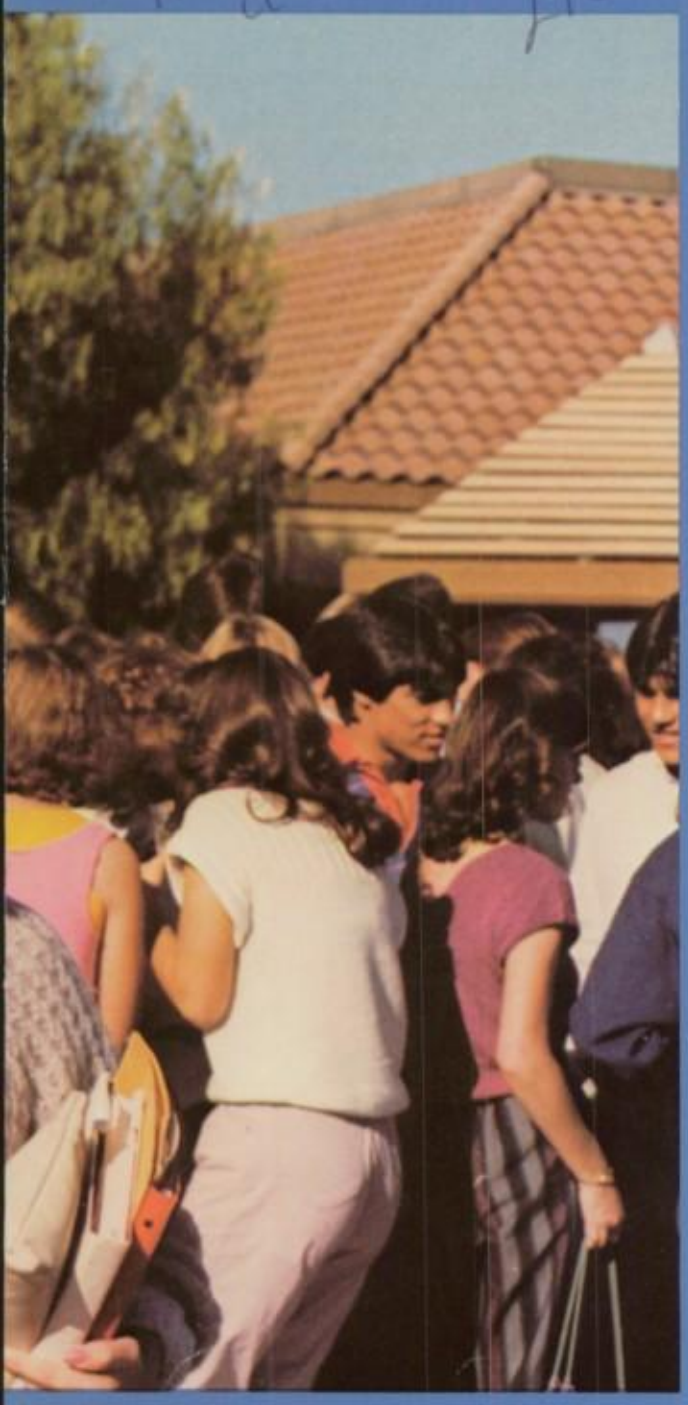






above: Denise Derge and Patty Murray share a moment of friendship. *right:* Raeanne Caparelli, Wendy Forbes, and Jennifer Sakamoto enjoy a sunny lunch period.





far left: Anthony Shear shows his school spirit and lightheartedness on the first day of school.

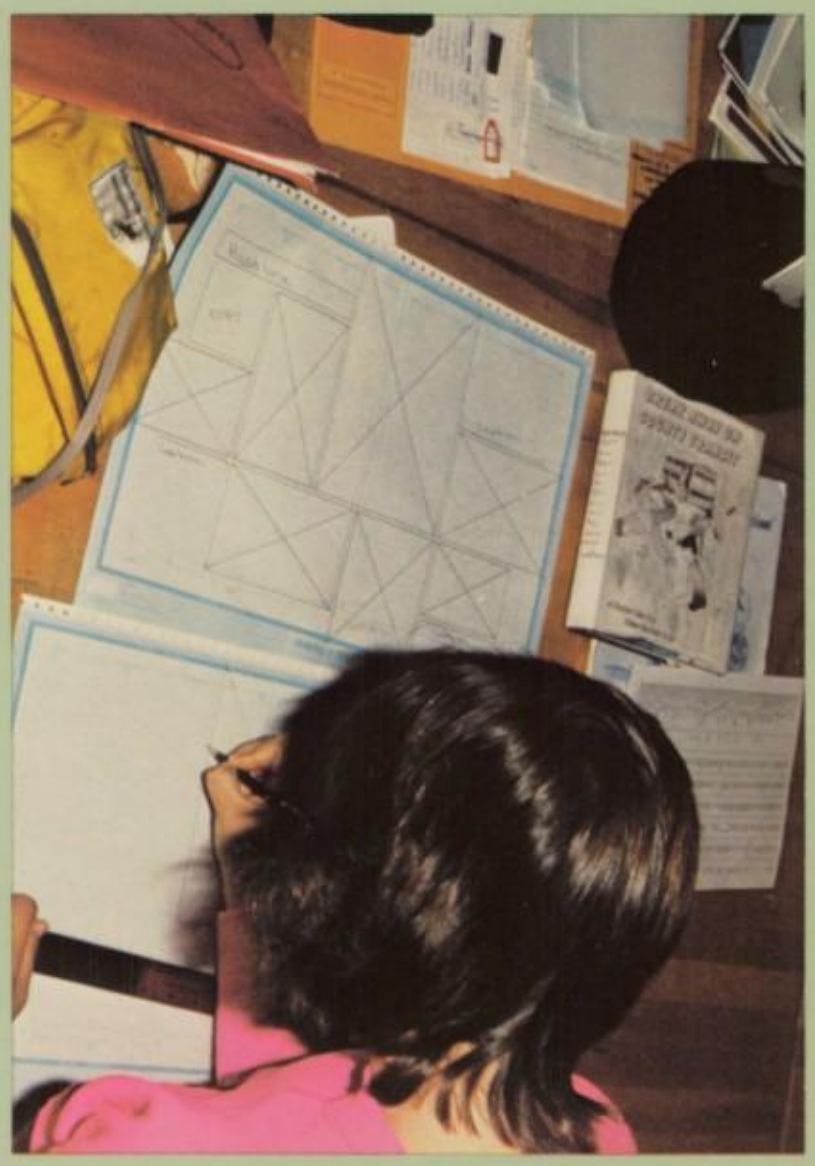
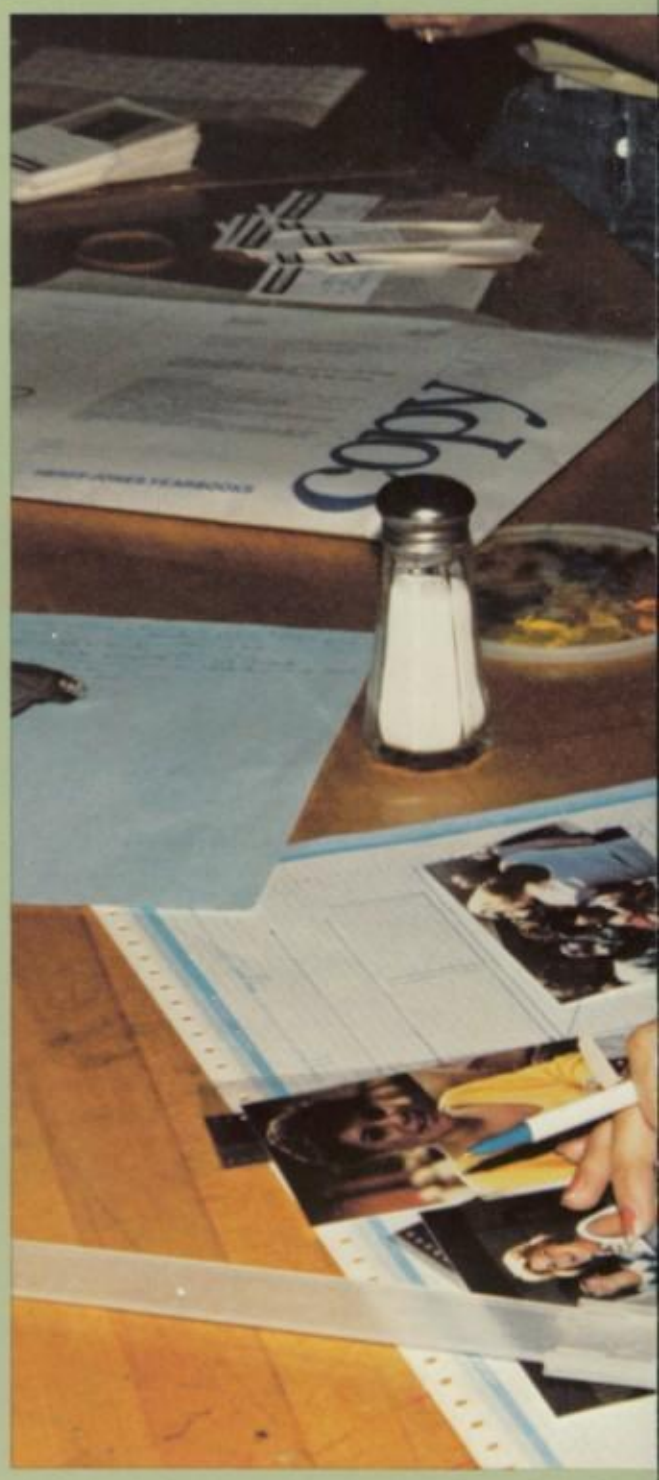
top: Lori Ice, Pat Sveum, and David Nemier reminisce about summer experiences.
above: Sunshine exposes Jimmy Torres' shady deals and checkered past.

"Step by Step"





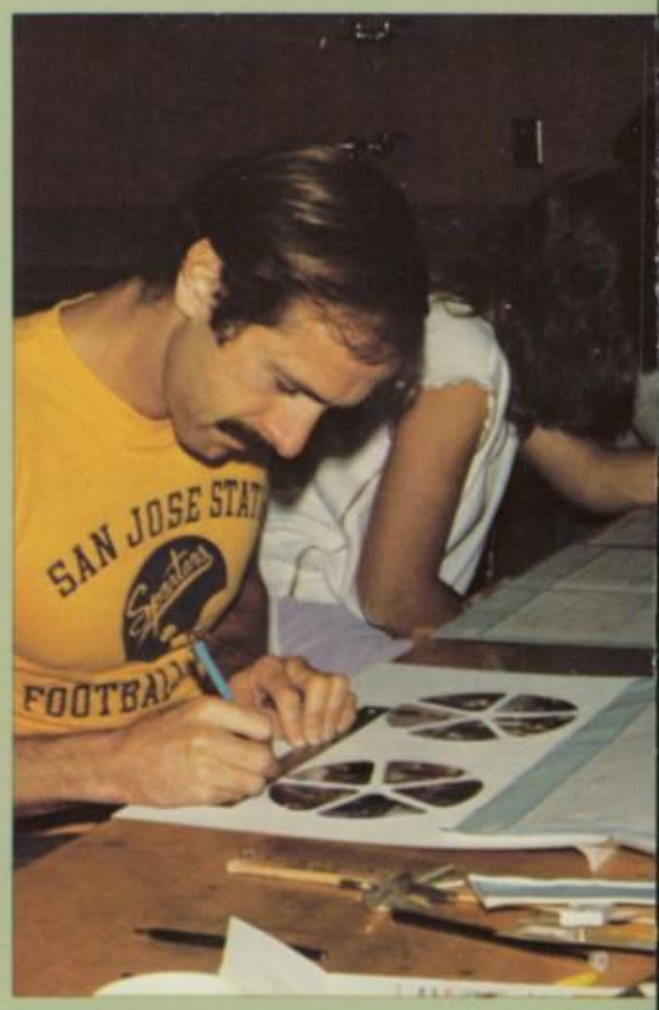
The yearbook is born

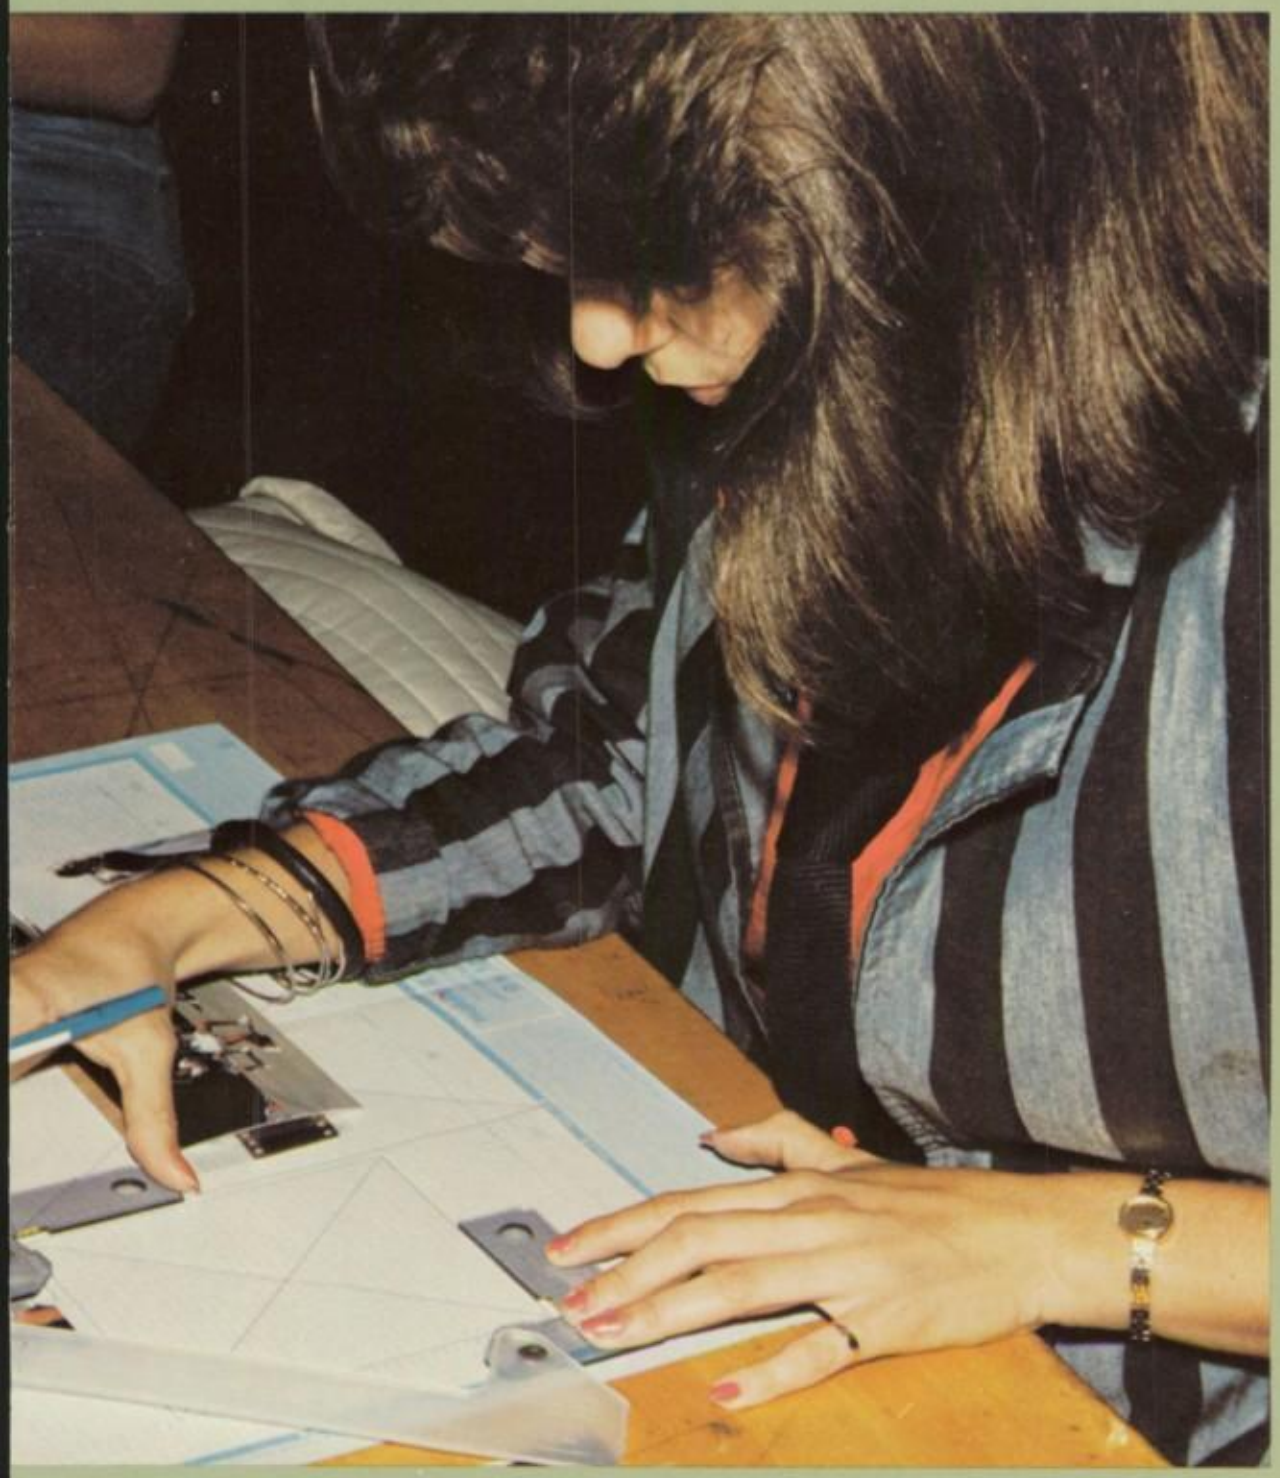
In the beginning of the school year, everyone brainstorms to choose a theme for the yearbook. The theme is important for deciding the design of the cover, endsheets, and division pages. It also influences the way that each subject is presented in the book. Next the staff decides exactly what is going on each page and in what order. These decisions are written into a large outline called a 'ladder'.

Next the staff designs layout styles for the class sections, the senior & faculty sections, the sports & other features, and the division pages. Once this has been accomplished, the advisor divides up the pages among the staff members. Each person must design approved layouts for each of his pages, gather the information, and take the pictures. After the photographs are developed, the best are chosen for the layout and cropped to fit the space allotted. Then the articles are written, edited, typed, and copy-fitted to the space on the layout. In addition, students must write headlines related to the theme and compose informative captions for each picture.

Type sheet, final layout, and the cropped pictures all go inside a large envelope, which is packed up and sent to the company.

Several weeks later, the company sends back proofs which are like xerox copies of each page. The staff then has 48 hours to correct any mistakes on the proofs and return them to the printer. All materials must be given to the printer by the middle of March, and during the two month wait for the delivery of the book to the school, the staff makes general plans for the next year's book and eats a lot of doughnuts and pizza.





far left: Rachelle Martini copies an approved 'Senior Mosts' layout onto a final layout form.
left: Using a cropper, Deanna Hillis checks to make sure a picture will fit in its designated space.
below: Mike Mastrocovo arranges Freshmen mugs in alphabetical order and numbers the back of each picture accordingly.

far left: Mr. Fulton, the advisor, designed the 'table of contents' page and is double-checking his work.
left: Using a calculator, Karin Shadwick determines the number of characters to make sure the copy will fit in the designated space.
above: Karin Shadwick types Junior names on a type sheet.

"Face the Change"

Fads and Fashions

Whether one shops at Sax Fifth Avenue or your local Salvation Army, fashion is what one makes it. With the variety of fashions today, a person can shop almost anywhere and get the latest up-to-date clothes to suit his individual tastes.

First, for that chilly season everyone likes to cuddle up to this— is the time for your favorite winter wools. With this look, all it takes is a big bulky sweater, tie it together with a colorful plaid and stay warm.

Another look that's geared toward the cooler weather is the look of autumn. With a casual skirt or pants and a big scarf, this is a look anyone can enjoy.

Next, are the Forenza sweaters. This has been one of the biggest fashions this year.

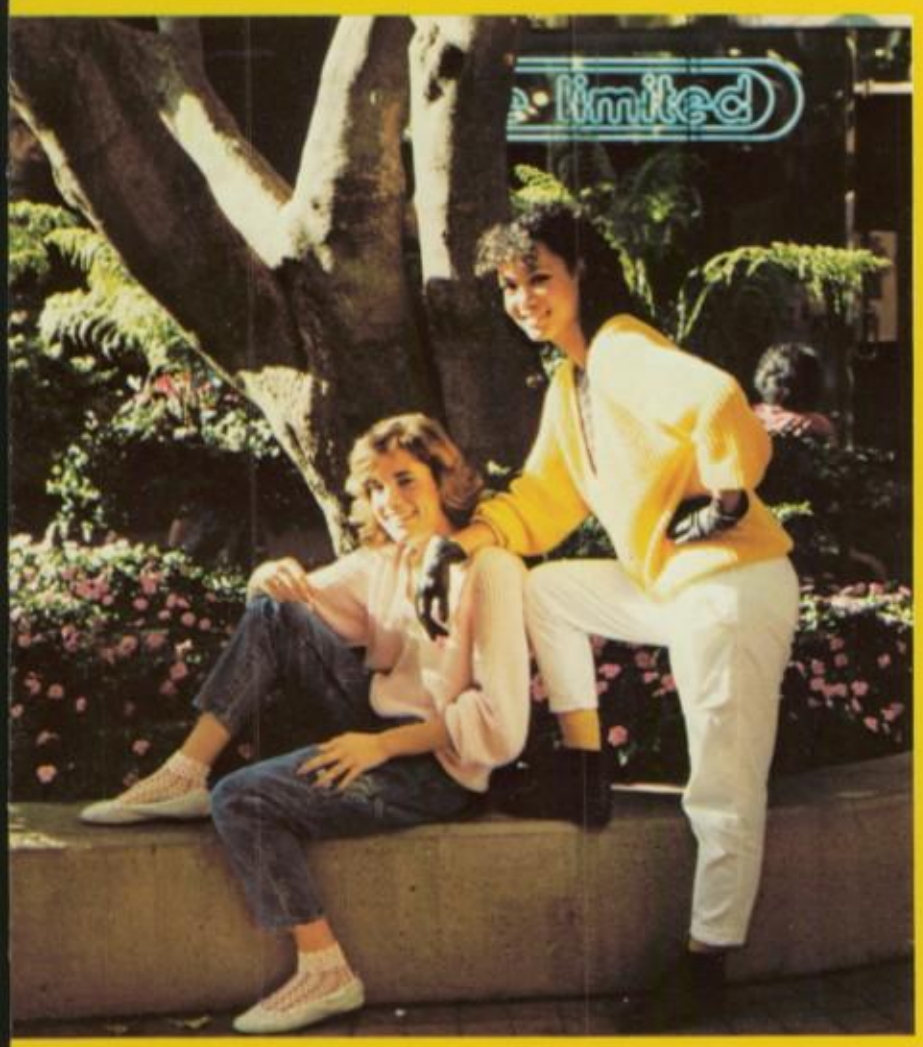
The brighter the better! This is the look being portrayed in this picture of the latest florescent fad. With this look, as long as it's shocking it's style.

Here, a few sophisticated seniors display the look of "a night in the city." Although this is not an everyday look

for the average teen-ager, there will always that special occasion to dust off the veiled hats and dinner jackets sporting sophistication.

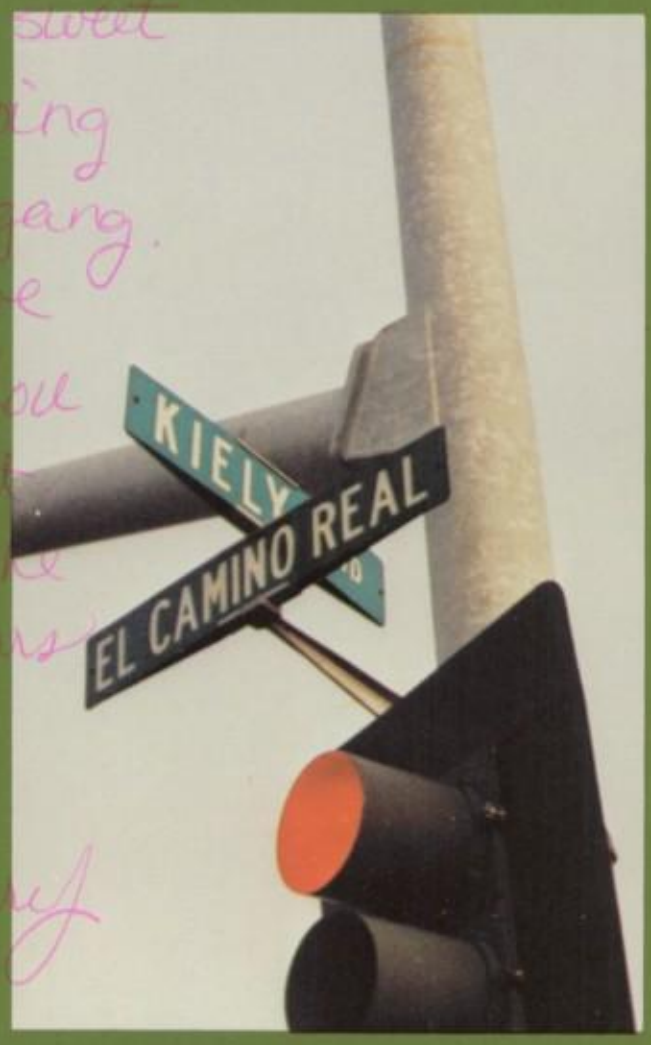
A very popular look lately is that of the many second-hand stores in town. The key here is mixing and matching. With one's imagination, any look can be created. The best part of this look is the price.

far left: In front of Neiman Marcus at Stanford Shopping Center, Dave Borden, Renee' Orozco, and Steve Walton show off their favorite winter wools.
far bottom left: Shopping for less are Diana Jerolimov, Dave Kirk, and Karen Samman.
left: Banana Republic set the scene for Jennifer Stavros and Ed Jensen to show the casual look of fall.
below: The fashionable Forenza's, modeled by Tara Mc Veigh and Dina Malay, are shown suitably in front of the Limited at Stanford.



bottom left: Deanna Hillis, Mike Ellenburg, and Annie Leonti step up, sporting the sophisticated look.
bottom right: Blinding brights are worn by Seanain Snow and Stacy Cuaresma.

Weekends



right: Cruising the El Camino is inevitable on Saturday nights.

above: The models for the 'Fads and Fashions' page (10-11), dine in style.
right: The Pennzoil-Penske car laps a slower driver in this grueling Indy race at Laguna Seca Raceway.

left: People enjoy the rays, the rides, and the waves at the Boardwalk in Santa Cruz.
below: Robert Ramento celebrated his "first beer" with his friends.

"Working for the Weekend"

The days of the long week are spent drowning our brain cells with knowledge in the various thinking tanks located around the campus. It is enough to give one an Excedrin headache #10 — an information overload. The most prescribed antibiotic is the weekend.

The ingredients of this antibiotic range from attending parties to cruising the El Camino. This kind of activity helps eliminate the stress built up during the week by aggravating grades and impatient teachers.

When at a party, it is common for one to consume mass quantities of fermented spirits, although there are some who prefer to dance their problems away. The beach is probably the most popular weekend hangout, weather permitting. One can soak up the sun or watch the bikinis go by. Whatever one likes to do, the beach is the place to do it. Race fans always enjoy an exciting, competitive contest anywhere on a sunny weekend. Laguna Seca is a popular race track which is noted for such drivers as Mario Andretti and Paul Newman, just to name a few. Friendly get-togethers are always planned for the weekends. Friends "go out on the town" and have a great time doing it! The El Camino comes alive at night as the street machines rev up to autograph the pavement with their own personal treads. Even the police cannot stop this original weekend American pastime. These are only a few of the popular out-of-school activities which counteract stress. One can dream up one hundred and one others to experience.

"Hopelessly Devoted to You"

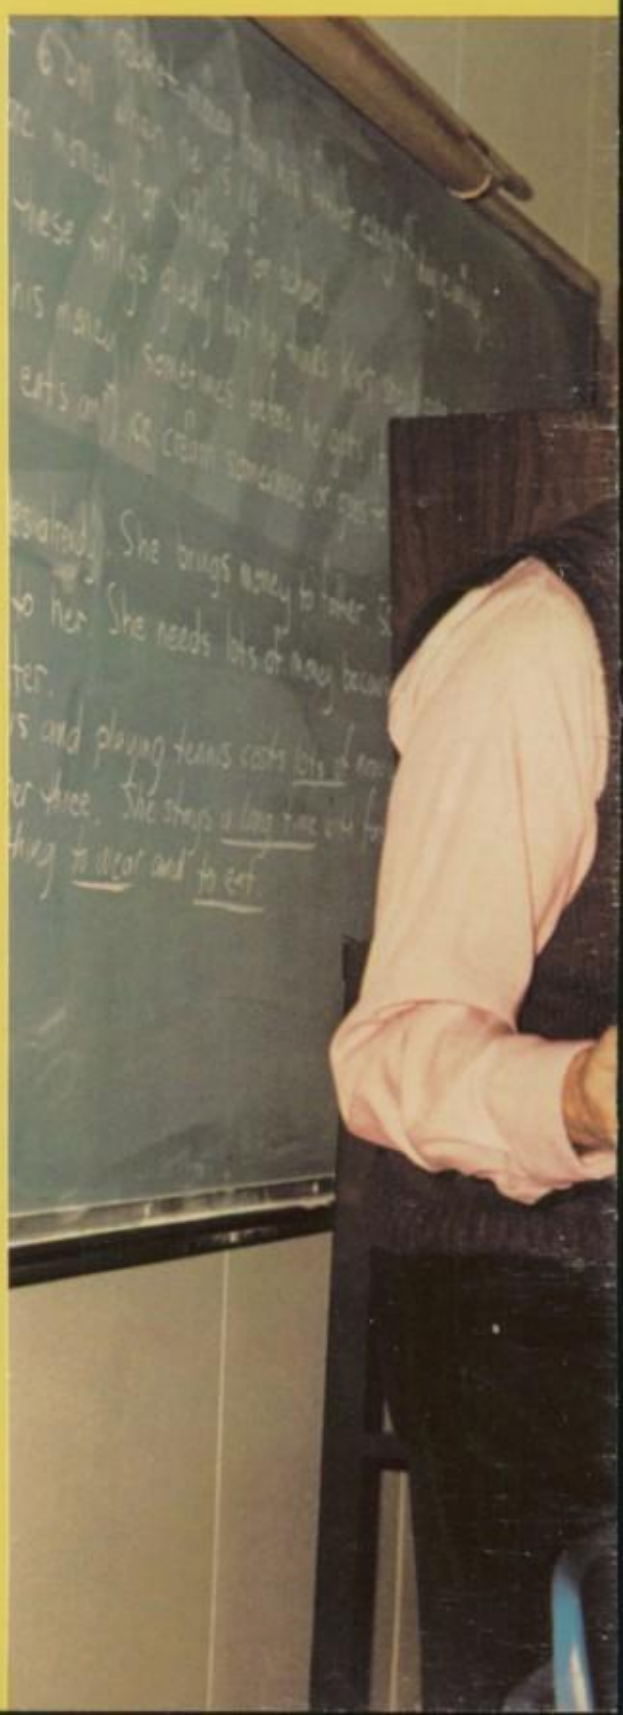
Yearbook Dedication

Those people familiar with Mr. Brown know that he is a very busy man. Mr. Brown has been teaching for seventeen years - ten here at Santa Teresa and seven at Oak Grove. He has been the head of the foreign language department since 1979. He also advises K.S.T.S., IRC, and the German Club. In addition, he teaches German I-IV and one World Cultures class. Being a devoted teacher, Mr. Brown arrives at school before first period and has students in his classroom until the end of ISP, including break and lunch.

Mr. Brown and one of his associates were directly responsible for the creation of the model UN about ten years ago. The mock United Nations assembly is one of two in California. It attracts students from all over Northern California.

In his spare time, Mr. Brown enjoys hiking, sailing, waterskiing, and singing opera. Also, almost every Sunday night he can be found at the Saint Claire Hilton acting as the host for opera night.

Since Mr. Brown dedicates his heart and soul to the education of students here at Santa Teresa High School, we, the staff of the 1984-85 yearbook, are proud to dedicate the eleven edition of the *Compedium* to Mr. Warren Brown.



top: Debbie Pesta receives some of Mr. Brown's more sensitive 'counselling'. *above:* Students benefir from Mr. Brown's individual help. *right:* Mr. Brown enjoys a breath of fresh air.

right: Kyle Hemmig's parrot waits patiently for him to be dismissed from school. *far right:* Maria Zito is the proud owner of this sparkling '65 Bug.

"I Can't Drive 55"

Transportation

How are you getting to school? At Santa Teresa there are several forms of transportation, some more exciting than others. Walking is the most basic form of transportation and one the less exciting. If you live too far to walk, you can hop on one of our County Transit busses. The ride to school is fine, but the ride home is another story. The ride home on a County Transit bus is far more exciting than walking home. The fun begins when the bus is blitzed as it pulls up to the school. The tension builds as you push and shove your way onto the bus. Once inside, you fight frantically for air. Finally the bus arrives at your stop. You jump off and wish you knew someone with a car.

Getting a ride to school is also very popular at Santa Teresa. This can be very exciting or just plain boring, it all depends on who is driving and what they are driving. You might drive with someone who likes to keep their fuel gauge on E. Or you could get a ride with someone who leaves their home at 8:13 and still makes it to school on time.

Another exciting form of transportation are those two-wheeled vehicles, ranging from bicycles to motorcycles. Bicycles, similar to walking, are also your basic transportation. You do not have to worry about running out of gas or breaking down. Mopeds at Santa Teresa are very rare, but practical. Motocycles, an exciting form of transportation, are common at Santa Teresa. Now, how are you getting home?

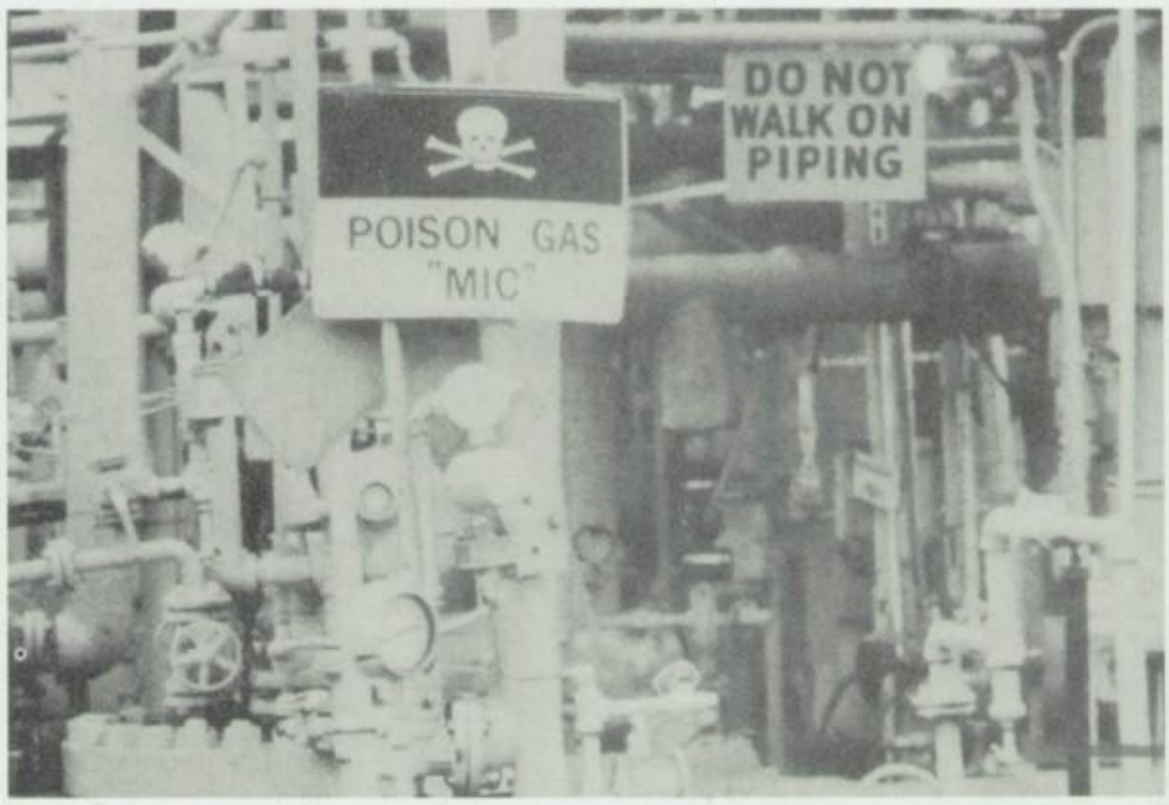
above: Damon Foster and Eric Hope demonstrate the most common form of transportation—walking.
left: Greg Thornsteinson makes a quick escape from the S.T. parking lot in his 1974 Mustang II.

"Keeping in Touch"

Current Events

In 1984 Ronald Reagan won a landslide victory against Walter Mondale and Geraldine Ferraro. Reagan captured nearly every state's electoral votes and won by the greatest margin in American History.

Superbowl XIX took place in the Stanford Stadium, the San Fransisco 49ers' backyard. Commonly called a battle between Joe Montana and Dan Moreno, the Superbowl XIX was a 38-16 victory for the San Fransisco 49ers.



During the morning in Bhopal, India, a poison gas escaped from The Union Carbide Chemical Plant. In the next few hours, over two-thousand people died from inhaling the toxic chemical methyl isocyanate (MIC).

Bill Schroeder became the second man to receive an artificial heart. The Jarvick heart took several hours to install, but saved Schroeder's life. More surgery was required for internal bleeding, but Schroeder came through okay.

In 1984 NBC's new show, *Miami Vice,* premiered. *Miami Vice* was immediately called a "cops and robbers" meets MTV. One of the shows was based on Glen Fry's "Smuggler's Blues." In that episode Glen Fry was a guest star.

During the XXIII Olympics in Los Angeles last summer, the United States Olympians collected 174 medals, an Olympic record. One of the more noticed Olympians was Mary Lou Retton. Mary Lou clinched the Gold with two perfect tens.

The Ethiopian Famine has existed for several years, but in late 1984 the Ethiopian Famine was greatly publicized on National Television. Thousands of Ethiopians die daily in spite of the millions of dollars donated to their cause.

In 1984, Geralding Ferraro became the first women to be nominated by a major political party. Unfortunately, the Democratic campaign was shrouded in controversy because of Ferraro's husband's financial standings.

Earning money, credits, and skills

Work Experience

Do you have to work today? If you did not have to work, chances are that one of your friends did. The majority of the S.T. upperclass had some type of job; after school or work experience.

From the mexican cuisine of Taco Bell to packing groceries at Lucky's, S.T. students were working hard for that extra cash. Filling a wide variety of jobs, Saints were a very important factor to the community. According to Mrs. Hogland, "Anyone who can go to school, work, and maintain that 3.00 G.P.A. is worthy of themselves and their family."

The Work Experience Education Program (W.E.E.P.) at S.T. was strictly vocational. It was offered to Seniors only who were enrolled in business classes. All of the jobs were office related.

There were approximately 50 Saints in the W.E.E.P. at S.T. The majority of the students in the program worked at I.B.M. Other students worked at less common businesses; such as, Duane Tuell who worked at Vally Auto Wreckers, Michael Golub who worked at Ken's Camera or Lee Ann Doll for the Santa Clara County Jail.

Saints enrolled in W.E.E.P. took four classes and attended a weekly class with Mr. Cappelloni, who was in charge of the W.E.E.P. program at S.T. A variety of business topics were covered during the weekly meeting. The students learned about the child labor law, contracts, resumes, insurance, payroll deductions, taxes, banking, and other business related subjects.

All in all this program is a great experience for all high school students. The 84 - 85 school year was a great one for all Saint workers.

"Breakin"

A New Style Of Dancing

Breakdancing is a style of dancing that is new in our society, but not in other parts of the world. Slaves practiced this dance on the plantations of Brazil almost 300 years ago.

Breakdancing has become popular in the United States in the past two to three years. Venice Beach, in Southern California, is a popular place to find breakdancers. People gather in groups on the sidewalks to see the dancers "show their stuff."

In the movie "Breakin'," two of the main characters had the names "Ozone" and "Turbo." Streetnames like these are given to the breakdancers for their individual moves and styles.

Groups of breakdancers are called "crews." If a crew gives a good exibition, it can go on world tours.

Breakdancing is also used as a substitute competition for fighting. Two crews will go up against each other and start breaking without physical contact. Whichever crew gets "rocked the hardest" is the one that loses the competition.

Here at Santa Teresa there are several breakdancers. Senior Vince Davis is one of them. He practices with his crew for at least an hour a day. Davis also teaches breakdancing classes at L'ecole de Dance twice a week. He says breaking takes a lot of practice, but once the moves are picked up, they are fairly easy to do. When asked for an opinion about breakdancing, Davis said, "Breaking is something you just don't learn overnight!"

"Stepping Out"

Hang-outs and Pick Up Places

Back in the '50's, kids would go to the local malt shop to hang out. But where do they go in the '80's? Santa Teresa students have a variety of interests, and there is a wide range of hang-out spots.

Most people like to go dancing. Star-gaze, Mother's, and Studio 47 are among the most popular places. Music is varied and one can always find some kind of dance partner. If a person chooses not to dance, it is still fun to sit and watch everyone do their own thing.

Local health clubs, like Schoebers, are another fast growing hang-out. This is the place to be to find nice bodies. One can find people of all shapes, sizes, and conditions at a health club.

S.T. students don't have a local malt shop to hang out in, but after many dances and other school events, a place to go to is Denny's. Of course, the purpose is not to eat, but instead to harass the waitresses and loosen the lids on salt shakers for the next unfortunate victim.

If a person doesn't like the sound of these places, there is still Golfland or the movies. The movies are a good place to go with several friends. But at Golfland, the possibilities are endless. There are waterslides, arcades, and golf, too. As to who one can find to pick up on or hang-out with, that is all up to the individual.

Since we are talking about hang-outs, there is one place we cannot forget . . . The Mall. It is still a place to find and see many interesting sights.

Even without a corner malt shop, S.T. students still have many places to step out to when they are looking for a "hang-out."

Above: A likely couple. *Right:* Maria in action at the Opening Day rally.

Hey... your weird. I'm glad we met this year. your cute & sweet, take good care of my ass, Tina She likes you a lot and you would be good for her. Love ya Kit 88-1137

Left: Tina starts a cheer during a home football game. *Below:* This years' Mascots, Maria Zito and Tina Maloy.

How much is that Doggie in the Window?

Mascots

This year's mascots were Senior, Maria Zito and Sophmore, Tina Maloy. Maria and Tina contributed greatly to the spirit and rowdiness at this year's football and basketball games. In the past, the mascots have a tendency to get the crowds going before the cheers have even started. This year was no exception!

The mascots weren't able to go to cheerleading camp over the summer but, with the help and patience of the other spirit leaders they were easily able to learn the new cheers.

Maria and Tina did an outstanding job as mascots this year and deserve to be congratulated!

PS.- 86 rules ASS!!

Love ya, Friend Donia

Left: (Top Row) Tonia Crist, Tami Eby (Bottom Row) Darlene Victor, Paula Bushaw, Jill Livingston
Below: Tonia thinks, "It's time to take it to the goal line."
Right: "Beat the Raiders, go Saints," is Paula's motto.

Lets Get Excited

Varsity Fall Cheerleaders

The Varsity Fall Cheerleaders of 1984-1985 have had an unforgettable year. Although their season may be over, their memories will last for many years.

This squad, including Tonia Crist, Tami Eby, Darlene Victor, Paula Bushaw, and Jill Livingston, attended USA camp at Santa Cruz. There they demonstrated their ability to cheer by earning two superior and two excellent ribbons. They also received a spirit stick along with the Varsity Winter Cheerleaders because of their enthusiasm and spirit.

At camp the Varsity Fall Cheerleaders worked very hard. Their day began each morning at 7:00 a.m. for morning warmups. After eating breakfast, they at-

tended various workshops for ideas on rallies. One hour was designated after lunch so that they would be able to practice their cheers and chants for competition. After an exhausting day, dinner arrived, and then it was time for more practicing, as well as fun.

Although camp was a lot of hard work, they all agreed that it was worth their time and effort. They learned from camp that "there are some real blondes in the world."

They would like to thank all Santa Teresa Spirit Leaders for all their help and support. S.T. will be saying good-bye to Seniors Paula Bushaw and Tami Eby, but will be welcoming many others. They will never forget the fun that they have had and leave saying, "The Saints will always be *Proud and Mighty.*"

Left: Jill "Turns on the power" for the Saints.
Middle: Darlene helps the "Saints get to it."
Right: Tami cheers the Saints to "Victory."

Fall Song Girls

With their enthusiastic cheers and constant reassurance, this year's football song girls cheered the Varsity football team onto victory. This year's squad, unlike years before, consisted of all seniors, all of them being spirit leaders in previous years. This made the squad an experienced and high-spirited group. Cheering the team were Jackie Montijo, Charise Persiani, Chris Spina, Wendy Stephens, and Kristy Weaver.

All the girls agreed that this year was their best and they would love to do it all over again. The girls all want to wish the upcoming football song girls the best of luck.

The girls also wanted to add that all the routines were done with their own originality and a touch of flair. This 1984-85 year turned out to be an exciting year for both the football song girls and the team.

"This year was *REALLY* unforgettable, right girls? Was camp fun? . . . I can't remember. Good luck to the next "6" not "5". Oh no, Chris! Love ya girls. Love Kermie! (right Wendy?)."

Jackie Montijo

"This was the raddest year always to be remembered, Love ya football girls."

Charise Persiani

"84-85 football song girls was . . . Unforgetable???? We didn't scrub did we girls? Good luck to the next six girls not *five*. Oh no, Jackie. Love ya girls!!!"

Chris Spina

"Being a football song girl was great! Although there were a couple of complications in the beginning, our whole squad "managed" to have some of the funniest and wildest days and nights at the games. The team did an awesome job, which made it even funner to cheer. Thanks! *Dial a Freak Song Girls!*"

Kristy Weaver

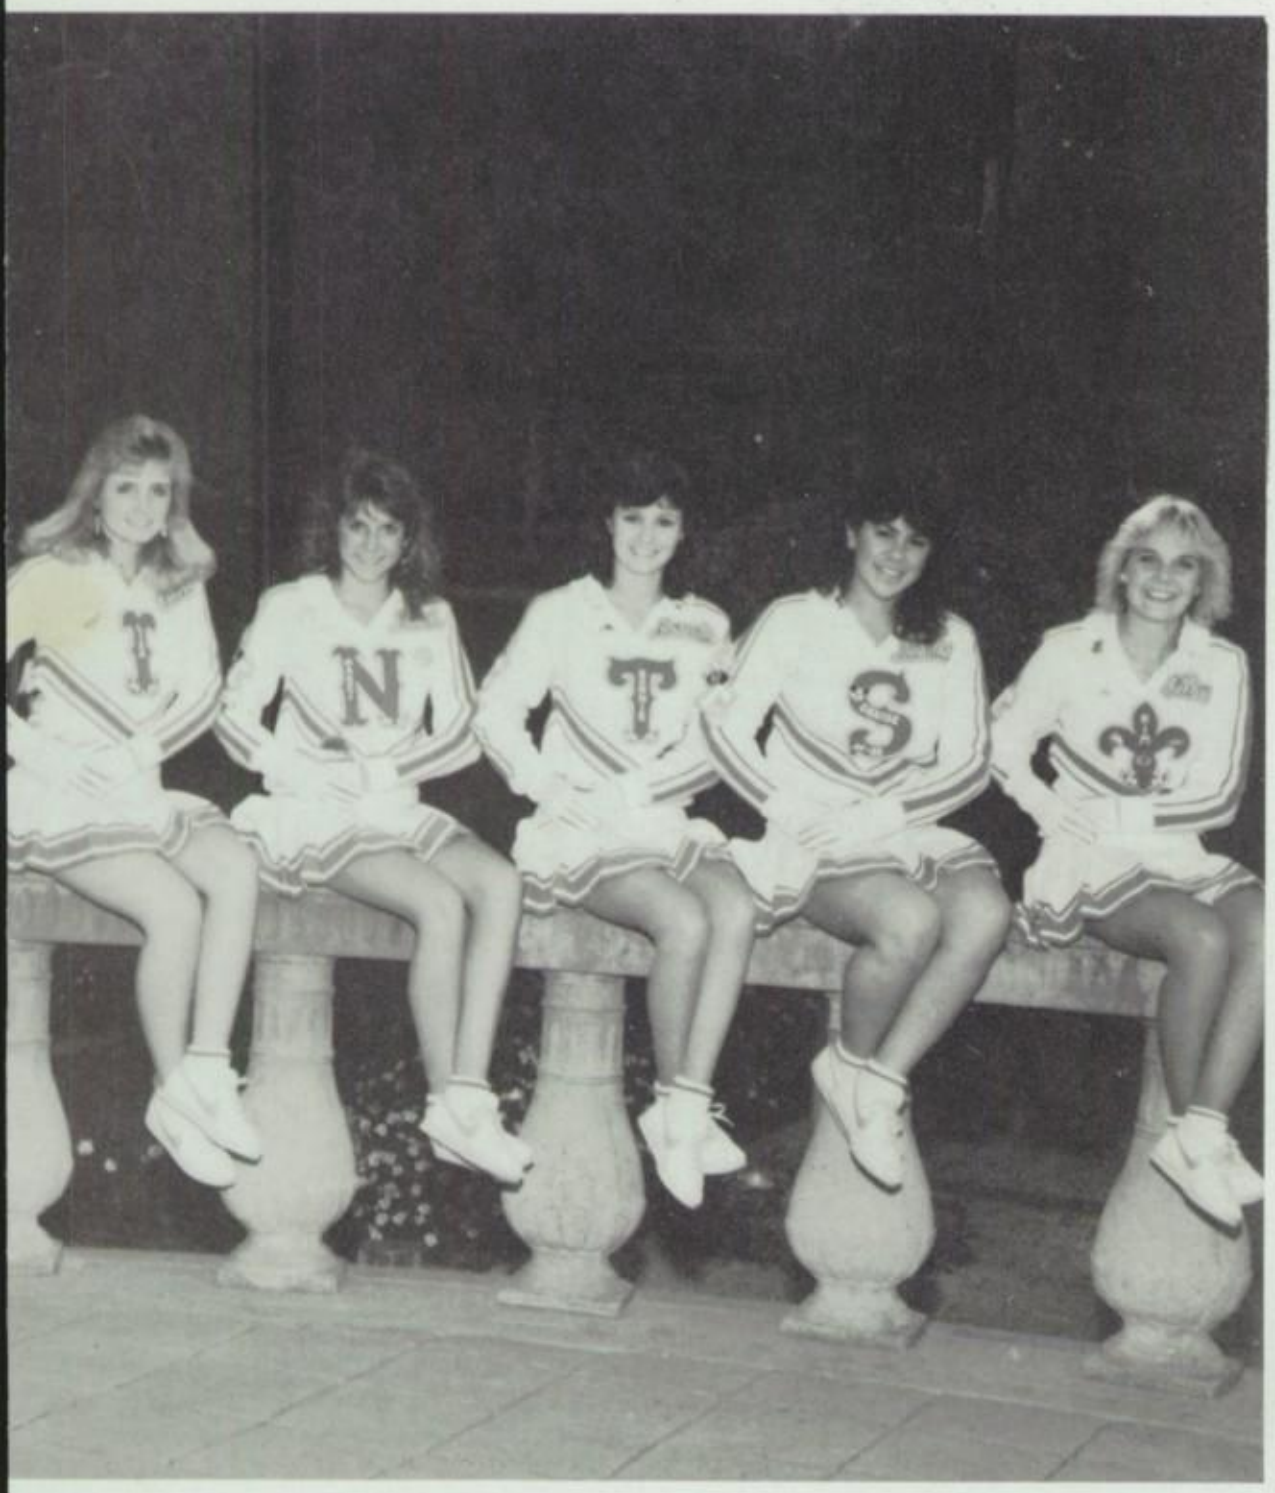
A grrreat'84-'85 season for the

Fall Varsity Lettergirls

This season was an exciting one for the Fall Lettergirls because it was the first year of cheering for all of them except Lily Han. "We enjoyed cheering for our terrific varsity football team all the way to the CCS playoffs!"

The great season began with early morning practice in the summer to prepare for USA camp at UC Santa Cruz in August. At camp they received an "Excellent" banner for their routine to "Love Somebody" and a "Superior" trophy for their hard work and enthusiasm. They also brought home a Spirit Stick (shared with the Winter Lettergirls) and many hoarse voices for showing their ST pride with non-stop cheering. Crammed into two rooms covered with posters, sleeping bags, suitcases and smashed Oreo cookies, the Fall Lettergirls had a great time, became close friends, and brought back many unforgettable memories. Back home they waited anxiously for their uniforms and worked hard to perfect their cheers as they looked forward to the first football game. The Lettergirls enjoyed performing their routines to "Electricity", "Freak-a-zoid", "Beat It" and "Love Somebody" for the ST students. "The season seemed to pass quickly because we had so much fun. Too bad it couldn't last forever."

The Fall Lettergirls want to say "Thanks" to the Fall cheerleaders and Song-girls for all their help and support. "Cheering for the Saints has been GRRREAT!!! Let's smurf!"



Far left: Lisa Olson shows everyone that the Saints are number one.
Left: From left to right- Angela Young, Lily Han, Valerie Mar, Lisa Olson, Marci Nelson, Bonnie Ford, Denise King, Kim Hart.

Hard Work Unifies the Group

Winter Varsity Cheerleaders

The 1984-85 Winter Varsity Basketball Cheerleaders had an 'Unforgettable' year! "It all started off with the morning practices during the summer preparing us for USA Camp in Santa Cruz. Once we got to camp, the hard times paid off. We received two 'Excellent' ribbons and one 'Superior' ribbon for our efforts. Together with the Fall Varsity Cheerleaders, we brought home the 'Spirit Stick' which made *all* the hard work pay off!

Throughout the season we have all given cheering our best effort, not only by bringing more spirit into the crowds but also learning to work together. We have all become close friends and have shared many good as well as bad times together, none of which we will forget.

The five of us have made tons of new friends, special ones, and without those friends we could not have made it! I think we can all say that this has been a great and 'Unforgettable' year!!

The Winter Song girls say, "Hello Again".

Right: Leslie Harris cheers the Saints to "victory".
Far Right: Danielle and Leslie "Turn on the power".

Left to Right: Lynette Morrison, Tonya Holst, Danielle Reda, Leslie Harris, Val Perez, and Julie Spitaleri

Left: Leslie smiles for pictures.
Above: The Song girls in action.

Winter Song girls

The Winter Song girls had an incredible time at the summer camp that they attended in Santa Cruz. In the beginning, they thought that they would never survive, but by the second day camp was Unforgettable. During the three days that they attended, they learned routines to both "Freakshow" and "Hello Again". They performed these routines and others on opening day as well as at rallies and Basketball halftimes. While attending camp they received a spirit stick along with the Fall Lettergirls for their enthusiasm. For their routine "One thing leads to another" they received an excellent ribbon.

The Winter Song girls all agreed that the Basketball season as well as the whole year was spectacular. The games were really exciting and they were always psyched and optimistic for victory. They all enjoyed supporting the Saints and wanted to thank the crowds who helped to cheer the team on. The Song girls leave this year saying, "It was great being a part of the Basketball family". Although Seniors Tonya Holst and Leslie Harris will be leaving us, the others will be saying, "Hello Again" next year.

Left: Tonya awaits the successful basket made by the Saints.
Above: Danielle and Julie are all smiles.

A Successful Season

Winter Lettergirls

right: Monique Parker and Marie Crooks cheer, "All right Saints!"

far left: Terri Ketcher jumps for joy for the ST Saints.
center: Audrey Owens and Annie Carbajal give it their all with "Saints, get that ball!"
left: Together the lettergirls and other winter spirit leaders cheer the ST basketball team on to victory.
below: left to right: Kelly Eliason, Diane Stewart, Audrey Owens, Terri Ketcher, Marie Crooks, Monique Parker, Annie Carbajal, Terrie Trumble

The winter lettergirls had a successful 1984-1985 season. In August they attended USA spirit camp with other ST spirit leaders at UC Santa Cruz. They were honored with a Superior trophy and a Superior pennant for their "awesome" routine to "Jump" by Loverboy. In addition, they brought home Superior ribbons and a spirit stick. The winter lettergirls agree that "the school spirit between all the squads at camp brought us all closer together."

The hard work continued after the school year began as the lettergirls practiced to perfect their cheers for the basketball season.

"Although we've had our problems, we've managed to keep up the spirit among our squad," Marie Crooks said about the winter lettergirls' fun and successful year.

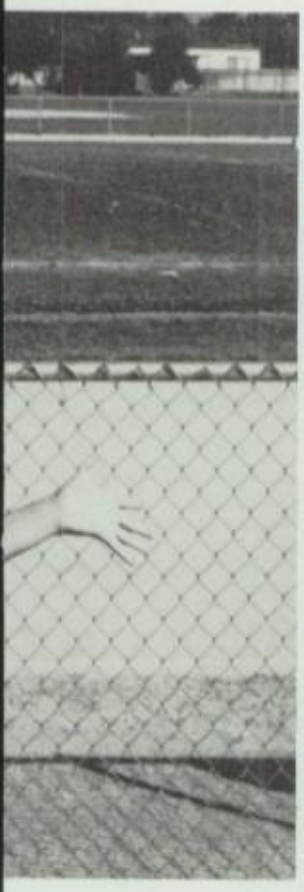
A Winning Combination

Frosh-Soph Cheerleaders

This past year was a memorable one for the frosh-soph cheerleaders. For the first time they combined the fall and winter squads into one squad because they thought "eight would be better than four."

The frosh-soph cheerleaders attended USA camp at Santa Cruz during August. At camp they earned a spirit stick, three Superior ribbons and one Excellent ribbon. The frosh-soph cheerleaders agree about their experiences at camp: "We liked it because we met a lot of people and the squad worked well together."

Back at Santa Teresa they faced even more hard work to prepare for the frosh-soph football season. Soon it was time to learn new cheers for the frosh-soph basketball season. The hard work paid off as it was a successful and memorable year for the frosh-soph cheerleaders. "We all loved it and we love our frosh-soph players!"



left to right: Joni Sorocco, Dana Fambrini, Terri Meehan, Donna Evans

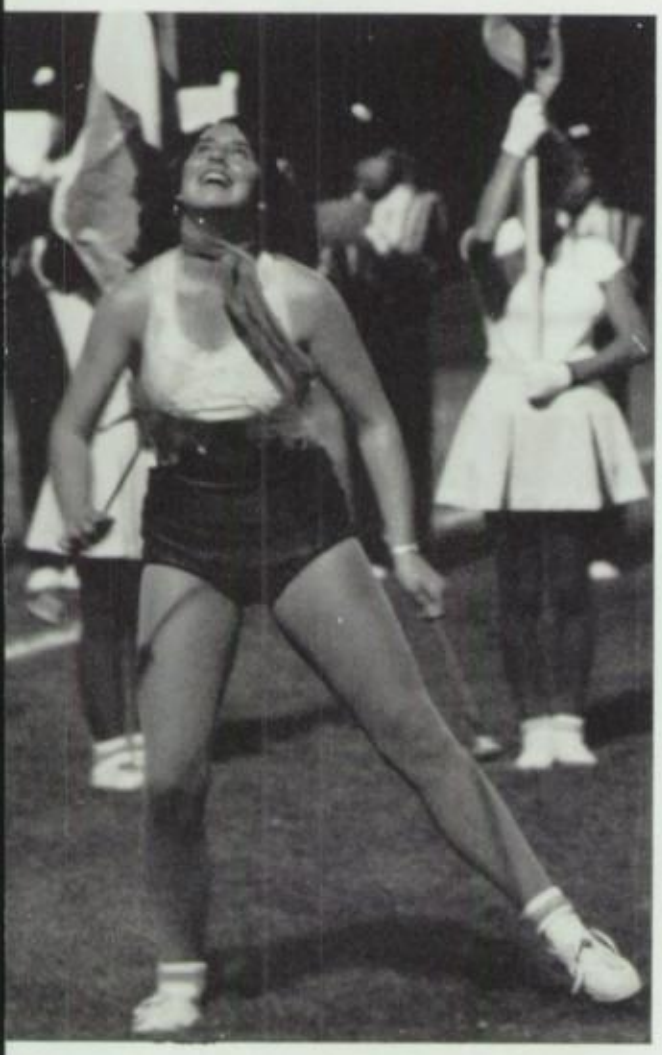
bottom row: Elizabeth Ramirez, Olga Maldanado, Erin Murphy, Kim Coffee, Lisa Giglione, Diana Ding



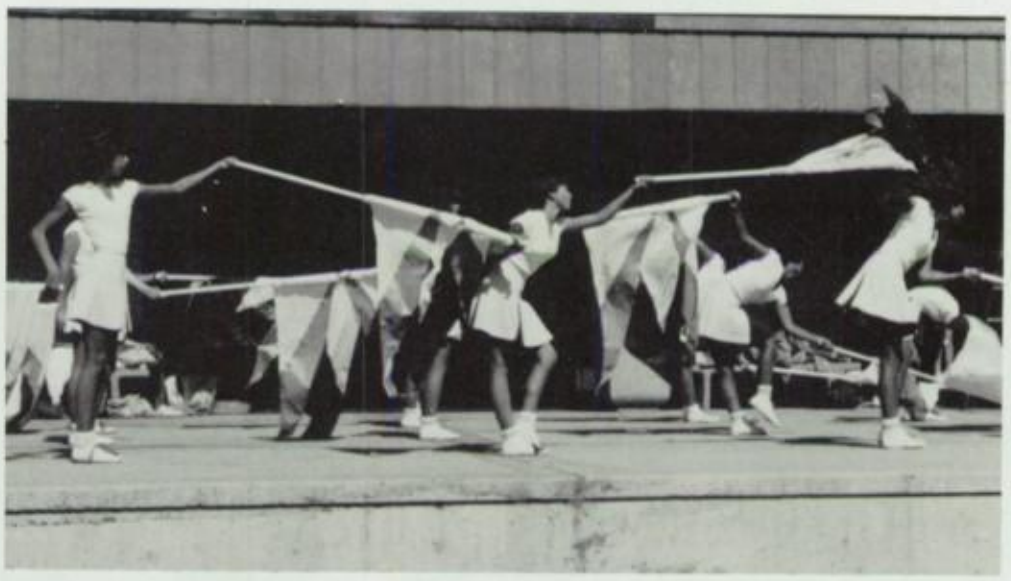
An Unforgettable Year

Colorguard

We, the 1984-85 Colorguard, are never going to forget this year. Through all the rough times and problems, we managed as a group to achieve many things that we can be proud of.

Although we began practice before school let out for the summer, serious practicing did not begin until August. At this time, two different groups went down to Santa Barbara for the USA Camp. The first group consisted of Cindy Dale, Diana Ding, Lisa Farrell, Olga Maldanado, Elizabeth Ramirez, and Sandy Vallez. The second group, which attended camp in late August, consisted of Tracy Bogert, Kim Coffee, Christine Corpus, Lisa Giglione, Maria Gonzales, Karin Shadwick, Stacy Shanabrook, Ellen Shide, and Tami Skogland. While at camp, we learned many flag and rifle moves and shared many emotions . . . those of anger, frustration, sadness, joy, and love. Although the four days of camp were tiring, the experience of meeting new people and working together proved to be succesful. Our hard work paid off at the end of camp when received the award for Most Improved. Together we made the 1984-85 school year UNFORGETTABLE!

We would like to thank our advisor, Mr. Reed, all the parents, and the Saints who helped and supported us throughout the year.



above: The Colorguard splashes another wave on stage to "Rock It" during a lunchtime rally.
left: Waiting for her cue, Tracy Bogert grins at the audience on Opening Day during "Puttin' On the Ritz."

"When the Saints Go Marching In"

Band

For the first time, Mr. Mike Reed directed the band. Mr. Reed transferred to Santa Teresa from Andrew Hill two years ago. Last year he taught English here, and this year he taught drama and band.

The band has sixty-seven members including the Colorguard. The band played approximately fifty-five pieces of music this year, of which only a few were actually performed before an audience. The Santa Teresa Marching Band played a variety of music ranging from classical to popular. Some of the songs included "When the Saints Go Marching In", "Beat it", "Jingle Bells", "Santa Claus is Coming to Town", Rhapsody in Blue", "Folk Song Suite", and "Pieces of Dreams".

During the year, the Marching Band attended many events including the San Fransisco Veteran's Day Parade. In this competition, the band placed third; the majorette, JoAnn Bucholtz, placed first; the Drum Major, Diane Stewart, placed second; and the Colorguard placed fourth. The band also attended the Los Gatos Christmas Day Parade and the Santa Clara Parade of Champions. From the quietest flute to the loudest drumstand tubas, the Santa Teresa Marching Band placed sixth out of thirty in the Santa Clara Parade of Champions.

In the football season, S.T.'s musical Saints played at seven of the games and marched in a few. The band did a spectatular job under the Drum Majoring of Diane Stewart. The entire band, including the majorette and Colorguard, did a fantastic job of entertaining the spectators during the halftimes at many games.

above: The band plays "When the Saints Go Marching In".
right: The band enjoys a little break in-between songs.

far left: Ricky Callender (left) and Matt Singer (right) prepare to play at a football game.

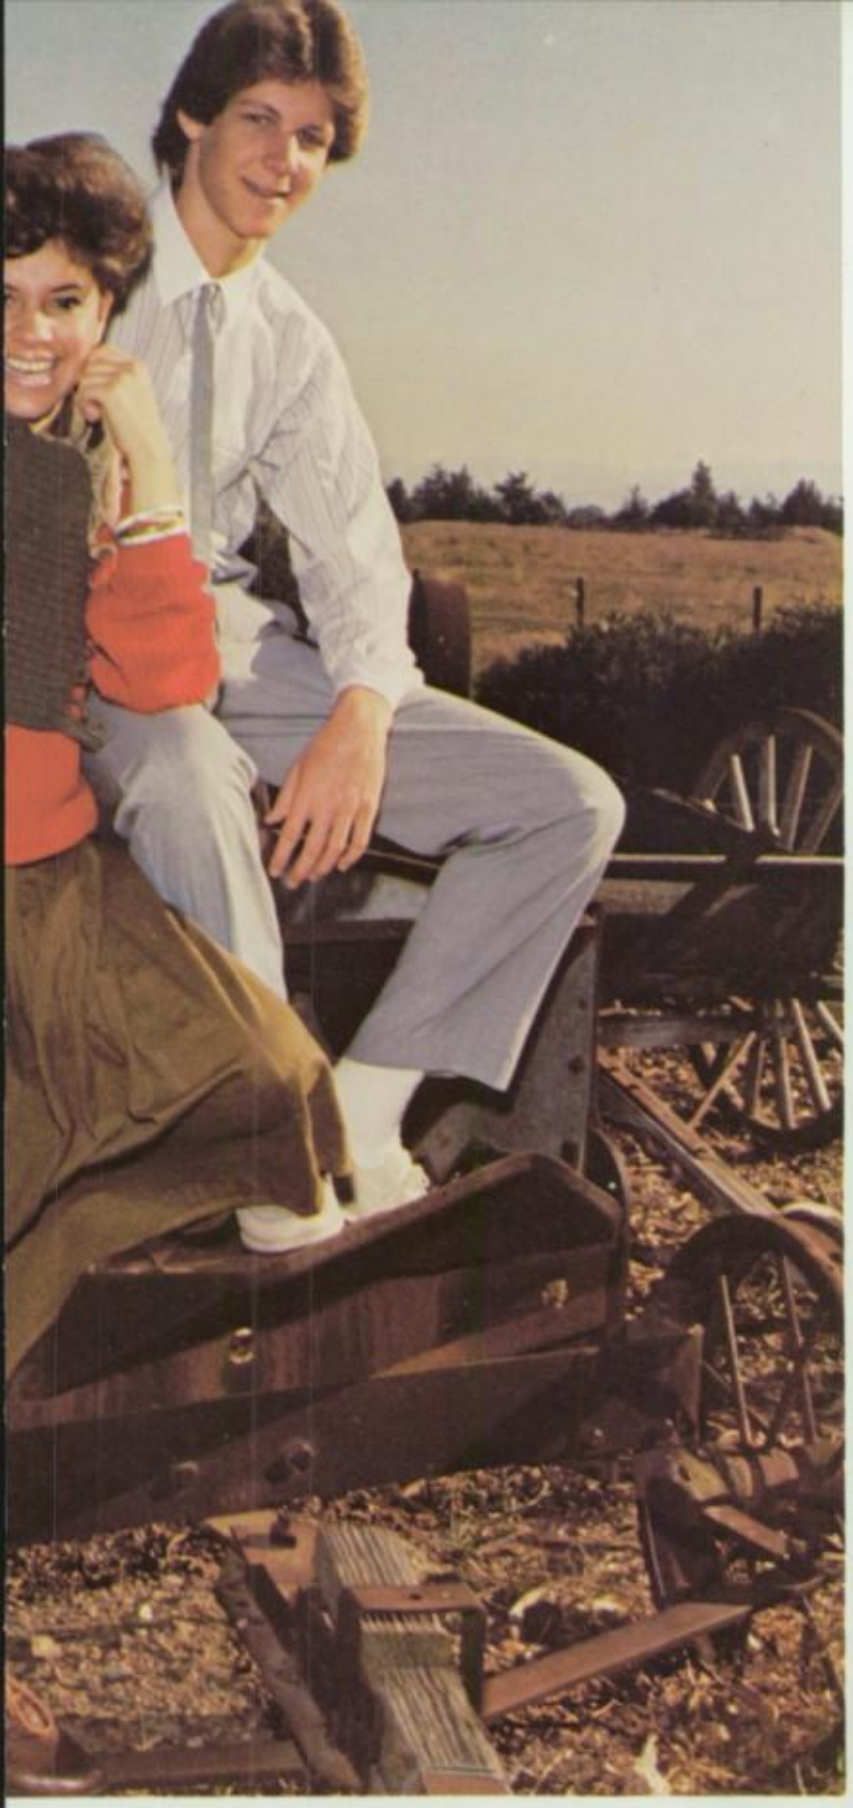
Senior Mosts

The senior mosts of '85, as in years before, were elected by the entire senior class. After the ballots were counted and tallied, each senior was notified, and it was then time for pictures. The Flying Lady Restaurant in San Martin was chosen as a unique place having not only a beautiful and spacious dining room, but also an interesting warehouse where old antique planes and cars were displayed. It turned out to be an ideal spot to photograph. Extraordinarily enough, everyone showed up and all of the pictures were taken in one day. The photographer from Western School Portraits was a tremendous help in arranging and photographing the seniors. After all the pictures were taken and the excitement was over, everyone headed for Carl's Junior to munch out.

above: Charlie Chaplin and Missy Schultz were selected most unforgettable.

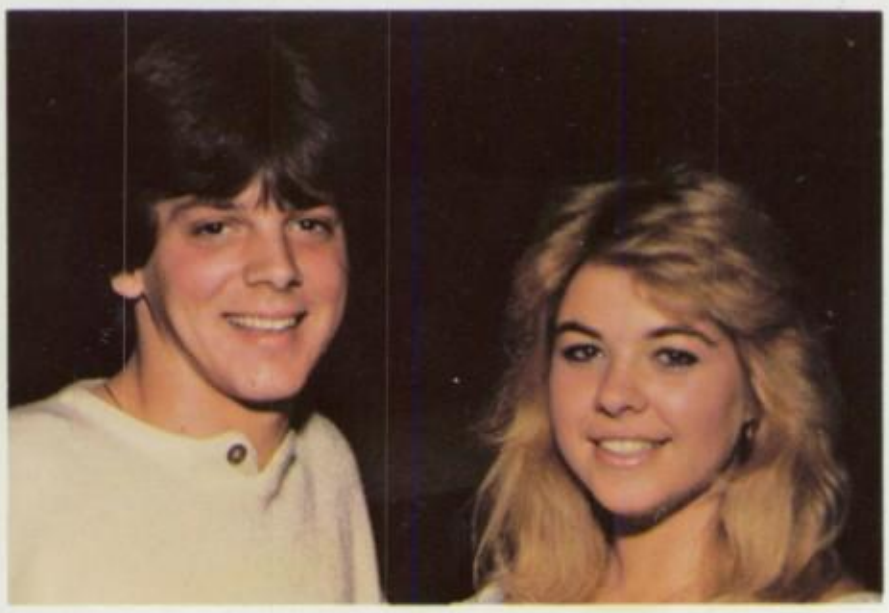
upper right: Steve Conely and Charise Persiani stand showing off their fine bods.

right: Tony Pearl and Debbie Derfelt are the most athletic seniors.



left: Having fun together are *'Most fun to be around'* Renee Orozco and Tom Embry.

below: Joking around with W.C. Fields are *'most humorous'* Rachelle Martini and Bob Jacobson.



left: Kristy Weaver and Mike Caravelli were chosen best all around for the class of '85.
below: Scott Simmons and Janelle Keener give us their best smiles.

Right; Mr. Barnett encourages Sharon Mead and Rick Zogg to go skiing. Below right; Mr. Barnett starts an impromtu lecture. Below; Mr. Barnett's professional career was preceded by many years of college teaching.

Top Jimmy Senior Dedication

This year the seniors dedicated the yearbook to Mr. Jim Barnett. Mr. Barnett has been teaching science at Santa Teresa for five years.

When Mr. Barnett is not educating the future scientists of America, he is advising various programs here at Santa Teresa. One is the energy commission, which tries to run S.T. as efficiently as possible. He is the advisor of the Spirit Club. Also, he aids the frosh/soph students in planning their various fundraisers, dances, and spirit participation. A majority of the volleyball and track team programs refer to Mr. Barnett for advice and ideas.

Mr. Barnett taught at a San Jose State alternative school for five years before he began to teach at Santa Teresa. He was the science and math coordinator, as well as the recreation coordinator. Mr. Barnett also advised academic programs for the students at the alternative school.

On the various holidays given by the district, Mr. Barnett spends his time camping and enjoying the great outdoors. However, he does not go alone. He invites students to go along with him to explore such areas as: New Mexico, Alaska, Baja California, and parts of Canada.

Mr. Barnett says he enjoys working at Santa Teresa because of the competent, professional attitudes of his fellow teachers and the willingness of the students to learn and to succeed in this world.

We, the class of 1985, feel Mr. Barnett deserves this dedication and would like to thank him for his continued support at Santa Teresa.

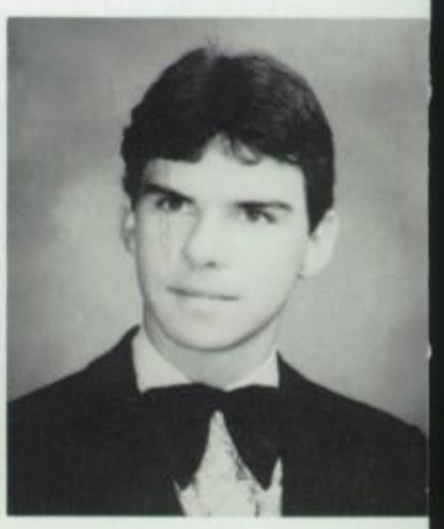
What is your favorite restaurant?

When we asked seniors what their favorite restaurant was, we received a variety of answers. The four most popular were: Pedro's, The Hungry Hunter, Shadowbrook, and Denny's. Others included: The Bold Knight, La Foret, Pasatiempo, Sebastians, TGIFridays, The Velvet Turtle, The Red Baron, Anthony's on Pier 9, And Chili, McDonald's, Macy's Break Room, and The Spaghetti Factory.

Lynn Fairbanks
DA & Cap thanx4 the help, w/o your support & caring I wouldn't have made it! .MV

Claudia Faris
It has been Great fun at ST,But even more now that I'm out. Lookout Hawaii.



Brian Farris
If you'll do something tonight that you'll regret tomorrow morning, sleep late.

All this hassle for one little tassle. Van Halen & Vettes are intense LAT'R

If I had to do anything different in high school, I would study more so I didn't have to work this year. Also, so I would have the knowledge of past experiences in order to know how to handle all the different situations I've come across.

-Tara McVeigh

I wouldn't do anything different these past years except take a foreign language and be able to go to a foreign country as an exchange student.

-Diana Jerolimov

I would have tried to stay at one school instead of having to move around and attend three different high schools. Other than that I'd just try to be available and understanding to my friends.

-Jennifer Stavros

Janice Jones

Greta Joseph

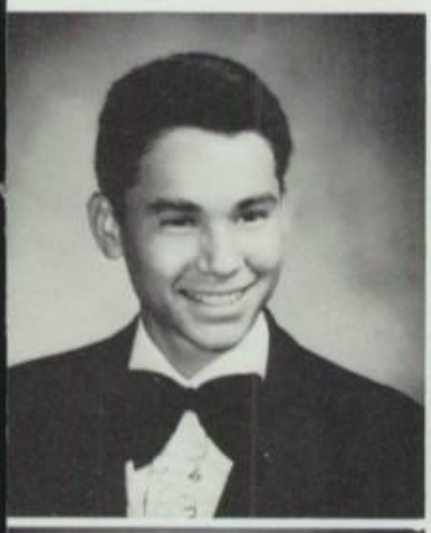
When seniors were asked this question, 52% replied, "go to college"; 40% said they would go to college and work; 5% are just going to work; and 3% stated other things, such as trade school and the service. Out of the college-bound students, 20% are going to attend private colleges; 20% will go to West Valley Jr. College; and 14% will attend San Jose State University. The other 36% will attend various campuses within the U.C. and CSU systems.

What are your plans after high school?



Bruno Adam Martinez
Only 8 to 10 years Left of College and University. May all doors be opened 4 us.

SURF, BUDS, and BEER is what got me through the year.

Arlene Lynn Naskrent
To the CC Kids thanks 4 making my last 2 yrs great. NT's RULE Class of 85 rule

Parents of today are very success-oriented. It seems to me that the important things, like a person's own goals for his future, are ignored. Parents sometimes fail to realize that the children of today must grow up faster so that they may "make something" of their lives. Society, in general, is preoccupied with career achievement, instead of people. If the basic factor in society was love, children wouldn't feel so rushed to grow up, and parents would be able to understand more about their children.
-Michelle Shoji

By exhibiting their egotistical sublimity, the parents of today have fallen into a noogenic neurosis because of their existential frustration. Through a lack of logotherapy they find themselves being sucked into the existential vacuum. Therefore it is evident that noodynamics are necessary in the future to obtain a higher reality with the Tao-Jones.
-Nathan Estruth

Who's your favorite teacher?

As seniors answered this question, many of the faculty members names came up. The most popular teacher with the seniors is Mr. Gil. However, many others are favorites, also, These include: Mr. DeVita, Mr. Fulton, Mr. Cappeloni, Mr. Gallegos, Mrs. Goodenough, Mrs. Gschwend, Mr. Guevara, Mr. Frazer, Mr. Escobar, Mrs. Hoglund, Mr. Koppel, Mrs. Louden, Mr. McKenna, Mr. Merritt, Ms. Nuejahr, Mr. Newburn, Mr. Passalacqua, Mr. Rassmussen, Mr. Sheehy, Mr. Schuster, Mrs. Worden, Mrs. Romano, and many, many more. The seniors seem to love all the teachers at ST!

-Private Zito

My most memorable thing about my high school years would have to be all of my friends. I will never forget each and everyone of the friends I met during the last four years. I will always keep the memories of the fun and crazy times experienced with my friends and me. Having friends during high school gave me a chance to be the best friend I could, and help out wherever a friend needed advice or needed just to talk. In return these friends also helped me out when I needed them. I would like to thank everyone for being a friend because it has made my high school years the best part of my life.

7	Independence 34
18	Silver Creek 10
13	Wilcox 44
	Won 8 Lost 3

The Varsity football team ended the season with a remarkable 8-3 record. The coaches predicted the team to win only five games, but the team proved them wrong. In fact, the team went as far as the CCS. It was a discouraging defeat against Wilcox, but they put forth a great effort with touchdowns made by Mike Ross and Tim Heflin.

The first game, which was against Leland, was one of the major highlights of the season. The team came from a losing score of 0-10 to win the game with a score of 22-18. The first touchdown of the year was a 65-yard pass from Mytinger to Ross.

Among the many outstanding senior players were Mike Ross, the leading scorer with 62 points and 5 touchdowns; Larry Luscher, the leading rusher with 569 yards on 114 carries; Tony Pearl, with 5 interceptions; Dave Neimeyer, attempting 142 passes, completing 57, and throwing 8 touchdowns; Jim Bush, with 20 receptions and running 319 yards; and Mike Gonzales, leading defensive player with 58 unassisted tackles, 50 assisted tackles, and 5 sacks.

A great season is expected next year with the core of the team being Steve Mytinger, Tim Heflin, Fred Rodriguez, John Turnbull, Mike McCluskey, and Don Felice.

According to Coach Gallegos, the team strived, "simply because of hard work and good attitudes."

Top Row:(Left to Right): Mr. Gallegos, Mr. Mumma, Mr. Lebherz, Mr. Rasmussen, Mr. Romero, Mr. Duhe.
Second Row: Anthony Shear, Dan Bueno, Mike Caravelli, Ian Snow, Todd Skrabak, Tony Pearl, Larry Luscher.

Those Awesome Saints

Frosh/Soph Football

This year's Frosh/Soph football team completed the season with an outstanding record of seven wins and three losses. "We had a spectacular season due mostly to the dedication and talent of the players," commented Coach Ragan. "The freshmen had a lot of talent and were really an inspiration to the team."

OPPONENT	S.T.
Leland 0	35
Andrew Hill 38	14
Oak Grove 21	3
Yerba Buena 7	14
Mt. Pleasant 0	22
James Lick 7	35
Independence 25	0
Overfelt 14	21
Silver Creek 0	25
Piedmont Hills 8	12

7 WINS 3 LOSSES

The major outstanding players were quarterback-Jeff Smith, rightbacks-Mike Williams and Mike Cersicz, and linemen-Danny Azevedo, Mike Colozo, and Joe Heredia. These players, assisted by others, helped to make this a winning season.

"Next year's Varsity team will be getting a lot of talented players. They should have a good season," predicted Coach Ragan. "If next year's freshmen are as talented as this year's we should have another excellent season."

top: Mike Colozo assists on a tackle.
above: Saints try a sneak hand-off.

The Harriers Shine Again

Varsity Girls' Cross Country

This year's girls cross country team kept up its annual tradition of being one of the powers in the MHAL as the team compiled a record of 7-2 for the 84-85 season. During the course of the season, the Saints competed in four invitational meets. The Alum Rock Invitational, The Artichoke Invitational (Half Moon Bay), and The Stevenson Invitational (Santa Cruz). The Saints managed to win awards at every invitational that they competed in. The highlight of the season occurred at The Stevenson Invitational where the Saints Varsity finished a strong second and the girls J.V. won their division for the second year in a row.

The season began with two early season losses to Independence (The eventual league champs) and Piedmont Hills. As the season progressed, the Saints became a stronger team and ended up winning the rest of their meets.

The Saints were led by seniors Kristen Dowell, Karen Dowell, and freshman Mary Buckland. All three were selected to the All MHAL Team. Other Saints who were point scorers for the varsity were senior Lynn Valdivia, juniors Savannah Brown, Connie Escobedo, and Shirley Hidalgo, sophmore Heidi Brink, and freshmen Lara Brink, Karna Sooy, and Rennee Vierra.

All in all, it was a season to be proud of. The most impressive thing about this year's team was the fact that four of the top eight girls were freshmen. It looks like the Saints will continue their tradition of being an MHAL power for quite a while. The future looks bright.

It was the team to beat

Boys Varsity Cross Country

The boys varsity cross country team was unbeatable in the Mount Hamilton Athletic League. Their record was 9-0. Mr. Wade included John Phillips, Brian Marshall, Jay Ridgeway, Adrian Oliver, Matt Johnson, and Brian Buterbaugh as the best cross country runners. John Phillips, only a sophomore, set blistering paces in the varsity races. When Phillips did not run, Ridgeway took first in those particular races. Phillips missed the CCS by one place. As a whole, the team missed the qualifying spot for CCS by 6 points, losing to Oak Grove.

The most improved runners were Howard Beck, Brian Buterbaugh, Jeff Grounds, and Matt Johnson. The Invitationals were mostly won by John Phillips and Jay Ridgeway (before he got injured near the end of the season). At the beginning of the year, Coach Wade stated that this would be the team to beat and he was right.

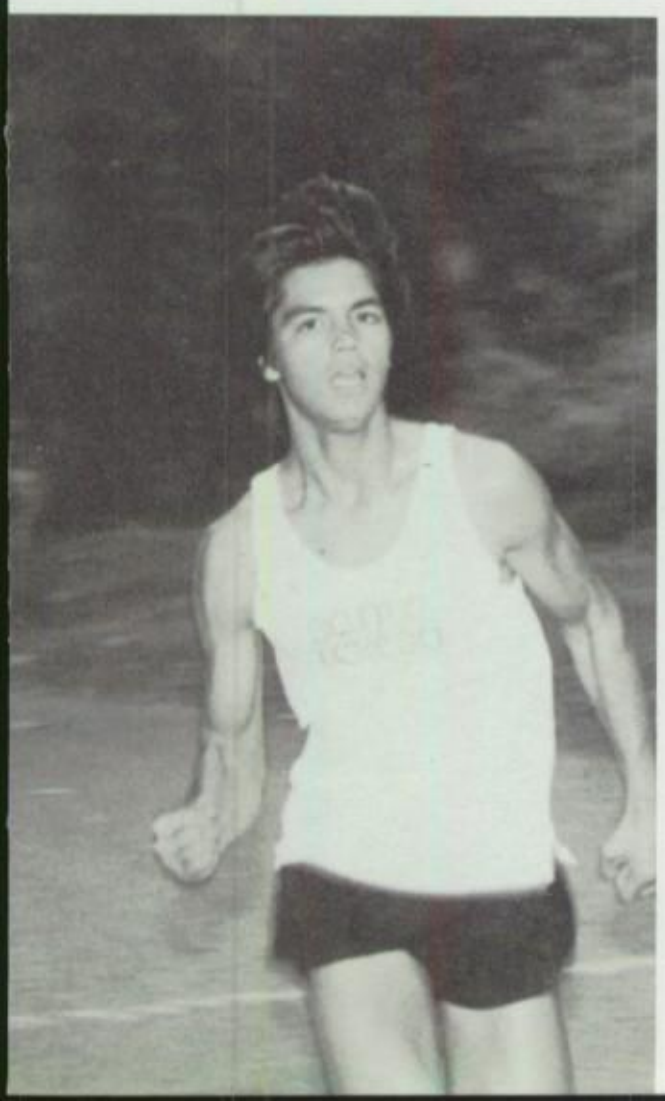
top left: Brian Buterbaugh contributes to the Saints victory over Piedmont Hills.
left: Matt Shipp overtakes and passes a rival Oak Grove runner.
below: Adrian Oliver runs full force to the finish line.



Santa Teresa's Frosh/Soph Cross Country team had an extremely good year in the 84-85 season, as they easily defeated every team in the M.H.A.L. to finish with a 9-0 record and the league championship. This record was accomplished even though there were four sophomores and a freshman moved up to Varsity.

The Saints won the Frosh/Soph title at the Clovis and the Pebble Beach Invitationals, being led by sophomore sensations: John Phillips and Adrian Oliver. Others running in the top 5 for the Saints at Invitationals were: Frank Bautista, Brian Buterbaugh, David Marshall, Mike D'Apuzzo, Sandy Tiedemann, Dan Armendariz, and Eric Homan. Others in the top 5 in dual meets were: Matt Shipp, Leonard DiSalvo, Bill Morales, and Andrew Craig.

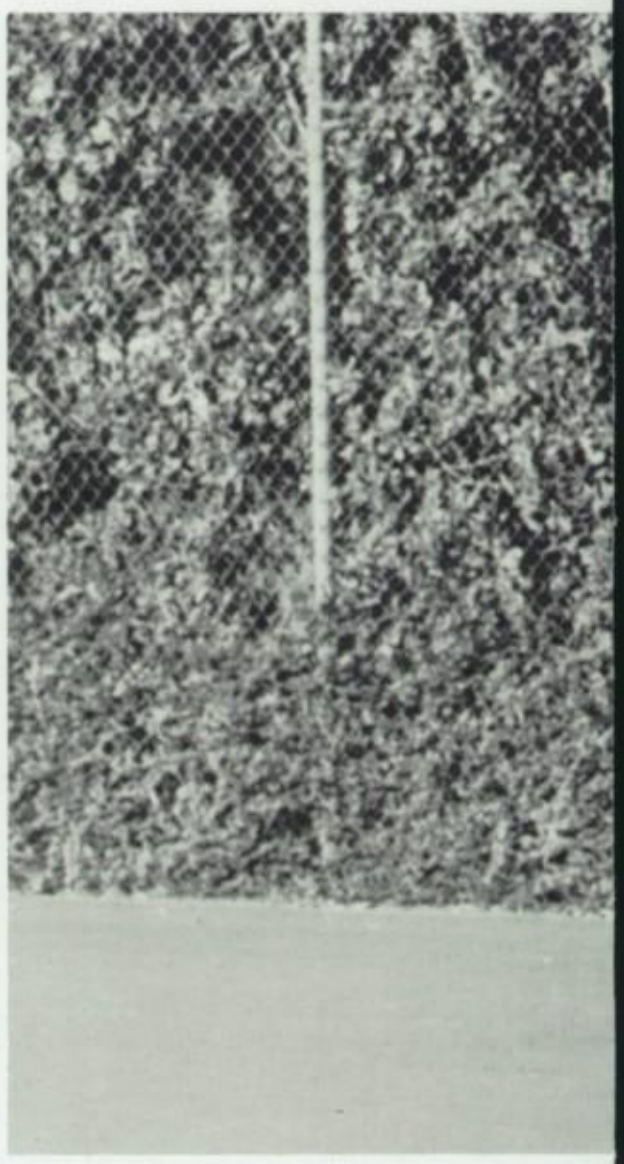
Santa Teresa had 5 runners who made All League in frosh/soph. They were: Sandy Tiedemann 14th, Brian Buterbaugh 8th, Dan Armendariz 7th, Adrian Oliver 3rd, and John Phillips, the League Champion.

All in all, the Saints Frosh/Soph Cross Country team had an outstanding season.

left: Andrew Craig takes an early lead against Andrew Hill.

Just wait till next year

Girls' Tennis



This year the Santa Teresa girls tennis team fell to a (3-10) record. This is the first time Miss Abeln has coached a team that finished with a loosing record. Even though the girls tennis team had a loosing season, two players stood out from the rest, Danielle Fejeran and Lelisa Walters.

Danielle finished the season with a (3-10) record. Don't misinterpretate her record. Danielle's hard work and outstanding effort enabled her to compete in the MHAL Doubles Finals. Danielle, and her doubles partner Maggie Oberly, lost but gained valuable experience. Next year we're sure to see the doubles team of Danielle Fejeran and Maggie Oberly in the MHAL Doubles Finals again.

Lelisa Walters, a freshman, stood out from the rest of the team. Lelisa's natural talent for the game of tennis, and her unique style, enabled her to become the #1 player in the league. Lelisa also finished her outstanding season with a (13-0) record, and participated in the MHAL Singles Championships. She won easily, and is now the MHAL Singles Champion. After she became the Singles Champion, Lelisa went on to participate in the CCS Tennis Championships. She won her first match against a girl from Palo Alto with scores of (6-2) and (6-4). She then advanced to play the second seed, but lost with scores of (3-6) and (1-6). Lelisa, being only a Freshman, has a lot of potential. By the time she is a Senior, she will probably be the best player in the state.

The Santa Teresa girls' tennis team has a lot of potential talent. Hopefully this talent will help them make 85 a winning season. Looking forward to 85; good luck Saints.

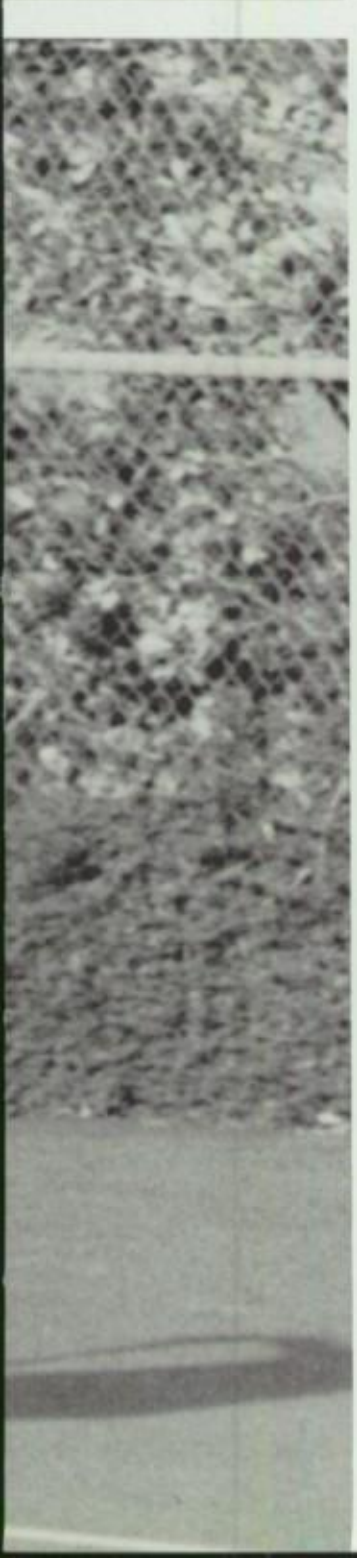
Top right: Paula Wisdom can serve almost picture perfect. *Top center:* Ketti Patterson, with great Potential, should make the team next year. *Top left:* Danielle Fejeran a MHAL Doubles Finalist, should return to the finals again. *Right:* The #1 player, Lelisa, plays with her #1 serve.



Standing: Ketti Patterson, Jennifer Greene, Nancy Parella, Dawn Bongatti, Coach Abeln. *Kneeling:* Maggie Oberly, Kristy Smith, Danielle Fejeran, Lelisa Walters. *Sitting:* Lisa Diankoff, Paula Wisdom, Cathleen Yoshida, Debbie Garner, Kristen Higuchi.

This year's Varsity Volleyball team was a real team of unity and success. With their energetic team work intense concentration, S.T.'s varsity team had an excellent season.

Although the team lost a few graduates from last year, they seemed to gain some very outstanding and enthusiastic new girls. Last years returning players being: Carol Beal, Judi Chamberlin, Debbie Derfelt, Cathy Ding, Jackie Modic, Renee Schram, and Diane Stewart, were the foundation or core of the team. With their consistancy and constant reassuring, this gave the team substance. Senior Debbie Derfelt, one of the returning players, showed excellent individual work with her piercing spikes and blocks as she also seemed to be a team leader.

The new players consisting of: Cathy Nydam, Terri Reya, Yvonne Stange, Sisine Toum added an extra boast of enthusiasm and constant hustle. They appeared to be the life of the team, always trying hard to do their best. Much of this was displayed by Senior Sisine Toum.

Everyone added their own extra touch in their area of excellence which in return made up a well rounded team of outstanding individual players. Choach Uchiyama supplied her part of the work by her outstanding coaching. Her discipline and friendship made the best season yet.

A Successfull Season

Girls' Soccer

The Santa Teresa girls' Varsity Soccer team had an outstanding season, finishing first with Oak Grove in the Mount Hamilton Athletic League. The Saints, losing to only Independence and Oak Grove, finished with a 12-2 record. This year's team was ranked as high as fourth, and was considered to be one of the top eight teams in the Bay Area. This was the first year in the Saint's history that the girls' Soccer have accomplished many things as well as being the co-champions with Oak Grove for 1985.

Coach Clark stated that this year's team "had a lot of talent out there. They worked very hard to keep that competitive edge necessary to reach their goal." Player Maria Zito felt that "this has been the best year of high school because of Soccer. We had alot of fun, we worked hard, and we reached our goal which was to make it to the CCS playoffs. We finally established a great reputation for the Santa Teresa girls' Soccer team.

Carol Kouns did a superb job as goalie, only allowing 12 goals and having 10 shutouts. Stacey Ball, halfback, Carol Kouns, goalie, and Laura Stevenson, full-back received all-league honors. Second team honors were earned by Lisa Cosgrove, striker, and Lynn Valdivia, full-back. Seniors Maria Zito and Lynn Valdivia will be leaving S.T., yet one can expect another succesful season next year.

Grapplers grab second in MHAL

Varsity Wrestling

The 84-85 Saint's Wrestling teams' season was one of great adversity and dramatics. Under new head coach Rudy Guevara the young Saints grapplers compiled a 10-3 record with a second place finish in the M.H.A.L. They were able to over come the obstacles of adjusting to two new coaches and the absence of experienced wrestlers. Due to this absence, it was necessary to develop the younger wrestlers to fill these positions. In this, the varsity finished the season with six underclassmen going to the M.H.A.L. tournament. During the season the Saint wreslters participated in four major team tournaments, Blossom Hill Invitational. 2nd place, Coast Classic 9th place, Overfelt Tournament 9th place Mid California Championships 9th place. In playing second in the M.H.A.L.'s, the Saints qualified six to C.C.S. Benny Delida, Russell Ramirez, Paul Matsomoto, Art Armendariz, Steve Pizl, and Brenton Johnson. Other wrestlers who contributed to a great team effort were Robert Neito, Lenny Montoya, Jason Kadluboski, Howie Skebe, and Bruce Johnson. Saint wrestling for the future look very promising with such a young talented team.

Younger wrestlers keep moving up

Frosh-Soph Wrestling

At the end of the season, the Frosh/Soph Wrestling team was comprised mostly of freshmen. The young team displayed outstanding courage and pride in finishing the season. "These young men may have taken some hard knocks, but through determination and hard work, they succeeded. They are the future Santa Teresa wrestlers," commented Coach Guevara.

The year was very successful for the frosh/soph players in terms of growth and experience. The beginning of the season saw the frosh/soph grapplers place second in the Independence tournament due to a great team effort. Next was the Yerba Buena tournament. At this event, Paul Fambrini, Jason Kadluboski, Howie Skebe, and Brice Johnson were all top three placers. At this point in the season, many injuries and the placement of four team members up to the varsity level impaired the team's strength. The Overfelt tournament produced two champions from S.T. in Dan Trawick and Howie Skebe. Heading into the tail end of the season, two more team members were needed at the varsity level. Even though the frosh/soph team was greatly diminished by the end of the season, the wrestlers put forth an outstanding effort and did a great job.

Through Thick And Thin

Boys' Varsity Basketball

The 1984-'85 Saints Boys' Varsity Basketball team did not have as good of a season as expected. There were high hopes for the team as the season began, and even though the Saints did their best and practiced long hours, the competition was still tough.

The team was lead through the season by captains Tony Pearl and John Machmiller. Tony Pearl, being one of the best players in the league, was voted First All-League player. Coach Howard commented, "Even through the rough times, the team never gave up."

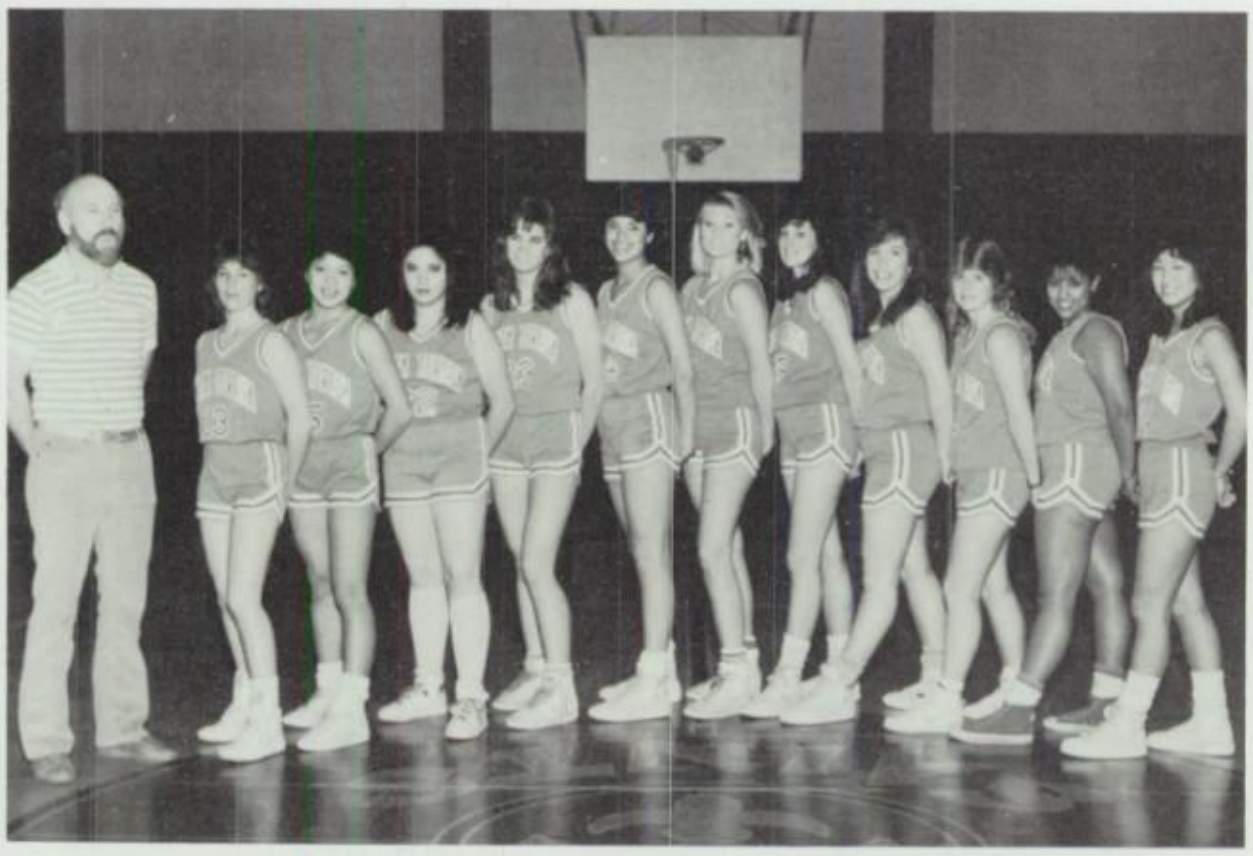
Shooting The Season

Girls' Varsity Basketball



The Saints Varsity Girls' Basketball team completed a successful season with an overall mark of 13 wins and 8 losses. In the tough M.H.A.L. South Division, the saints finished third with a 9-4 mark. Season highlights included two victories over Oak Grove and an upset victory over the then rated #9 Silver Creek.

The Saints were led by guards Sisine Toum and Michelle Shouji, who averaged 11.3 and 9.2 points per game, respectively. Debbie Derfelt led the Saints in rebounding and averaged 9.2 points, also. Also playing well for the Saints were Gina Pendry, Cindy Randall, Tina Nicoli, Jeanette Schultz, and Maria Talavera.

above: (from left to right): Mr. McClung, Tina Nicolai, Sisine Toum, April Flores, Debbie Derfelt, Maria Orozco, Gina Pendry, Cindy Randall, Jeanette Schultz, Jenny Tella, Mariah Talavera, Michelle Shoji.

They have potential

Frosh/Soph Basketball

The Saints Frosh/Soph Boys' Basketball had a great year. They were 10-3 in league and 15-7 overall. All the players worked hard for these points, but four really got special attention. Doug Shoji (Freshman) got named to both All Tournament teams. Steve Mytinger was All Tournament at Piedmont Hills. Also, the person with the leading score of the year was Ron Brown, and leading rebounder was Jeff Smith.

Our team ran a very close second. They were one game from first place. They won the Christmas tournament at Piedmont Hills this year. It's the third time in five years that they have won. They also won the Del Mar Holiday tournament. Though our team won all these games, they did lose the semi-finals.

Coach Schuster said, "This team has the most potential out of all of the teams in the past 5 years. They will really be a big help to the varsity team next year." And with the scores they got, this year, I'm sure they believe it, too.

Dribbling to victory

Girls' Frosh/Soph Basketball

This years girls' Frosh/Soph Basketball team was, to say the least, outrageous. The Saints roared from the beginning. The team completed a tough season with a 12-2 record losing to only Independence and Gunderson. The Saints finished the season in second place losing to Independence in the finals. The season highlights included a victory over Independence during the regular season to give them their only loss.

The Saints were led by Andrea Bufkin, Kerry Jacobs, and Kris Bermone. Averaging 10 points per game. Andrea Bufkin led the team in scoring as well as rebounding, and received most valuable player. Most improved was Christina Callaghan and most inspirational Ketti Petterson.

Experienced Swimmers

Boys' Swimming

This year's Santa Teresa Boy's Swimming Team is the favorite to defend League Championships. The team, which is in the top five in CCS, consists of experienced swimmers. According to Coach McKenna, "Every guy will probably be in the top 16 of the league, and most will be in the top eight of the league."

Returning League Champions from last year are seniors: Ken Kunkel and Colten Dirks; juniors: Mike Jufiar and Tom Siderewicz; and sophomores: Pat Caprino and Scott Kachurka. Sophomore Mike Fujii has potential for League Championship in the 100-yard breaststroke. Tom Siderewicz has set two school records in his sophomore year and Scott Kachurka is League record holder as a freshman for 100-yard backstroke.

S.T.'s Boys' Swimming has a great reputation for success. Seniors Ken Kunkel, Colton Dirks, Dan Waters, and Nick DeCarlo will graduate with three league championships.

All-American Girls

Girls' Swimming

This year's Santa Teresa Girls' swimming team consists of thirty-seven hardworking and dedicated girls. Three of the top swimmers are seniors: Tami Ellis, Terri Ellis, and Rachelle Martini. Both Tami and Terri are returning League Champions and High School all-Americans. In the past three years these three have been swimming, S.T. has had a record of 35 wins and 1 loss. Other top swimmers are juniors: Dulcey Ulrich, Kris Pett, and Kimber Tarmann; and sophmores: Cathy Lung, Tina Piazza, and Gina Brown, who is also a returning League Champion and High School All-American. Two seniors, Melissa Tinney and Cherise Persiani, are the top divers and have the potential to be in the top three of the League.

Coach Dennis McKenna has a great amount of confidence in the team, "Our team is the odds on favorites to be League Champs."

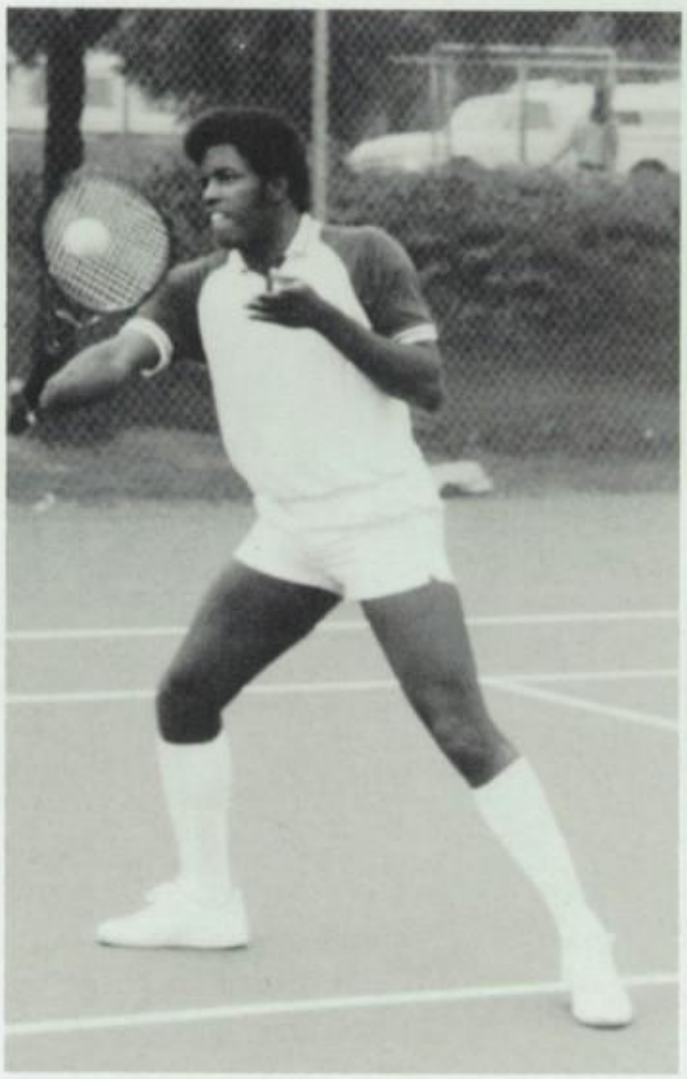
A Young Group of Saints

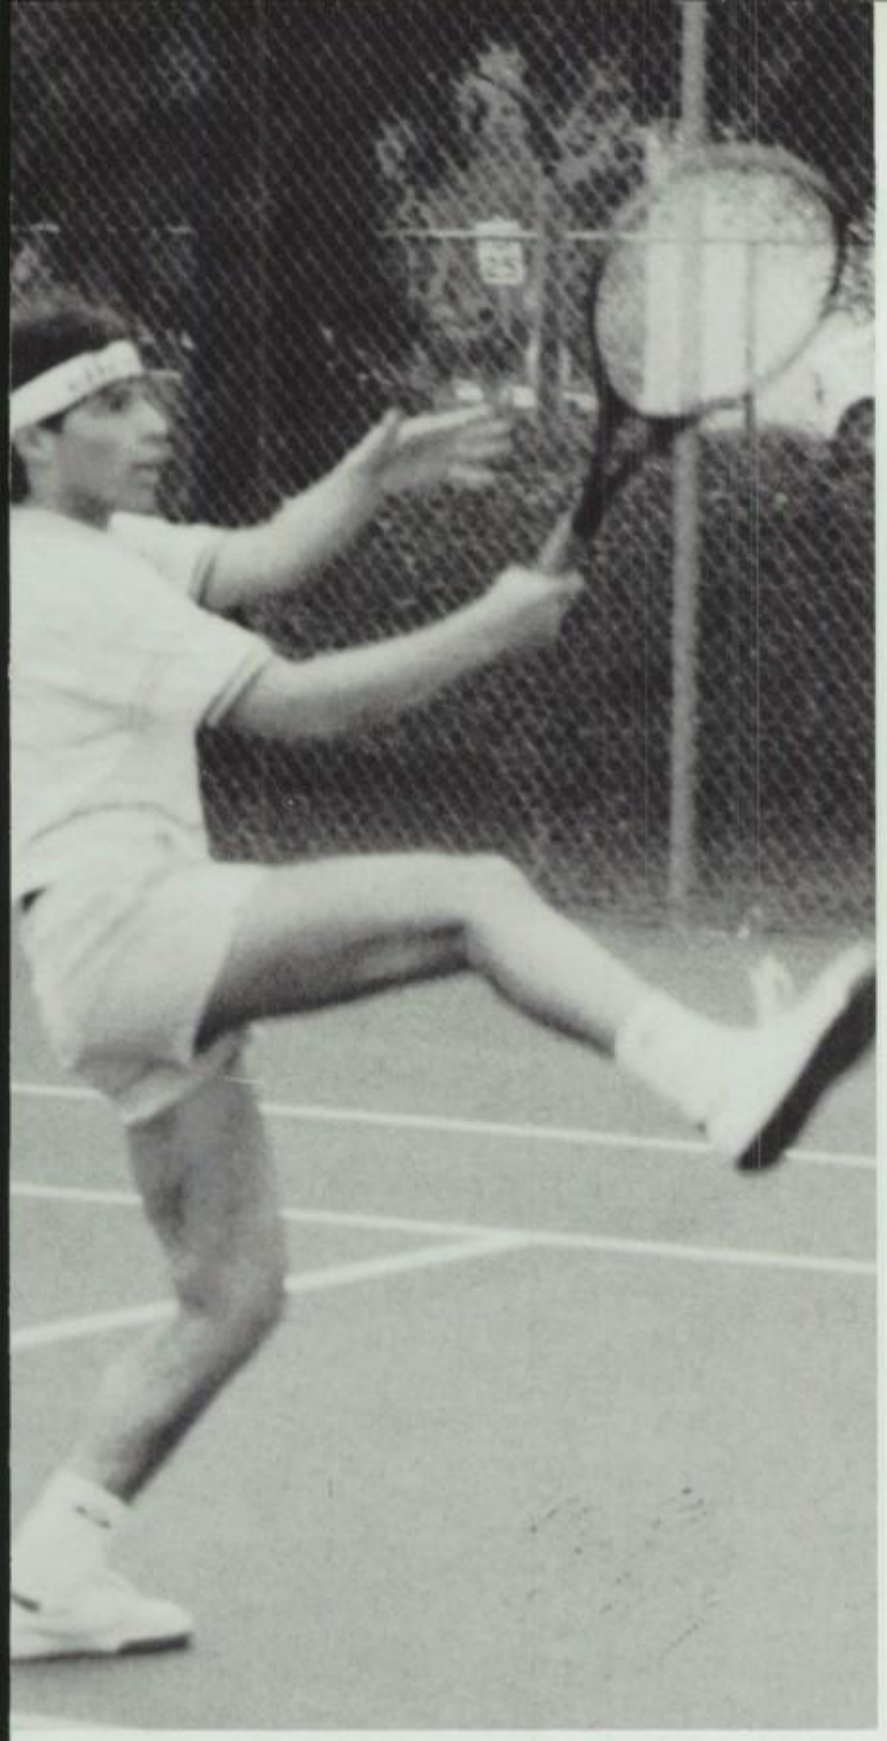
Boys' Tennis



This year's tennis team consists mostly of young Saints. The only senior this year is Bryan Stewart. Bryan has been on the team for four years and will be playing number two singles. Number one for Santa Teresa this year is Liam Blaney, a junior, who has improved tremendously from last year. Sean Perkins will also be playing singles, either in third or fourth position. Playing behind Sean will be Mike Martinez, who is only a sophomore. Mike has improved from last year when he played doubles, and will be playing singles this year. Playing doubles this year will be the brothers, Lam and Phuong Nguyen. This will leave the number two doubles open to freshmen Doug Shoji, Scott Prather, Sean Shayestan, and Rob Beaulieu.

Coach Schuster says he knows his team is competitive and hopes for a great season but adds, " . . . they're still young."

This year's tennis team should have a great year, and is looking forward to an even better one next year.



Far left: Playing all four years, Bryan Stewart, is a valuable asset to the Saints.

Left: Liam Blaney, number one player defeats rival Oak Grove.

Below: Freshmen Bret Carter is a Saint to watch for next season.

A Spectacular Season

Varsity Baseball

The 1984-1985 Varsity baseball team has started out a spectacular season by defeating arch rivals Oak Grove by a score of 5 to 4. The game was phenomenal and the entire team showed a great sense of teamwork. We are looking forward to the remainder of the season being as spectacular as the games so far.

This year's team is led by senior co-captains Brian Marshall (catcher) and Dave Niemeyer (short stop). Other returning seniors who make up the nucleus of the team are pitchers Dave Haggerty and Lory Ice, left fielder John Machmiller, right fielder Mike Ellenburg, and second baseman Jim Morris. Next year's team will also have a lot of talent from it's returning seniors.

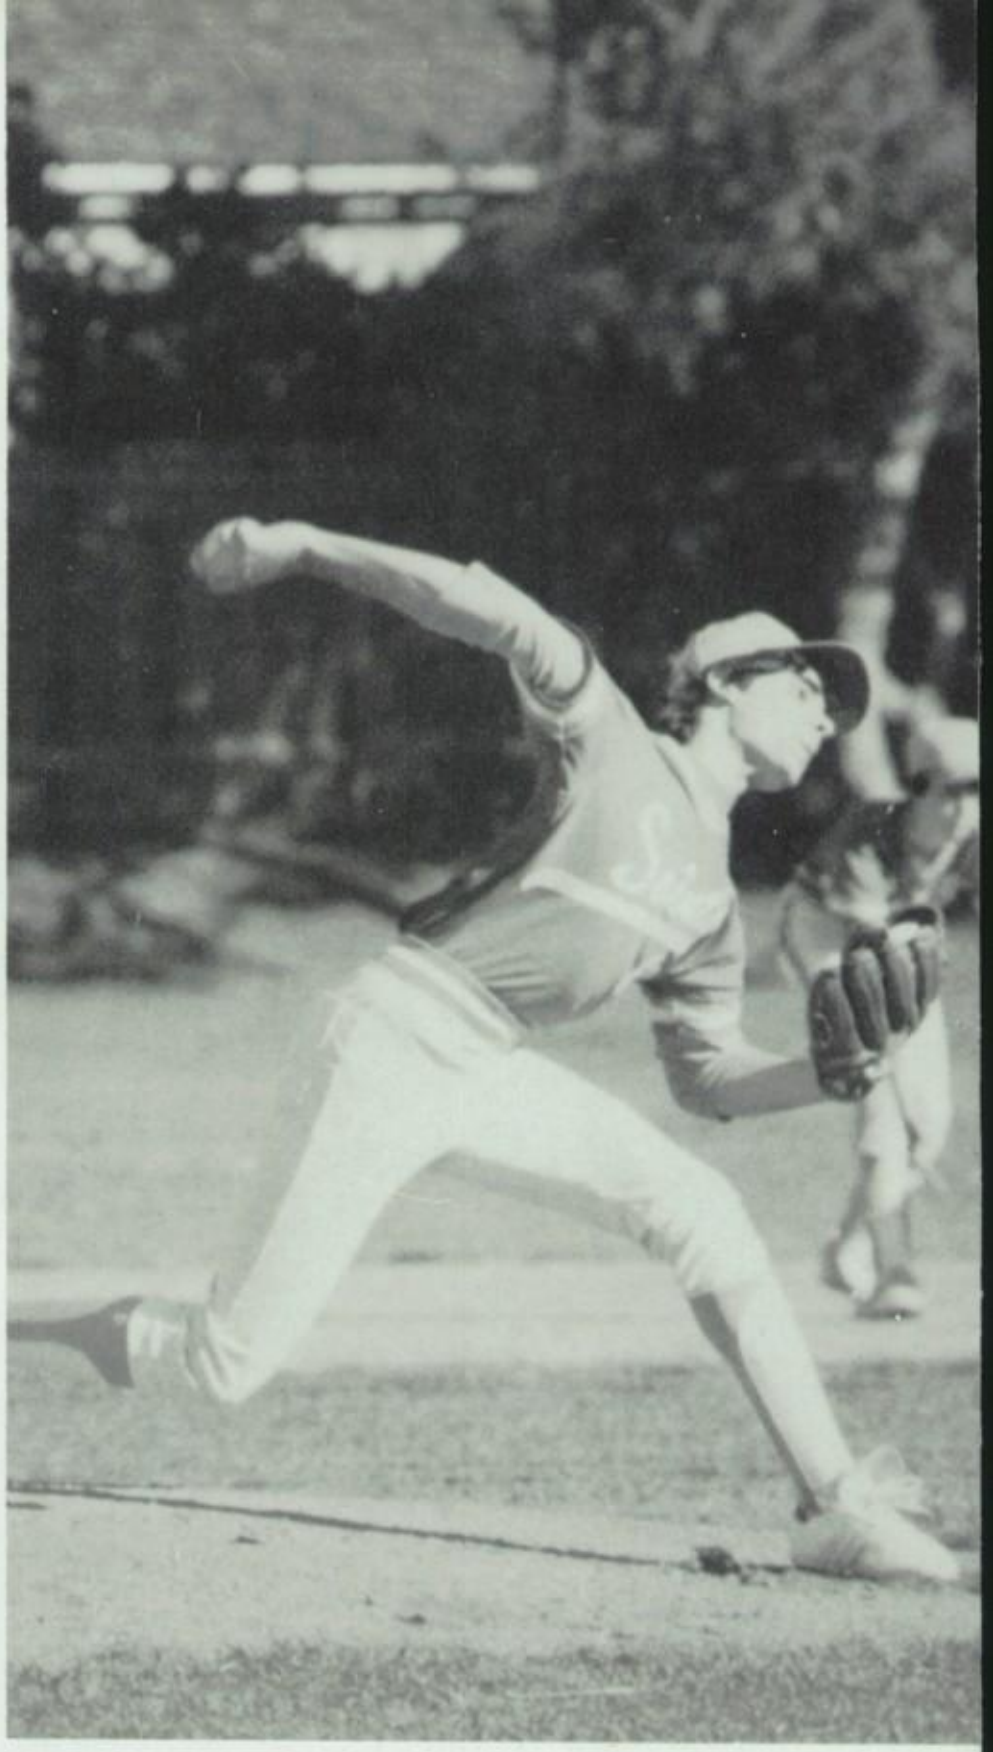
"We have a strong team that works well together. We are going to try to win a championship for Coach Gigliotti's last year coaching," commented Brian Marshall. Coach Gigliotti is taking a break from coaching to get his Master's degree at San Jose State University. Next year's team will miss the valuable experience of Mr. Gigliotti's baseball career, although they will try to have a winning season without him.

The team is looking forward to another South Division championship and possibly a M.H.A.L. title. "With a lot of hard work and determination, we can do anything."

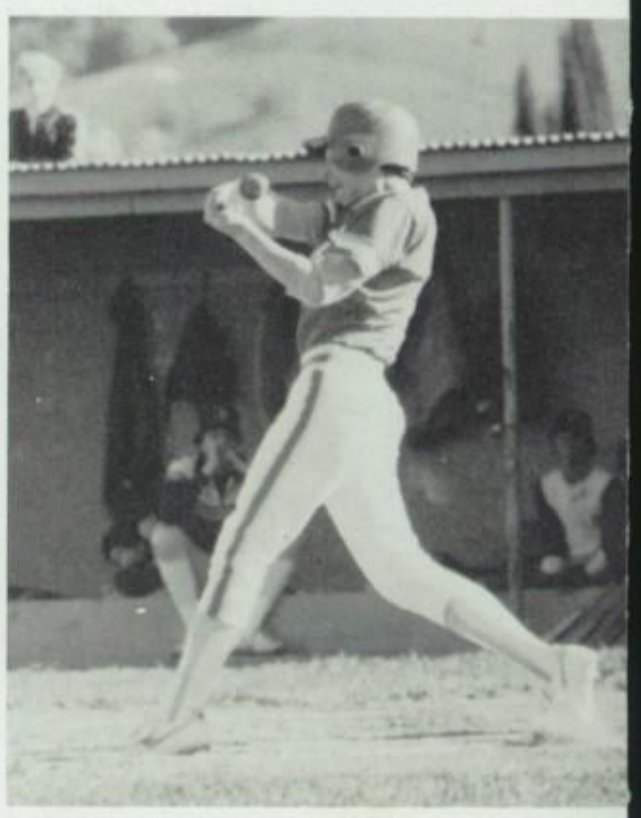
top: Dave Haggerty pitches another strike. *left:* Brian Marshall hits a perfect ball. *above:* Sliding home to score another run.

A Hopeful Season

Frosh-Soph Baseball



above: Shortstop, Peter Stapes, controls the infield.
center: Al Garibaldi shows his outstanding pitching technique.
right: The Saints burn up the bases against Bellarmine.



right: Tom Burke takes his turn at bat.
far right: A perfect bunt by Al Garibaldi.

left: The Saints swing into action.
below: first row: Frank Lopez, Doug Borgel, Todd Manley, Mike Manselle-manager
second row: Rob Peterson, Rob Bessa, Dan Armanderas, Rich Steele, Curtis Heen, Tom Burke
third row: Shon Smith, Peter Stapes, Mike Burkhardt, Eric Knapp, Brian Killian
fourth row: Coach Ragan, Eddie Vowell, Eric Thorbjorson, Danny Azevedo, Julio Campos, Albert Garibaldi

The 1984-85 frosh-soph baseball team is off to a great start. As Coach Ragan predicts, "I'm sure we'll have a good season." This year's team is comprised equally of freshman and sophomore players. The returning sophomores give the team stability and provide leadership for the freshmen. Some of the most outstanding players on the team are: Al Garibaldi—pitcher and third baseman: Peter Stapes—shortstop and pitcher; Danny Azevedo—pitcher and outfielder. One major asset to the Saints is their performing as a good hitting team. With hopes of finishing the season at the top of their division, Coach Ragan reflects that his team is "a good group of kids to work with." 1984-85 should be a promising year for the Santa Teresa frosh-soph baseball team.

Right: Debbie Lera smacks a double against Yerba Buena.
Below: Shelly Batey snags a line drive at first base.
Bottom left: Back row: René Grounds, Jacki Modie, Shelly Batey, Sandi Rich, Kris Jamison, Kymm Duggan. *Front row:* Yvonne Stange, Debbie Lera, Kelli Fultz, Heather Ellingson, Kerry Jacob, Kim Lychak.

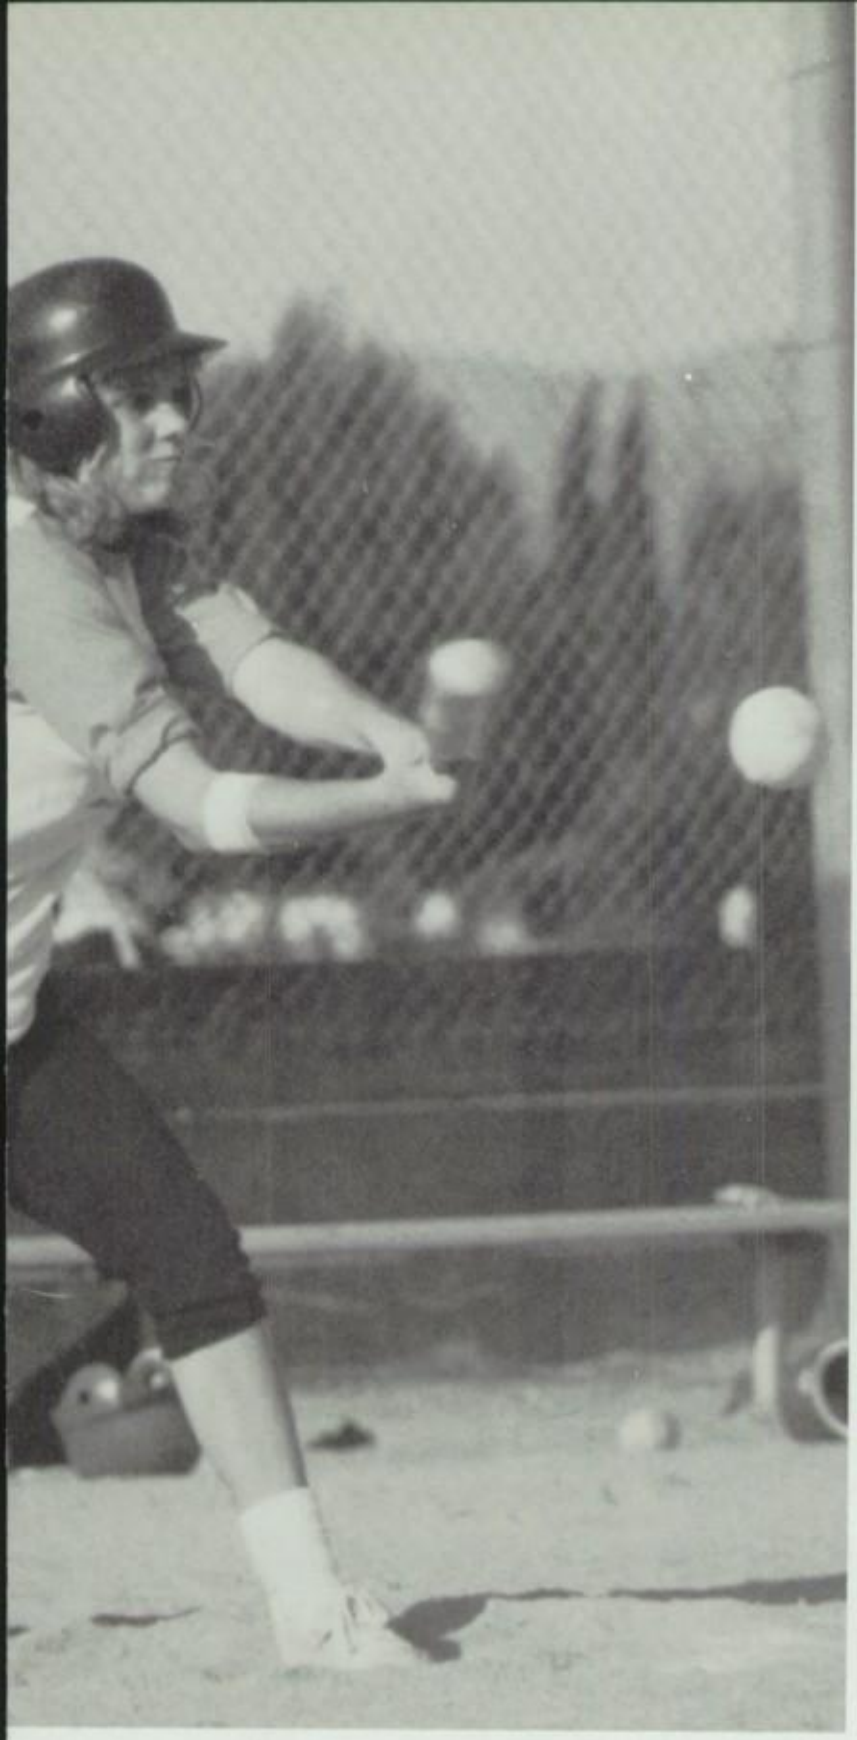
A promising Team

Varsity Softball

This year the time is right for Santa Teresa to have an outstanding varsity softball team.

Giving "110%" is one of the most dedicated players, Kelli Fultz. She is also maintaining a .421 average. Senior, Jacki Modie, contributes to the team with her consistent hitting efforts. Sandi Rich, a sophomore, is an excellent young pitcher who is leading the Saints to most of their victories. The most promising player for the year ahead is another sophomore, Heather Ellingson, who executes her skill through both hitting and fielding. Also, Reneé Grounds, catcher, is very consistent in hitting.

Over all, the Varsity Softball Saints are a promising, young, and enthusiastic team which will be tough to beat.



Upper right: Reneé Grounds catches a strike.
Above: Debbie Lera concentrates on the next batter.
Far left: Kelli Fultz hits an "in the park" home run.
Left: Sandi Rich throws another strike.

Saints Swing for Victory

Frosh-Soph Softball

This year's frosh-soph softball team, coached by Mr. Rasmussen, was, as he said, a hard working and energetic bunch of girls. With some returning strength and added new talents, the team looked very strong.

The team, when not in an intense game, practiced consistently in aspiration of another successful season. Although there is a lot of hard work and time to put forth in order to have a winning team both coach Rasmussen and the players think that it is all worth it especially when the team comes out on top. With so many energetic and talented players, there is no doubt that many of these girls will go onto make a very strong varsity team in the next year.

right: Chris Carter yells "Hey batter."
middle: Trying out the catchers position is Kyra Thoryk.
far right: Kyra Thoryk slams one, in hopes of a home run.

far left: Another successful saint, Lisa Taravella, swings for a run.

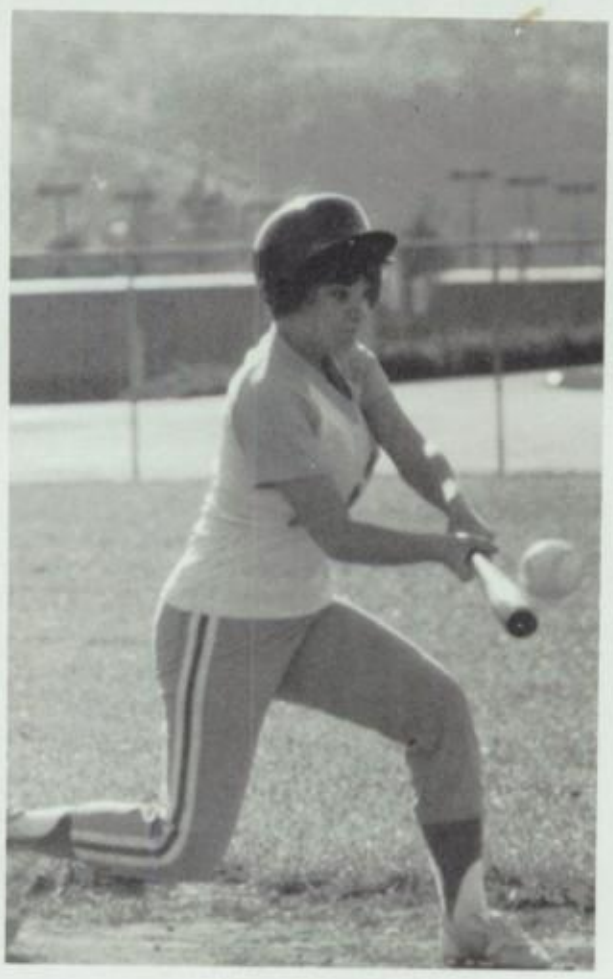
middle: Chris Carter, Lisa Newman, Gretchen Nahinu, Lisa Taravella, Mara Tibbitts
bottom row: Cindy Cornell, Tracy Halcon, June Flores, Chrissy Terra



Gregg,
Hey! What's up? Well, It's finally over. We're out of Ms. Carlson's class. I hope forevers. Well, I'm glad I met you; you're nice in your own little way. Take Care. See ya' next year.

M.H.A.L. Champs Again?

Girls' Track

This years girls' track team hopes to repeat last years feat of going undefeated in the M.H.A.L. They would like to win the league title and possibly improve on last seasons 3rd place finish in the C.C.S. Championships.

The Saints are led by seniors Karen Dowell, Kristen Dowell, sophomores Sheri Kouns, Heidi Brink, and a crop of excellent freshmen that are led by Lara Brink, Mary Buckland, Lisa Rivera, Jeana Shipp, Karna Souy, Natasha Thomas, and Angela Wade.

In the Saints bid for a C.C.S. title the Saints hope to score points in the 800-400 (Karen Dowell) 800-Mile (Kristen Dowell) shot-discus (Sheri Kouns who has already set an S.T. record in the latter of 114 feet) and both relays which will consist of Karen, Kristen and the next two fastest athletes. Also, the Saints will also be looking past the C.C.S. to the state meet. Way to go, Saints.

Top Right: Nancy Dyer leads the pack with intensity. *Left:* A pack of Saints run towards glory. *Above:* Kristen and Karen Dowell produce double images.

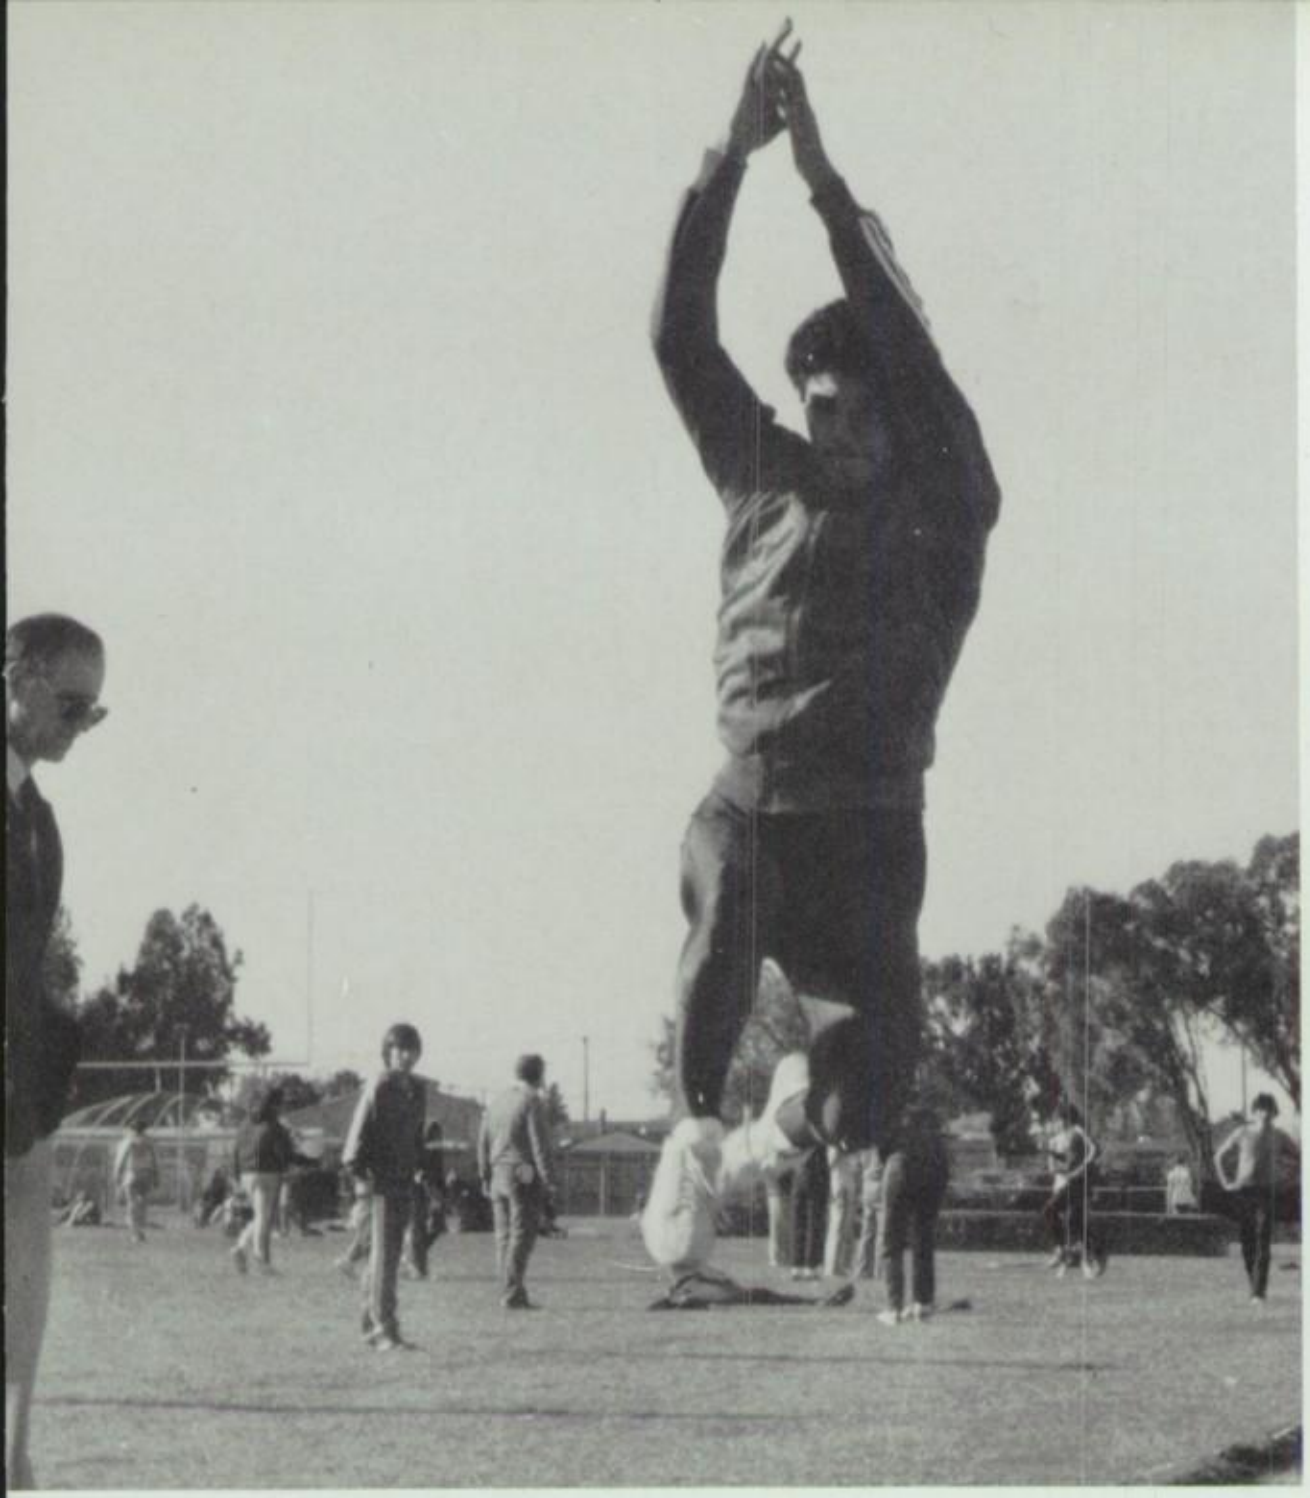
Above: John Scarpace uses might and muscle to throw the discus.



The Best Ever

Boys' Varsity Track

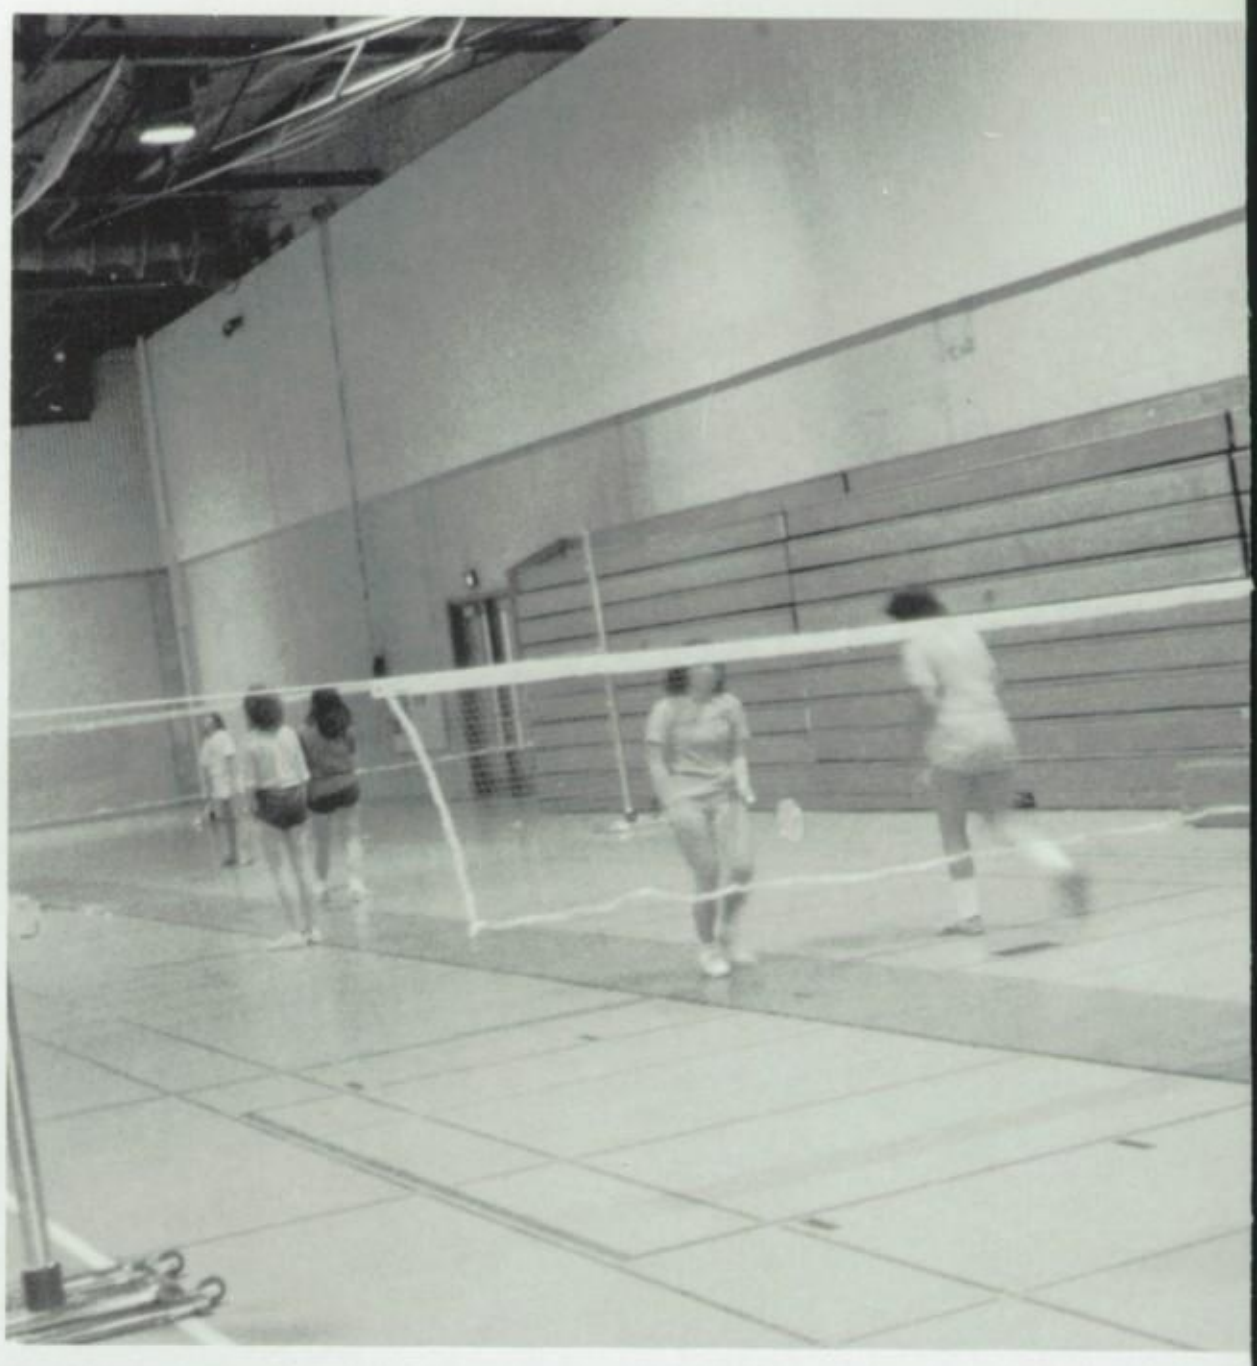
This year's track season should be S.T.'s best ever. The Saints are looking forward to a possible championship this season. The championship meet should take place when the Saints meet Independence. The Saints are also looking forward to their highest C.C.S. placing ever.

The Saints are led by Seniors, Joe Brink, John Scarpace, Junior Fred Rodriquez, and Sophomores, Frank Bautista, John Phillips and Tim Walters.

The Saints relay teams should be one of the better teams in the C.C.S. The 400 relay tandem of Mike Williams, Joe Brink, John Scarpace and Fred Rodriquez and the mile relay team of Tim Walters, Frank Bautista, Fred Rodriquez and John Scarpace will be in the hunt for a top C.C.S. placing and a possible state meet berth.

The Saints opened up their season on March 9th at the co-ed relays. The Saints set two meet records and numerous school records. The Saints then competed against Y.B. and P. Hills on March 14 and dominated the meet. The Saints are off to their best start ever.

below: Nici Haltenhoff gets ready to play a game against Gunderson.
right: Seema Rao and Cathleen Yosida struggle hard to win their match.



Top Row: Coach Uchiyama, Kathleen Mulhearn, Andrea Buffkin, Nici Haltenhoff, Joanna Sosinska, Seema Rao, Lara Killebrew. *Middle Row:* Codi Wardell, Cathleen Yoshida, Rachel Winterle, Marlow Markus, Lori Barry, Van Le. *Bottom Row:* Sandra Kubo, Michelle Gomoll, Debbie Brand, Tan Le, Nicole Brand.

below: Kathleen Mulheach and Rachel Winterle rest after a hard match.
bottom: Joanna Sosinka puts in her last point to win the game.

Beating the birdies . . .

Badminton

The girls varsity badminton team headed into their second year with confidence and optimism. They put in many long hours of practice every day of the week. The team should be strong next year because many of the players will be returning. Although it was only their second year, they did quite well.

"Baby, I'm A Star"

All-Stars

Top: Lelisa Wolters (tennis), Carol Beal (volleyball)
Bottom: Mike Ross (football), Mary Buckland (cross country)

Top: Tony Pearl (basketball), Sisine Toum (girls' basketball), Yuri Simpson (soccer), Brett Johnson (wrestling)
Bottom: Stacey Ball (soccer), Lisa Cosgrove (Soccer), Carol Kouns (Soccer)

Top: Liam Blaney (tennis), Mike Jufiar (swimming), Terri Ellis (swimming)
Second Row: Gina Brown (swimming), Ken Kunkle (swimming), Tom Siderwicz (swimming), Tami Ellis (swimming)
Third Row: Dave Neimeyer (baseball), John Scarpace (track), Fred Rodriguez (track), Joe Brink (track)
Bottom: Brian Marshall (baseball), Frank Bautista (track), Amy Ichinaga (badminton)

Coach of the year

Coach of the year for 1985 is dedicated to Mr. Dave Gigliotti. He has contributed so much to Santa Teresa during his eleven years of teaching here. While teaching Safety Education, Coach Gigliotti found time to be the only baseball coach Santa Teresa has ever known. He has had two championship teams both in 1977 and 1981. The baseball team, under his tutelage, has advanced to the CCS playoffs five out of the last six years. Not only has Coach Gigliotti been the varsity baseball coach for eleven years, but he also was the freshman football coach for four years. Three of these four were championship teams.

Coach Gigliotti first attended San Jose City College where he played baseball for two years. After completing his term there, he continued his studies at San Jose State where he majored in Physical Education and minored in Speech. He also furthered his baseball career here by playing two years on the varsity team. His main motivation to embark on a career of teaching was the opportunity to coach. Thanks Coach Dave Gigliotti for your contribution to Santa Teresa High School.

Top Left: Coach Gigliotti watches practice.
Bottom Left: Coach Gigliotti instructs his players.
Below: Coach Gigliotti awaits the play.

Juniors

Gregg,
for a freshman
you're the coolest!
No, actually I like freshmen
cause they are not stuck up.
Have the best of luck in your
next 3 years at ST and in the
rest of your life! I hope to come back
to visit ST (maybe when you are a Junior)
and see one of ST's great stage productions
and I expect to see you starring in it. Oh ya-
good grades are important too. (In other words - WORK HARD)
Stay cool and live it up cause this is the best time
of our lives. Keep yours cas ted! Write to me during
your sophomore yea
Love always,
Cathy

"We're Going to the Top"

Junior Class Officers

The class of 1986 has had an exciting year and will continue to have an excellent year. This year we sold tumblers. Our goal was $5,000.00. We sold $4,590.25 worth of tumblers. The class of 1986 broke the school record of $3,600, also a class record. Bryan, Dan, and Jay say thank you to the class of'86 and please continue to have a fun year.

As quoted by all three of them: "The class of 1986 is the best, and always will be"

Jungle Love

Girls are now starting to go after what they want. This includes going after the guys. In a poll, we found that 49% of the junior girls have asked a guy out before and 51% have not. 63% of the junior guys said they have been asked out before and 37% have not. Either the guys are afraid to admit to rejection or the 49% of the girls have done a lot of asking out.

Why do you like Santa Teresa?

"Santa Teresa has many good qualities. The thing I like most is the way the whole school program is run. To be able to educate almost 2800 students and still have time to give personal attention to each one is incredible!"

-Dave Marshall

"School spirit this year is incredible! I think it is great that everyone is supporting our school. This 'school spirit burst' has united Santa Teresa students. They are really terrific!"

Who is your best friend?

"My best friend is my boyfriend Bobby. The thing I like most about him is that he is very nice and thoughtful towards me. He also likes me for what I am inside. He likes me just for me. We met through his sister. We have been together since October 28, 1983, the day before my birthday. We do a lot together. Usually we go to the movies, do homework, or go out with our friends. Many of our interests are the same." -Julie Spitaleri

What would you do as President?

"If I were the President of the United States, I would try and help the poverty stricken Americans by finding better programs to support them. There would be plans for funding the many laboratories working on diseases and other medical problems. I would not promise anything except that I would try my best." - Danielle Reda

"If I were President of the United States, I would place a freeze on all nuclear arms and then try to persuade Russia to do the same. After that, I would work hard to create more jobs because unemployment is a serious problem in our country. I would push for an equal rights amendment because women need more credit." -Betsy Tucker

What was your most embarrassing moment?

"My most embarrassing moment was when I was with my friend. I was talking to this man whom I had never met before. We were talking, and we got on the subject of how the manager of some studio was a total 'bleep.' I rambled on about this guy for five minutes; then I stopped because the man started laughing. He told me that he *was* the manager of the studio! I apologized to him for fifteen minutes. It was terrible!"

Whom do you idolize?

"I idolize Nadia Comaneci. She was the Romanian sensation in the 1976 Olympics. When she went to the Olympics, she was only thirteen. In Olympic gymnastics, the performer is to be at least fourteen, but Nadia was so good, they made an exception. I idolize Nadia because I am a gymnast, and I have always wanted to be as good as she. Someday I hope to have her skills. My main goal is to go to the Olympics and perform as well as Nadia Comaneci." -Kerry Wuerfel

"The person in my life whom I idolize is my father. My dad is an intelligent, understanding human being who supports most everything I do and helps solve any problems I may face. Another thing about him I admire is his career. He is a quality control engineer for Micro-Automation. The job he performs took many years of education, person-to-person involvement, and training. He makes a very good salary and is looked up to by many. I am very glad I have him for my dad. I will always love him." -Mike D'Apuzzo

What are your extra-curricular activities?

"This year has been my busiest ever. Besides having many challenging classes, I am also an active member in the French Club. This is my second year in the club, and this year I am a member of the Executive Council. I am one of the two sophomores who help the president, vice-president, and secretary-treasurer make important decisions concerning the club. At the beginning of the school year, I became a junior volunteer at Santa Teresa Hospital. This is a very interesting job, and I work once a week for at least three hours. Even though I don't get paid for my work, I enjoy it a lot because I meet many new people. Some of my jobs include discharging patients, delivering flowers, bringing prescriptions to the pharmacy and many other things."

What are your views on ERA?

"I feel that ERA is a good idea and should be passed. Women and men should have the same rights because everyone is equal. It is not fair that men get paid more than women for the same job. If it were passed, it would have to make everything equal. Women would get their comparable pay, but they would have to register for the draft. It is about time that there was an amendment passed establishing the equality of men and women."

Freshmen

Greg,
I'm so very glad we're friends cause you're super duper sweet. I hope we get together over the summer and maybe go somewhere. I enjoyed our little food fight for as long as it lasted. Our friendship meand so much to me and it better last forever. Stay cool and keep acting.

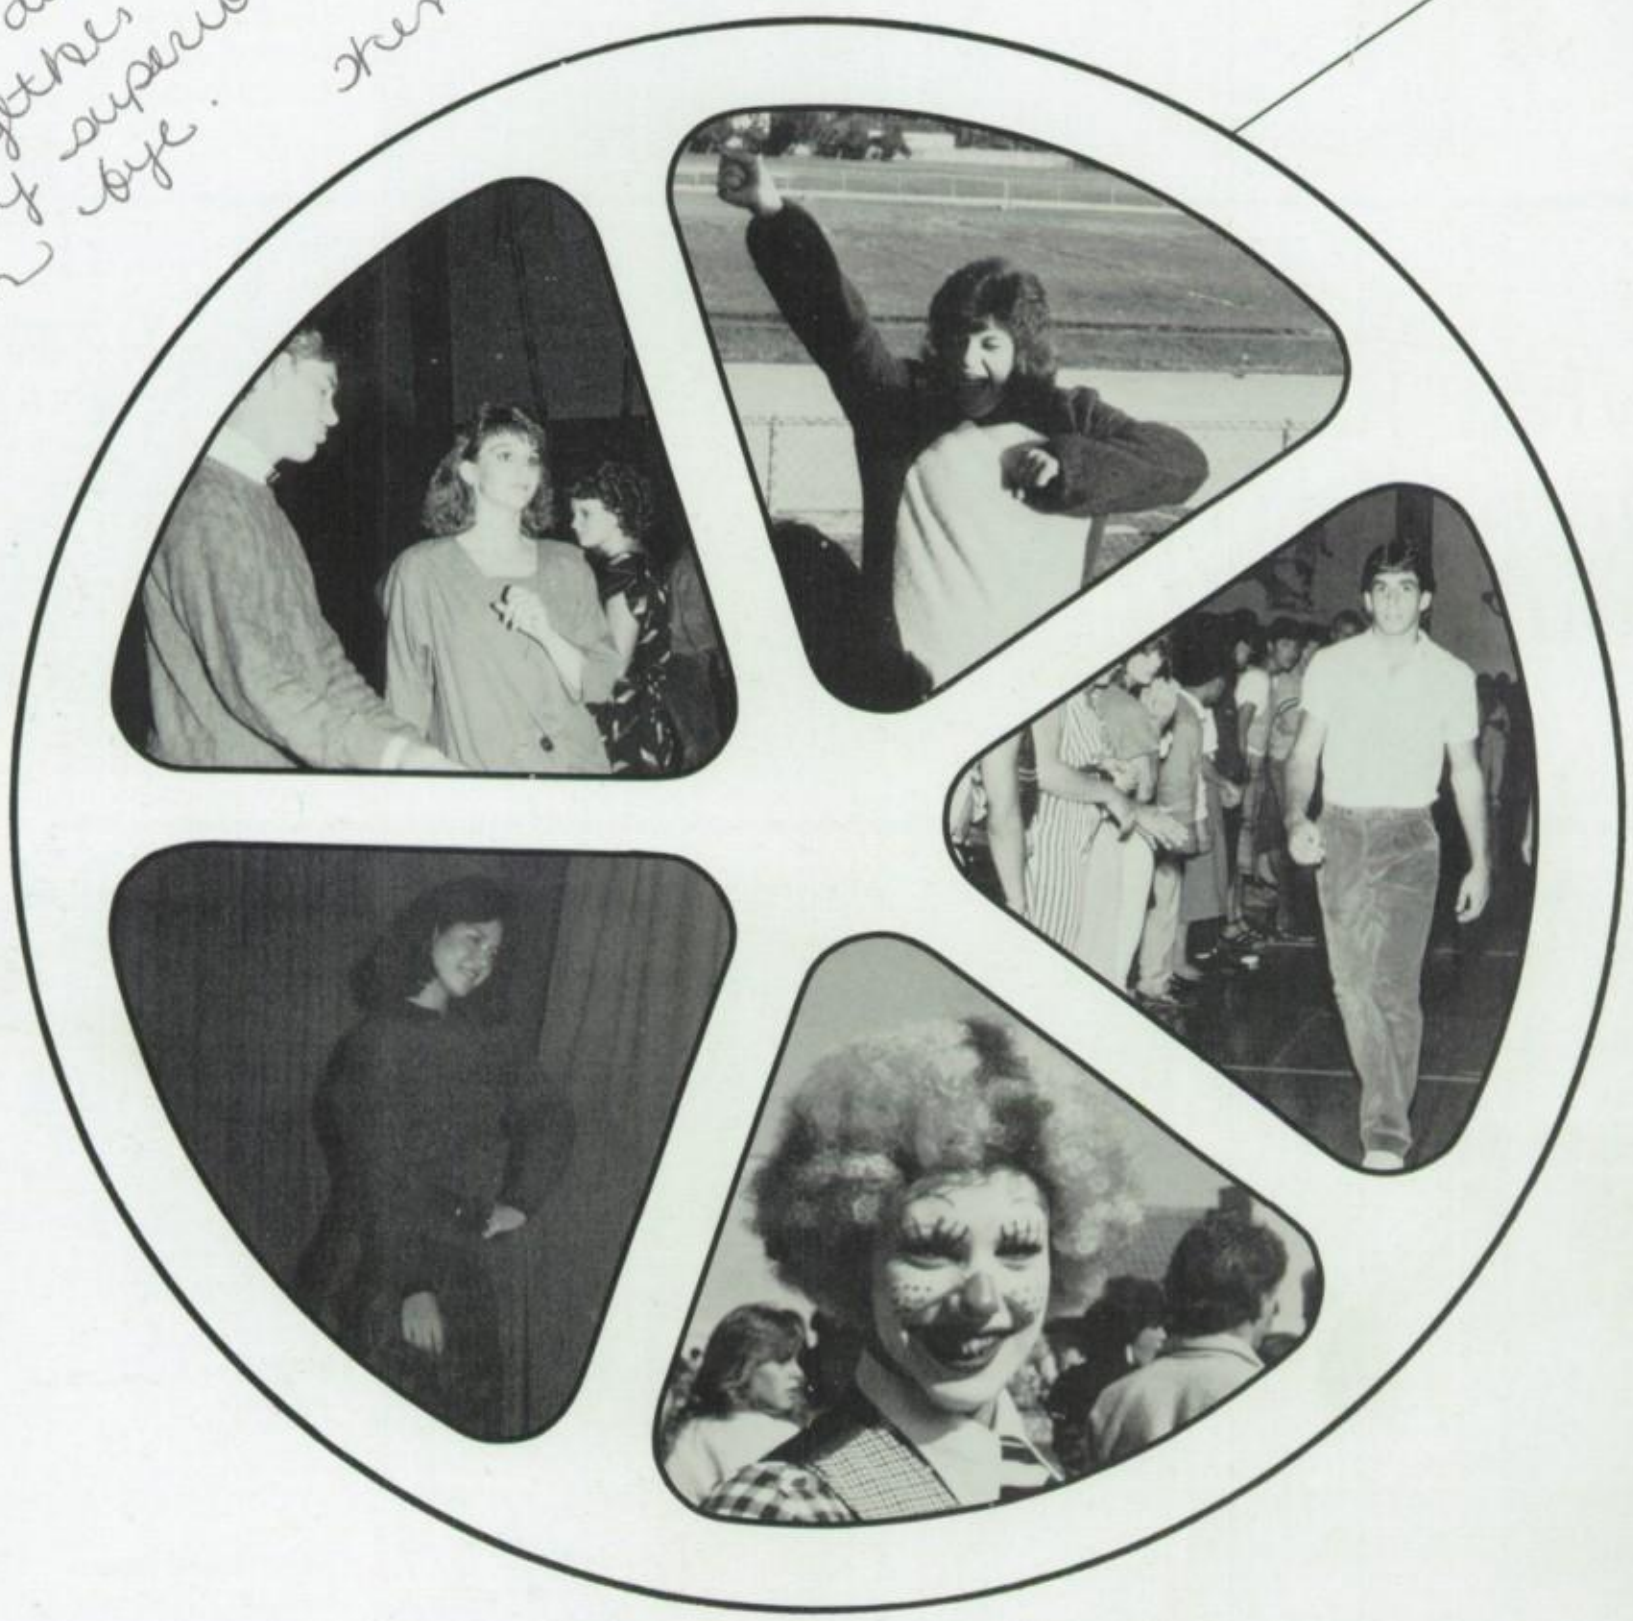
Activities

Hi Reggie,
I hate doing yearbook conversations don't you. Well I know I'll be seeing you this summer and you'll be seeing me like it or not. I doubt we'll have any classes together next year so it's pretty sure I'll be seeing you (J.K.) Well I guess that's it then
bye.
Wendy



RESERVED FOR STACY

Gussie, (Big Bro)

You know I will love you! FOREVER!!!!

"Playing It Cool"

you can be a pain in the ass but that's okay! You had better not forget me over the summer! Of course, I won't forget you! Ever! I Love You too much. Before I leave we are going to the beach! Promise?? Drama 6th period has been great! You were a great Doody! We love those magic chances! I love you! Have a great summer! Get a tan! - You really don't need one! Call me! you know my phone number! Love ya! Love, Stacy (Little Sis)

I ♡ TOBIN

Call me!

"The Homecoming Queen's Got A Gun"

Homecoming Festivities

Homecoming is an exciting event at Santa Teresa High School. The festivities began with Homecoming Week with the students dressing up to display their spirit. Among these events were buttons and bows day, baby day, and orange and blue day. Each day a rally took place represented by each individual class.

On October 12 at PAL stadium, the S.T. football team was up against Mt. Pleasant. This game was one of the team's most exciting of the season. The game was won with a final score of 16-10. The Saints won their first homecoming game in four years.

At halftime the Homecoming Queen and King were to be announced. The court included Denise King, Janelle Keener, Debbie Brand, Kristy Weaver, Michelle Stankevich, Mike Ross, John Scarpace, Mike Caravelli, Mark Prather, and Mike Ellenburg. Last years Queen and King, Robyn Nuzzi and Steve Darnell, were there to crown the winners. Kristy Weaver and John Scarpace were announced as the Queen and King for 1984.

This year's Homecoming festivities were a dynamic success. They will definitely be considered a highlight of this school year.

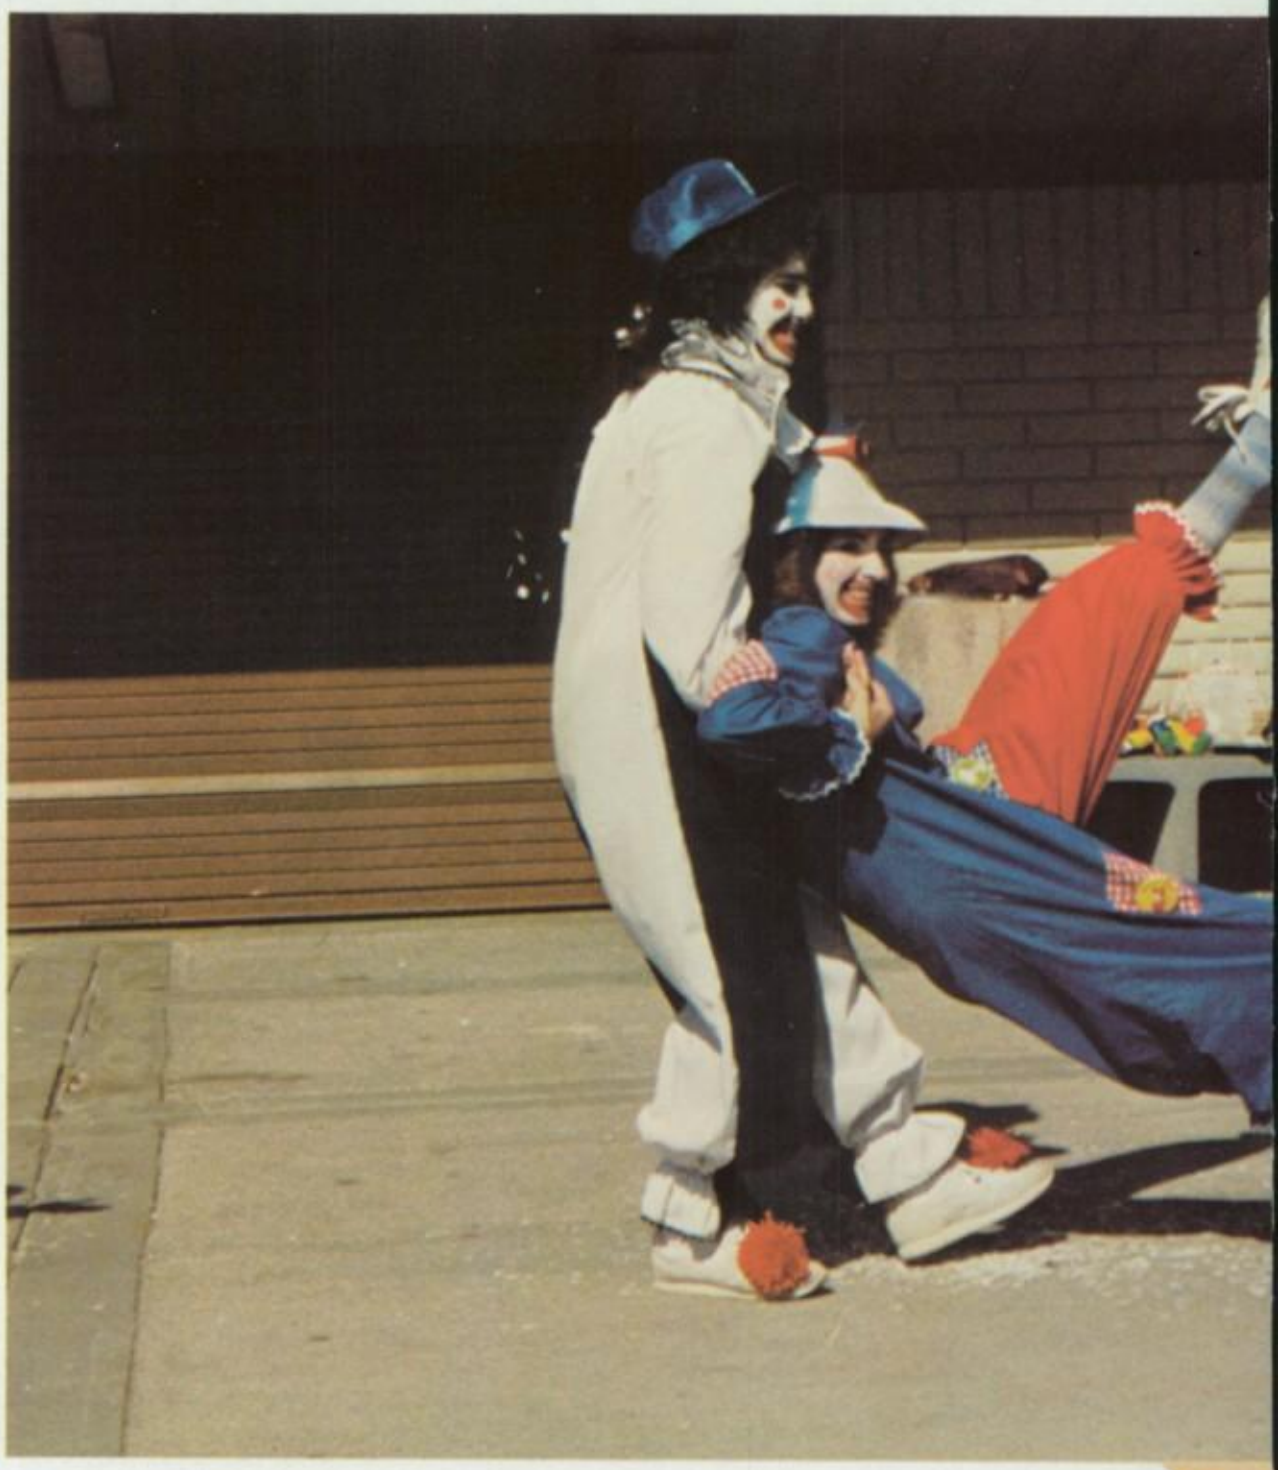
Another exciting day at S.T



Above: With crime fighters that look like Melissa Tinney and Michelle Delintt, who needs criminals?
Right: Jill Livingston and Tami Eby are just clownin' around
Far right: Sorry Bonnie Ford, you're trapped in here just like the rest of us!

Halloween

Curtains of darkness surrounds the Santa Teresa campus. They slowly lift, revealing a bright blue sky with cotton candy clouds.

An unsuspecting S.T. student slowly awakens. Suddenly, he is overtaken by a strange force. As if in a trance, he reaches for some strange articles of clothing and his mother's make-up bag.

An hour later, a shapely, yet odd looking female steps out into the chilly morning air.

You may ask 'what happened?'. Was that his mother?

No.

Sister?

No.

Pet dog?

No.

Is his father a talented plastic surgeon?

No!

Well. what happened? There is only one explaination . . . HALLOWEEN!

This student, like many other S.T. students, was compelled by a force known as "Halloween- Mania" to join the spirit of Halloween. It's a force that makes us dress up as what we wish we were, or what we wish to become. To just let our hair down and clown around!

This year's costumes ranged anywhere from trendy Ghostbusters to traditional vampires.

The spirit leaders also got into the spirit of things by organizing a great lunchtime rally. All in all, this was one thrilling Halloween.

top left: Desireé Adel heads up the "prom scene" in a black lace gown. *top center:* Jennifer Sakamoto and Angela Henniges wear the latest styles in street clothes. *right:* With a rose for his date, Steve Walton models the men's prom look.

"Strut"

Student Fashion Show

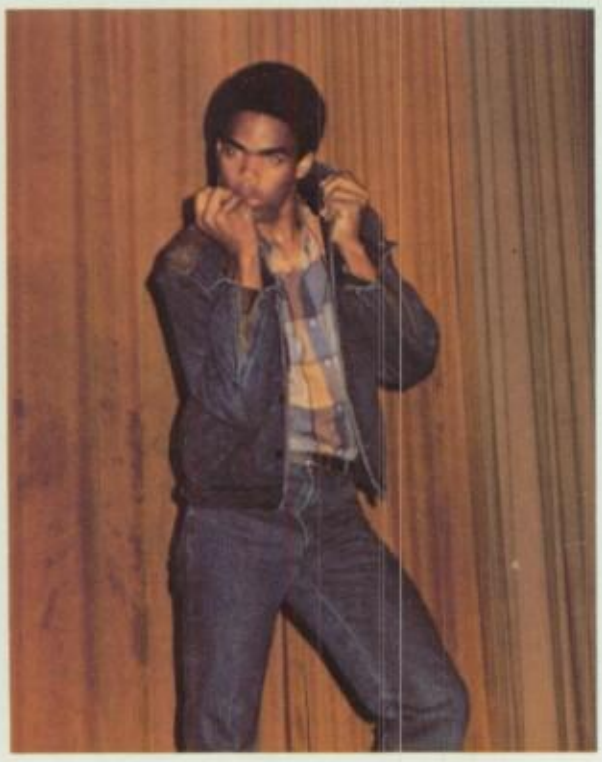
November 15 marked the date of Santa Teresa's second annual fashion show. Planned and performed entirely by Santa Teresa students, the show took months of careful preparation. The fashion show featured the latest looks in everything from casual wear to formal attire for both girls and guys.

This season's popular wardrobe includes big plaid and check prints, and bright colors with black accents. Well-dressed guys can be seen wearing argyle sweaters and full-length raincoats in natural tones like gray and brown. A major focus of the show was the newest fashion fad on campus: NEON—in electric pink, orange, and green. To complete the outfit, go for the latest accessories such as suspenders, scarfs, wrap-around belts, and neon socks.

Fashions for that special night at the prom include lace gloves, veiled hats, and short gowns in sequins and velvet for "her." For "him" it's the traditional tuxedo with colorful tie and cumberbund to match her dress.

The fashions for the show were provided by Brooks, Fashion Conspiracy, Bill Gambles and other popular clothes stores in the Oakridge and Eastridge malls.

The student models, along with advisor, Mr. Reed, and announcer, David Keller, were proud of the success of the fashion show, and everyone agreed that they "had a blast."



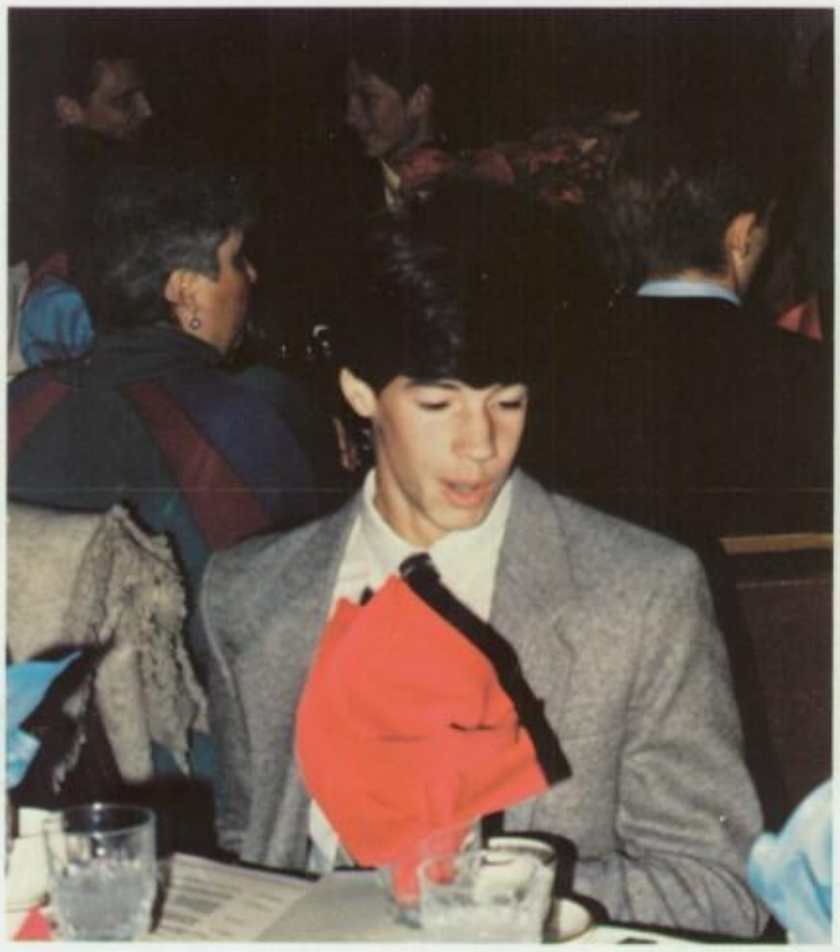
top right: Audrey Owens shows off a popular look for school: denim and neons.
center: Tiffany Wade sparkles in her sequined prom dress.
above: The production crew made sure that the fashion show ran smoothly.
left: Mike Hall looks sharp in Levi's and a denim jacket.

"The Heat is On"

Academic Decathlon

right: While Tracy Bogert and Rich Westfall study, Forrest Patterson eyes the last cinnamon twist. *far right:* The decathletes put their research material onto flashcards, which became the foundation of their success.

right: The hands of the decathletes reach for chips, hot dogs, and mustard that Mrs. Patterson provided for them at one of their numerous study sessions.



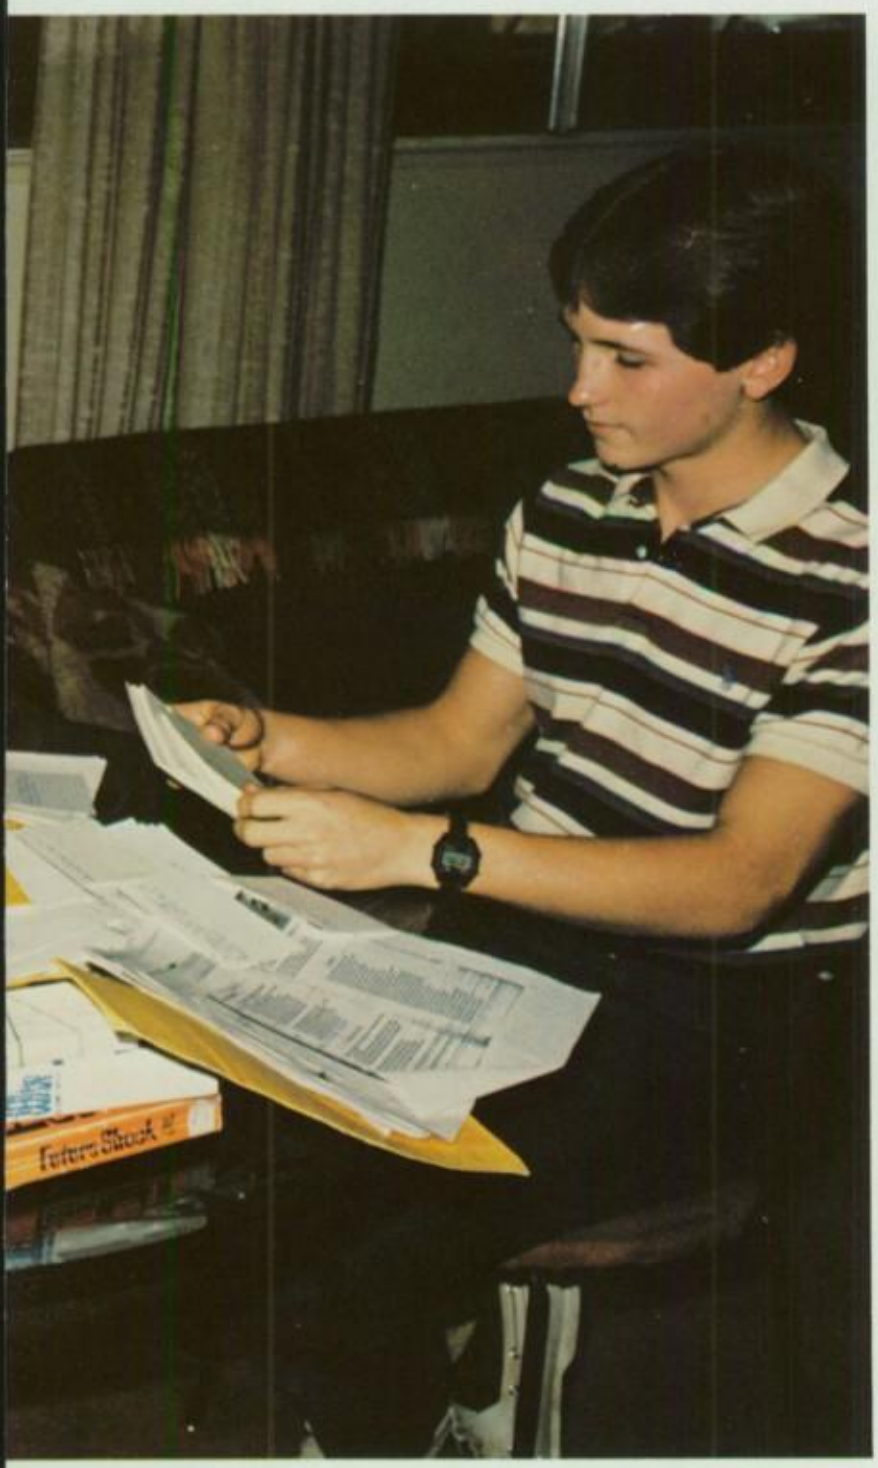
above: With a touch of flair, Mark Prather waits patiently for the awards banquet to begin. *right:* Nancy Parella, Debbie Gardner, and Nathan Estruth diligently study from the notecards and outlines that members of the support team prepared.

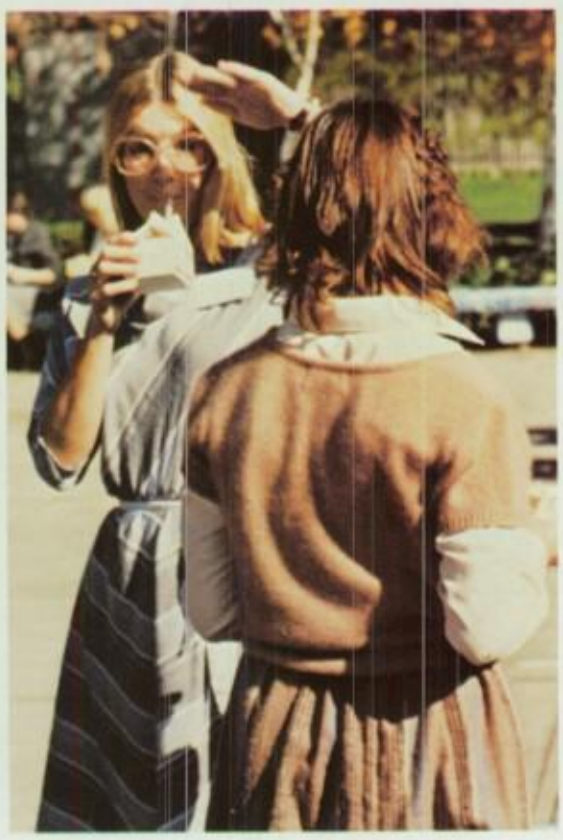
The Santa Clara County Academic Decathlon Competition was held on November 17, 1984 at Piedmont Hills High School. Thirty-two high schools in the county participated in this competition. Each school entered at least two students at each of the three levels in the competition. The levels are determined by grade point average. (honors:3.76-4.0, scholastic:3.01-3.75, and varsity:3.0 and below) The ten different events that these students competed in were Economics, Essay, Fine Arts, Interview, Language and Literature, Math, Science, Social Science, Speech, and the Super Quiz. Beaten only by Gunn and Palo Alto (first and second places respectively), Santa Teresa took a well-earned third place.

In preparing for this grueling competition, the Santa Teresa Academic Decathlon team spent many long hours studying. They started studying during the summer, and as the competition date drew near, they spent afternoons and weekends studying. The team members were Forrest Patterson(honors), Debbie Garner(honors), Nathan Estruth(alternate), Mark Prather(scholastic), Ken MacLennan (scholastic), Tracy Bogert(alternate), Steve Hill(varsity), Nancy Parella(varsity), and Rich Westfall (alternate).

Without the help and research done by the support team and the guidance of the coaches, Mr. Passalacqua, Mr. Sheehy, and student coach David Keller, the decathlon would not have been such a success.

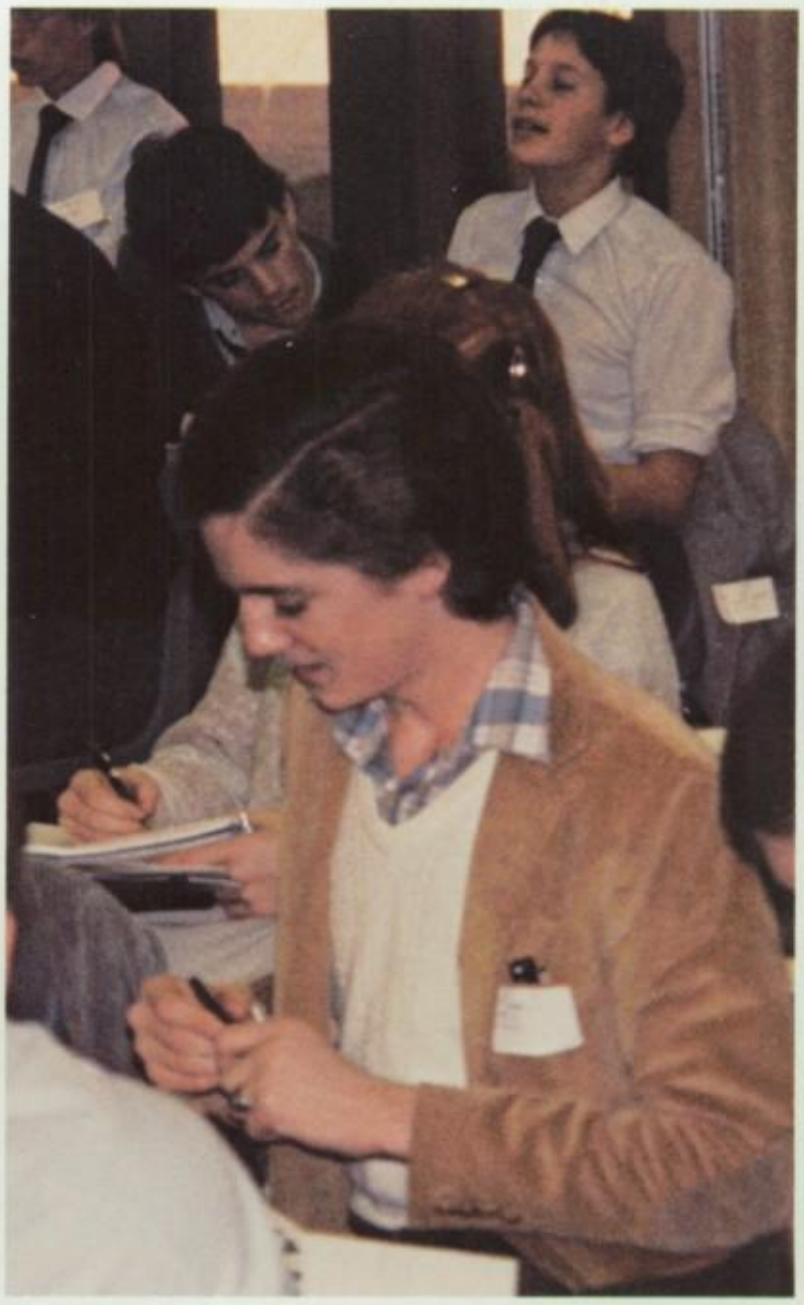
"We be three!"





above: The crowd watches intently as the decathletes participate in the Super Quiz. *left:* Saluting the photographer, Tracy Bogert sips her chocolate milk during the lunch break at the competition.

"In A Big Country"



above left: This Egyptian delegate contemplates his next move. *above right:* Santa Teresa Junior Robert Hedden carefully scrutinizes his notes before commenting. *above:* During an adamant discussion, the Model U.N. delegates never forget their composure.

Model United Nations

The 15th annual Santa Clara Valley Model United Nations, hosted by Santa Teresa's International Relations Club, was one of the best showings for Santa Teresa delegates in recent years.

Speaking and debating their way through the two-day conference, more than 500 delegates representing twenty-four schools throughout California participated. Of the twenty-five awards given, Santa Teresa gathered seven. Winning awards were Arvind Suthar (88), Rachel Wintlerle (87), David Keller (86), David Wells (85), David Izat (85), Mike Guersch (86), And Ken McLennan (85).

Santa Teresa delegates represented five countries of the United Nations. They were Pakistan, Cyprus, Brazil, Panama, and South Africa. The South African delegation finished second behind Acalanes School from Lafayette.

top: David Keller shows his enthusiasm for representing Panama on this year's Model United Nations. *left:* Panamian delegate David Keller discusses some pressing world news with a visiting delegate. *above:* The presiding ambassadors give their opening speeches to awaiting delegates.

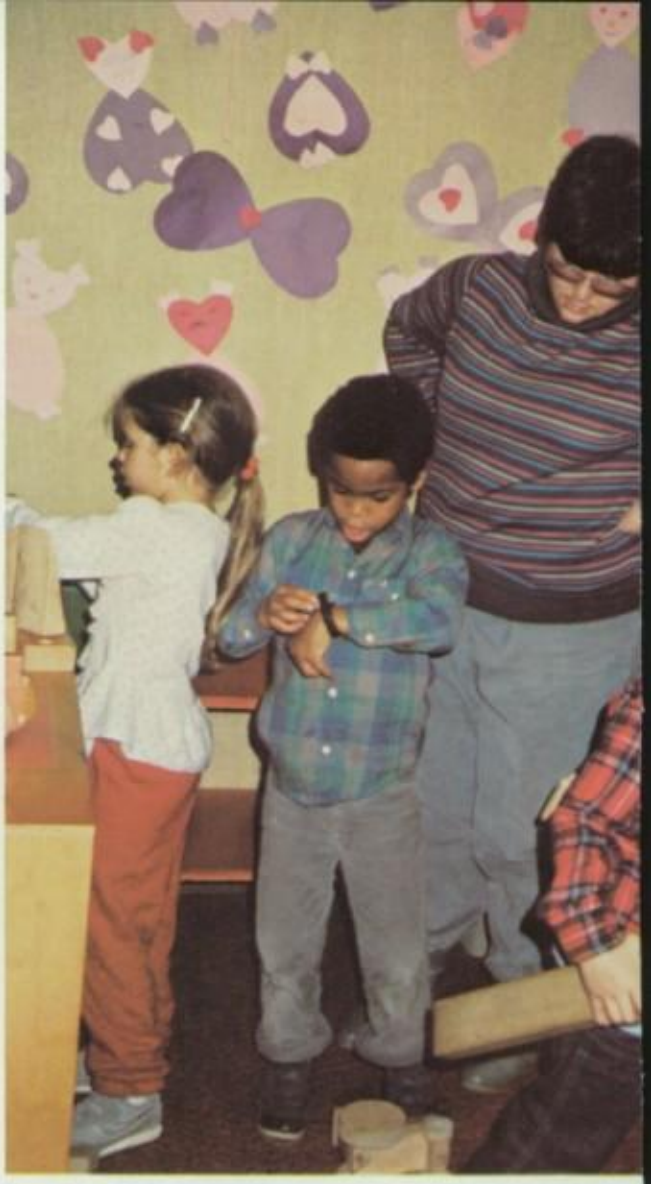
Below: Don Felice feeds Renee Orozco a piece of vanilla flavored wedding cake.
Right: Jim Wallace still does not believe Don Felice is finally getting married.

"I Want to Know What Love Is"

Mock Wedding

The On Your Own classes held a mock wedding on January 18, 1985. As a part of the actual experiences of adult life, the wedding acted as an end to the carefree teenage lifestyle. The mock wedding was arranged exactly like a traditional wedding, however, it is not held in a church, it was held in a classroom. At the end of the aisle, the groom, Don Felice, and minister, Barbara Evans, await the blushing bride, Renee Orozco, and the "Father" Mr. Gil. After the vows were exchanged, the pictures were taken and the people were eyeing the food at the back of the room. The three-layered white and pink wedding cake towered over the regular goodies. The married couple then proceded to follow tradition and cut the beautiful cake. As an extra added attraction, Darlene Victor danced a Hawaiian jig to give the wedding a Hawaiian appearance. Over all, the mock wedding seemed real to the spectators.

Far Left: Aside from the bride, Renee Orozco, the bride's maids included: Julie Gotcher, Wendy Vishon, Amy Kotoski, Stacy Fields and Ranay Goodner.
Left: Minister, Barbara Evans, pronounces Don Felice and Renee Orozco, Man and wife.
Middle: Darlene Victor acts out a Hawaiian Dance.
Top: Beside the groom, Don Felice, the ushers were: Ron Thielbahr, John Babel, Jim Wallace, Chris Norby, and Bob Bahdanowicz.



"Where Have All the Children Gone"

Day Care Center

Santa Teresa's day care center is a program located on campus, which is offered to many parents in the community. The day care center opens at 7:30 a.m. and remains open until 5:00 p.m. each weekday. The children receive constant instruction from qualified instructors and a select group of Santa Teresa students, who are enrolled in an Early Learning and Guidance class. A portion of the class is in lecture form where the students prepare to work with the children. The other is a lab period where the students deal directly with the children at the center, teaching the children to be compatible, and in turn, learning from their experience. Being a part of the day care program is very beneficial to those students who intend to continue working with young children in the future.

top: Lela Hardesty offers her help on telling time.

below: Terry DeFuniak gives instruction on putting together Valentine's Day cards.
left: Working together to build a wooden train, the children break for a picture.

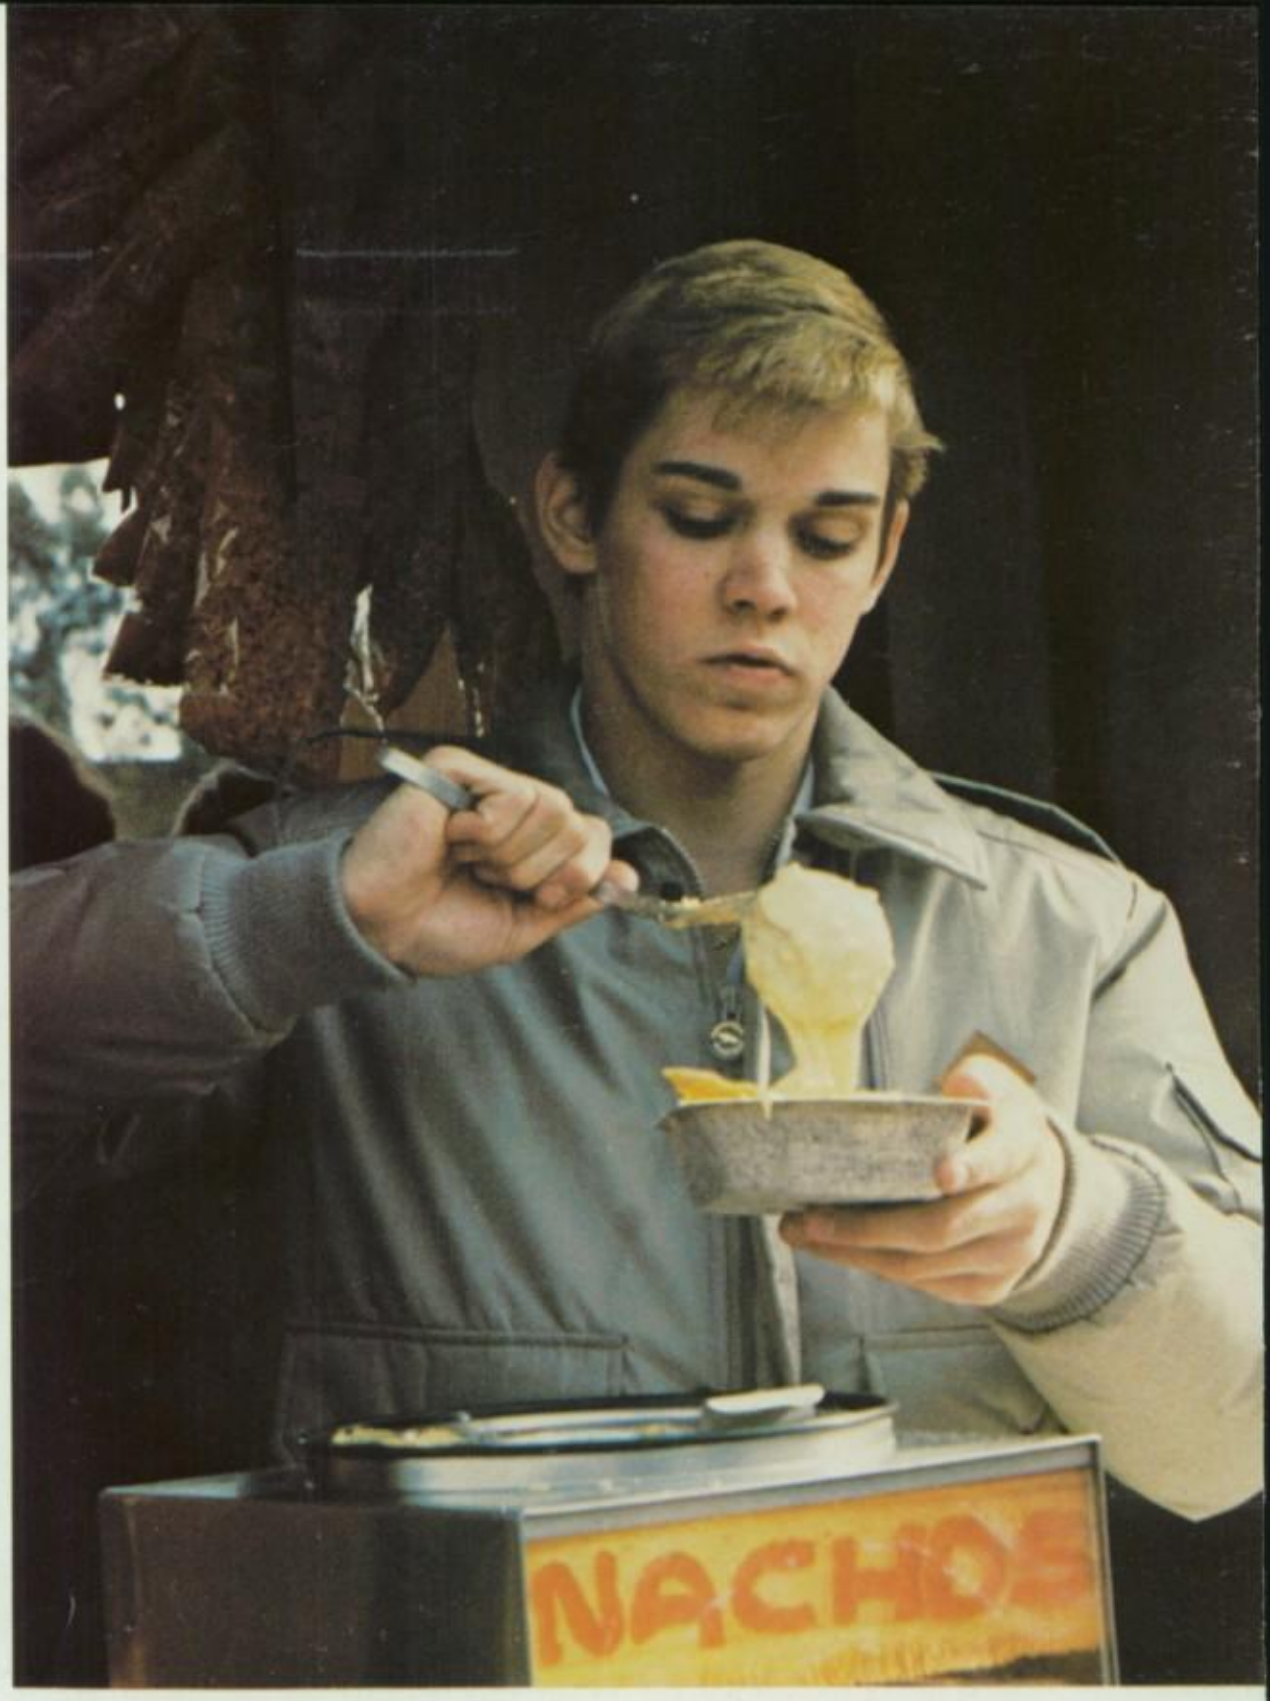
far left: Busy at work with playdough. *left:* Arlene Naskrent encourages the children to be kind to animals. *above:* Santa Teresa promotes pre-school truck drivers.

"We Do It All For You"

The Food Center

The food center is an important part of Santa Teresa. It feeds many hungry stomachs every day. But no one ever sees the faces behind the scenes. The people who serve the food are actual students at this school. Nine kids give up their break and lunch periods every day to help in the food center, and there are also a couple that work in the *a la carte* stand.

Inside the food center each student is assigned to a window. They are each responsible for their own cash box, and if it is not balanced, they can count on hearing from their manager, Diane Lewis. The students are paid minimum wage in return for their help.



top: Bob Joyner intensely concentrates on his duties.
right: DeAnne Daley proudly displays her work.
above: The students scramble to get the food ready for the hungry crowd.

left: Alice, Ralph Drindel, and Helen enjoy their jobs in the food center.

left: A group shot *(left to right around the table):* DeAnne Daley, Jim Goff, Ralph Drindel, Ricky Callender, Bill Burger, Marie Castillo, Mike West, Gwen Collins, and Sherri Kounds.
below: With a worried look on his face, Ricky Callender wonders if his cash box is correct.

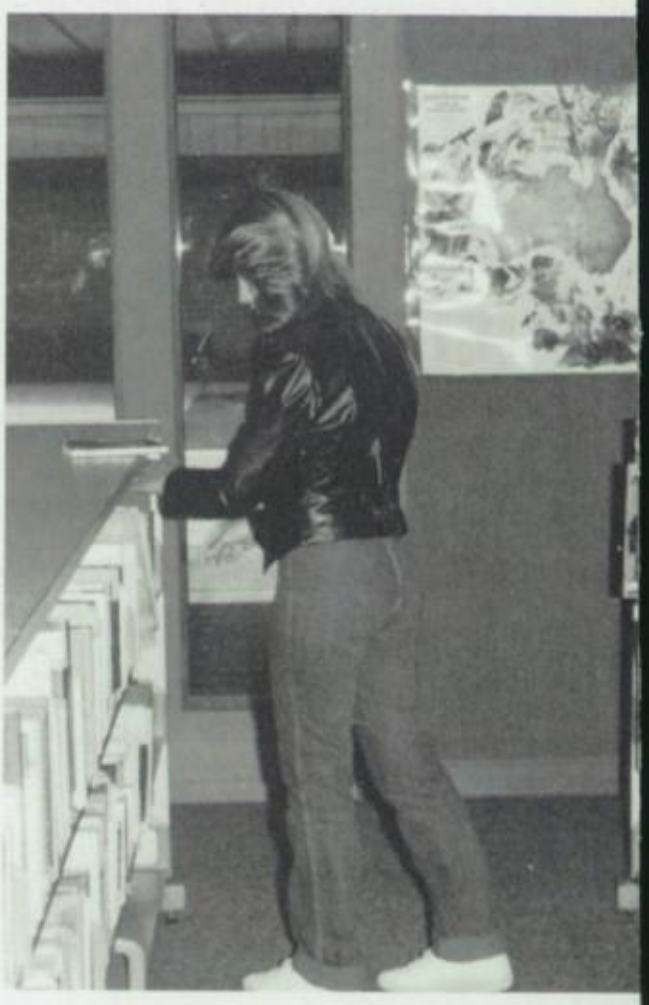
far left: Eddie Bialorucki gives the photographer a big smile as he walks away with his lunch.
left: Working in the *a la carte* stand is a busy job for Andrea Goff.

Library assists in student education

The Library

The Santa Teresa Library is a useful resource for all students at Santa Teresa. With the helpful guidance of Ms. Rallis, and Ms. Ann Tyler a student can be assisted in finding the right books and information for any class. Along with a variety of books in various categories, the library is suitable for anyone's study habits.

Another use for the library is a sort of study hall. Many students come in during lunch and break to catch up or just get ahead on their studies. A number of teachers take their classes to the library to further inform the students of the helpful resources the library offers for things such as book reports or research papers. Along with the willingness to assist the students, the librarians always try to keep the library in order and open to those who need it.



Far Left: Ms. Rallis helps a student with her term paper.
Middle: Ms. Tyler sits at her desk, while checking in new books to the library.
Below: Mrs. Louden showing off her cast.

Far Left: Toni Cain straightens up the bookshelves.
Middle: Toni Cain, Ms. Rallis, Kelly Savastano, Kenny Chamberlin, John Dinh, Ms. Tyler Bottom Row: Mary Gonsales, Jacquie Buckland, Michelle Williams, Lana Reifenrath.
Above: A couple of aides check in returned books.

"Where do we go from here?"

Career Center

The answer to the question "What lies beyond Santa Teresa" can be answered at the Career Center (Room 217). Students and members of the community can find reference material on a variety of career opportunities. Both four year colleges and local community college information is available as well as related financial aid and scholarship programs. Representatives from colleges come to talk to students all the way from Harvard and Stanford to West Valley and Evergreen. For those not going on to college, there is also information available concerning the Military, Trade Schools and job opportunity bulletins.

Top Right: Mrs. MacDonald and Jan Young discuss upcoming activities.
Above: Walter Tanaka diligently works on a school project.
Right: The Career Center is a place to collect one's thoughts.

PAZ,
HEY WAAT'S UP?

Teachers in their spare time

Mr. Cano has many things that he likes to do on his spare time. He loves to coach sports, and his favorite sport to coach, will always be soccer. He also enjoys watching wrestling on TV, and he even admits that he wouldn't mind coaching the sport here at school. Traveling has always been a favorite pastime of Mr. Cano's, and when he can't find the time, he enjoys driving around the bay area. An old hobby of his is making many shapes and sizes of furniture. But his all time favorite thing to do is work with children, that is why he truly enjoys his job.

Mr. Hull, on the other hand, enjoys various other activities. His favorite thing to do is read books, and literature always seems to rank highest; when it comes to his reading selections. Mr. Hull has always thrived on participating in sports. His favorite sports are raquetball playing and snow skiing. He loves this time of the year the best because it offers him bountiful amounts of snow within a close distance. He enjoys his job but remarks that students attitudes really could be better. A lot of time you will find him busy at home correcting his students various papers. Mr. Hull loves to eat at restaurants, but he says he doesn't really have a particular one that is his favorite.

From talking to these teachers I realized that when they're out of school they like to do the same things their students do. It really makes me feel like they're a little more human then we all sometimes think.

How did teachers support themselves during college?

Mr. Sagray graduated from Chico State but also attended U.C. Davis, San Jose State, and West Valley College. While going to college he supported himself by working at Lockheed. There he manufactured parts. When months allowed, he worked in a cannery making syrup. Presently in the summer he and Mr. Cark have a landscaping business where they design and build decks.

Mr. Frazer also of the science department, attended nine colleges including U.C. Berkely, San Jose State, San Francisco State, San Diego State, Cal State Hayward, University of Washington, Montanna State University, Hope College, and Stanford. He too worked in a cannery when months permitted. Along with this, he worked as an gardener, elevator mechanic, part time postman, and dishwasher.

Mr. Mclung, while going to Chico State, managed apartments and worked in a lumbermill to support himself through college.

Both Mr. Fulton and Mr. McKenna attended U.C. Berkely. Mr. Fulton worked as an army medic. He also worked and managed a printing company. Mr. McKenna was an intermurals sports referee throughout college.

Mr. Sheehy attended many colleges as well. He received a Bachelor's degree at St. Marys college. He received a Masters degree at Cal State Hayward. He also attended other colleges such as University of San Francisco, San Francisco State, San Jose State, Cal Berkely, Idaho State, and Conneticut College. While attending college he supported himself by working as a janitor, bank-teller, and delivery man. He was also a vender at 49er and Giants games.

An interview with Mr. Cadena

What do you like most about teaching auto?
I think that teaching about cars is about as close as I can get to teaching about airplanes.

Wht did you become an auto teacher?
Because I enjoyed learning about cars in school. I did so well in auto that the auto teacher hired me as a mechanic.

What school did you teach before you came to Santa Teresa?
I began at Silver Creek 1972, then Independence 1976, and finally to Santa Teresa 1982.

How long have you worked here?
I have been at Santa Teresa for 3 years.

What is the hardest thing for a student to do in auto?
The hardest thing in the beginning class is doing a complete tune-up. In the advanced class doing an engine overhaul takes at least two years to learn well.

Mrs. Karalee Roland

Mrs. Roland is our new Assistant Principal this year. A couple favorites she likes to do in her spare time are to go see the Opera in San Fransisco and to watch the ATC plays. Some of her favorite recreational sports are golfing, skiing, and swimming. She is a housewife and likes to read. Her favorite hobby is needlepoint. When she goes home, she does not take her school work home with her. Most importantly, she really enjoys her job.

Mr. Steve 'the stud' McClung

Mr. McClung has been building his cabin for six years. He loves to ski, snow mobile, and golf. He really enjoys model railroads and playing city league basketball. At Santa Teresa he coaches Girls Basketball and is the sponser of the Ski Club. 'The Stud' McClung really has fun at his job and has worked all his life. Besides filming football, he jogs. One memorable event from his ten years at Santa Teresa was the day he got struck by lightning.

What was your funniest classroom incident?

"During the '81-'82 school year, Mrs. Hogland was being very helpful by lending me her aid. I couldn't think of any way I could possibly pay her back. So, during fourth period, I decided to give her a kiss. It just so happened that there was a yearbook photographer and the Vice Principal in the room at the time. I bent her backwards over my knee and gave her a stage kiss. The photographer took the picture and the Principal said that it was the most interesting classroom observation he had ever seen. That was not the end either. My wife wasn't too pleased when she saw the photo in the yearbook!" -Mr. Bill Sheehy

"Well, in the '82-'83 school year, during my fifth period English class, one of my students brought a Boa Constrictor into class. I screamed so loud that I think the whole 200 building heard me!"-Mrs. Barbara Neilson.

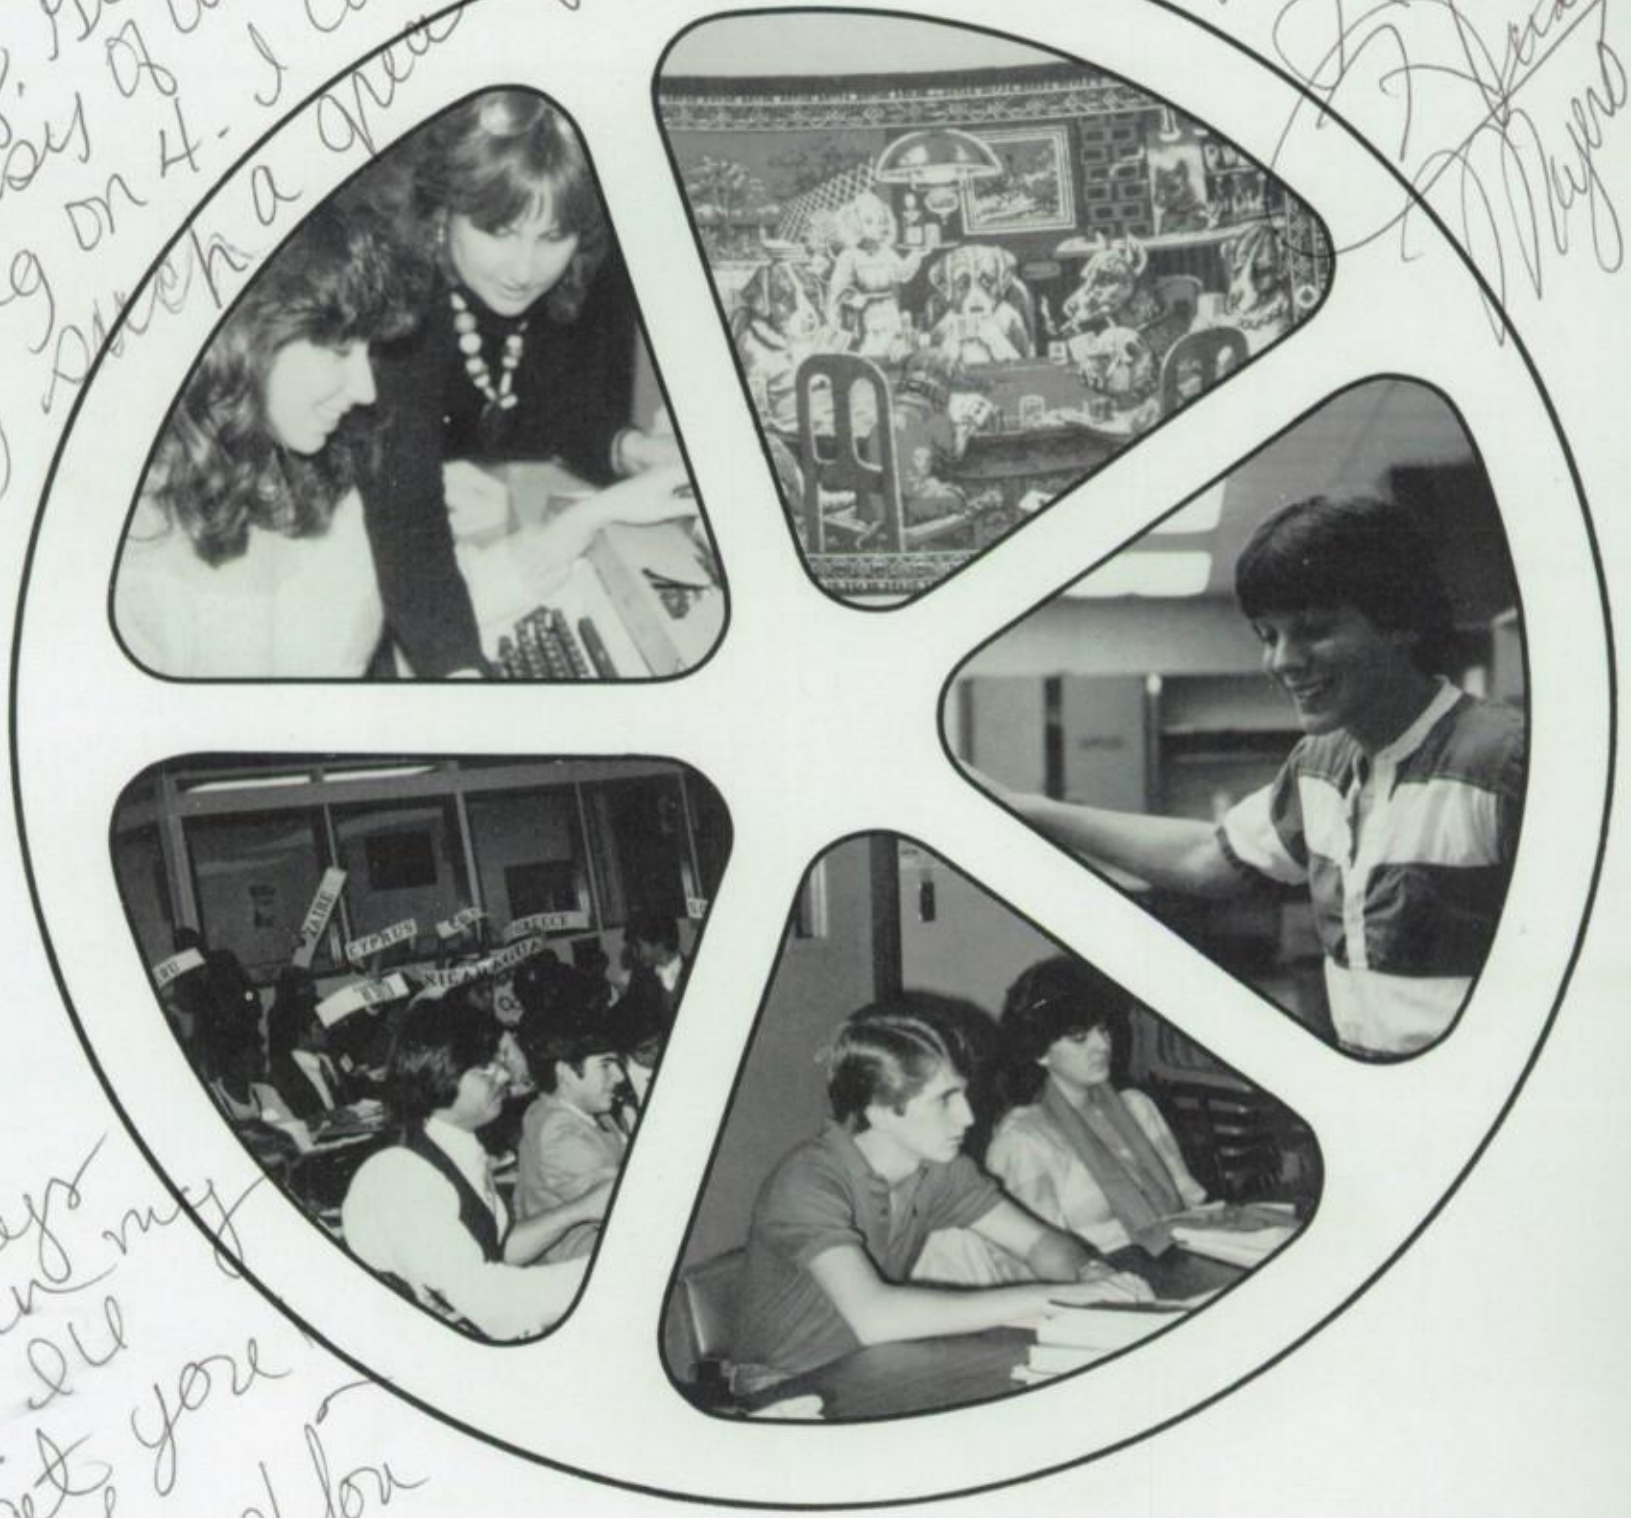
Organizations



"On the Chain Gang"

Students represented by

ASB Officers

right: ASB President, Missy Schultz
below: Joe Brink, Lily Han, Sheryl Bellows, April Arndt, Greg Rea, and Missy Schultz.

right: The Gang.

left: Meeting in progress.
below: Mr. Vierra taking charge.

The ASB is an elected group of students who represent the entire student body at Santa Teresa. Each officer has specific duties to uphold in order to keep the ASB organized. ASB officers consist of President, Melissa Schultz; Vice-President, Joe Brink; Secretary, Lily Han; Treasurer, Sheryl Bellows; Commissioner of Atheletics, Greg Rea; and Commissioner of Spirit, April Arndt.

"Student Council is a great experience. The office of Student Body President is an exciting and fulfilling one. This has been a great year and I would like to thank the entire council for making the tough days seem easier."

Melissa Schultz
ASB President

"What a year it has been!! Being ASB Vice-President has been exciting and lots of fun. A special thank you to Missy, Lily, and Mr. Vierra. Great job Spanish and French Clubs for 'Christmas in the Park.' Good luck for the next ASB council. Thank you."

Joe Brink
ASB Vice-President

"As 84-85 ASB Secretary, I've learned many new things and had a lot of fun. Special thanks to all the officers who made this year an exciting and fulfilling one."

Lily Han
ASB Secretary

"I have learned a lot from being on the executive council. It's been fun. I wouldn't have been able to serve as this year's ASB Treasurer without Mrs. Palmer's help."

Sheryl Bellows
ASB Treasurer

"As Commissioner of Atheletics, this year has been one of the best. Unfortunetely, the fun has made it go by so fast. Thank you Mr. Vierra, Mr. House, And the ASB council, for making this such a fantastic year."

Commissioner of
Atheletics
Greg Rea

"Last year at this time it felt good to say we only had a year left of high school. Now it's over. Being Commissioner of Spirit made my Senior year the best it could've been. Mr. Vierra, Mrs. Cato, Mr. Reed, ASB, band, colorguard and most of all the 1984-85 spirit leaders- THANK YOU!"

Commissioner of
Spirit
April Arndt

top row: Mike Guersch, Todd Keough, Yuri Simpson, Frank (Scoop Junior) Morales, Mike Overlin, Mike Ellenburg

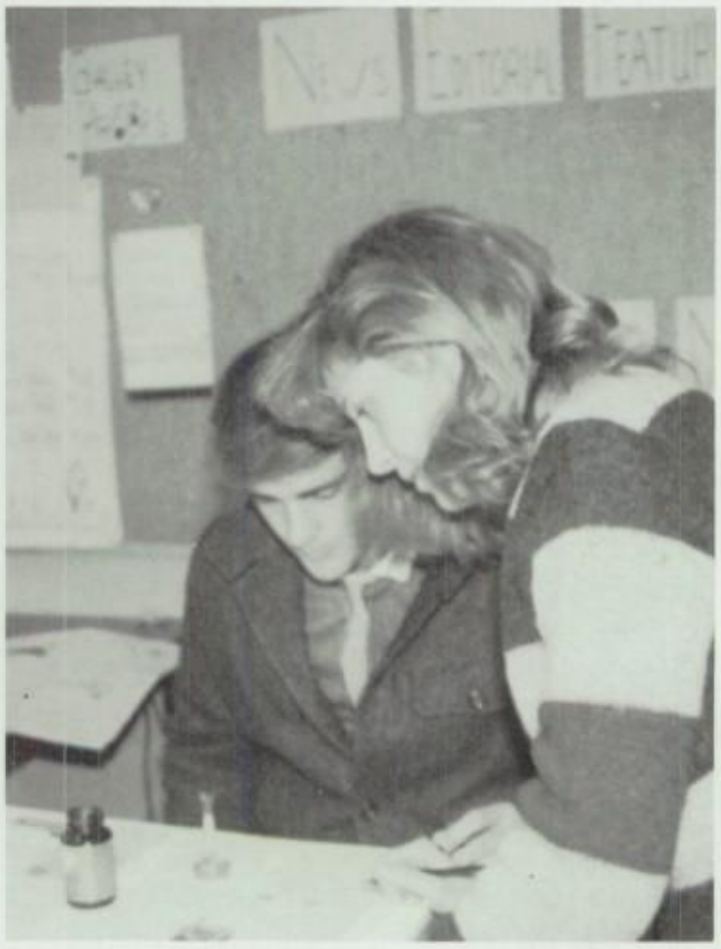
far left: Ms. Neujahr teaches Monique Parker how to type.
middle: Debbie Brand shows the many uses of the *Esprit*.
left: Lily Han caught in a moment of indecision.
below: Mike Ellenburg and Kathy Riggle struggle over layout page during paste-up.



Organized Chaos Builds a Quality Newspaper

The *Esprit*

This year's Saints' *Esprit* staff is considered one of the most talented and enthusiastic in recent years. Working many hours past class time, these hard-working and dedicated journalists produce an eight-page newspaper ranked among the best in the nation.

The 1984-85 staff is unique because it combines the rare qualities of both professionalism and unity. In the opinion of second year Editor-in-Chief Tara Gilligan, this staff will set a standard for many journalists to follow. Under the fearless leadership of Karyn Neujahr, the newspaper has doubled in size making space for regular features such as student spotlight, ASB bulletin, concert schedule, and centerfold spread.

The infamous past-up sessions elicit the trademarks that all *Esprit* journalists share on deadline. Off-the-wall humor abounds as does the staff's affinity for rubber cement and Togo sandwiches. However, from the organized chaos of paste-up comes the product, a quality newspaper of which the school can be proud.

Under Pressure

Compendium Staff

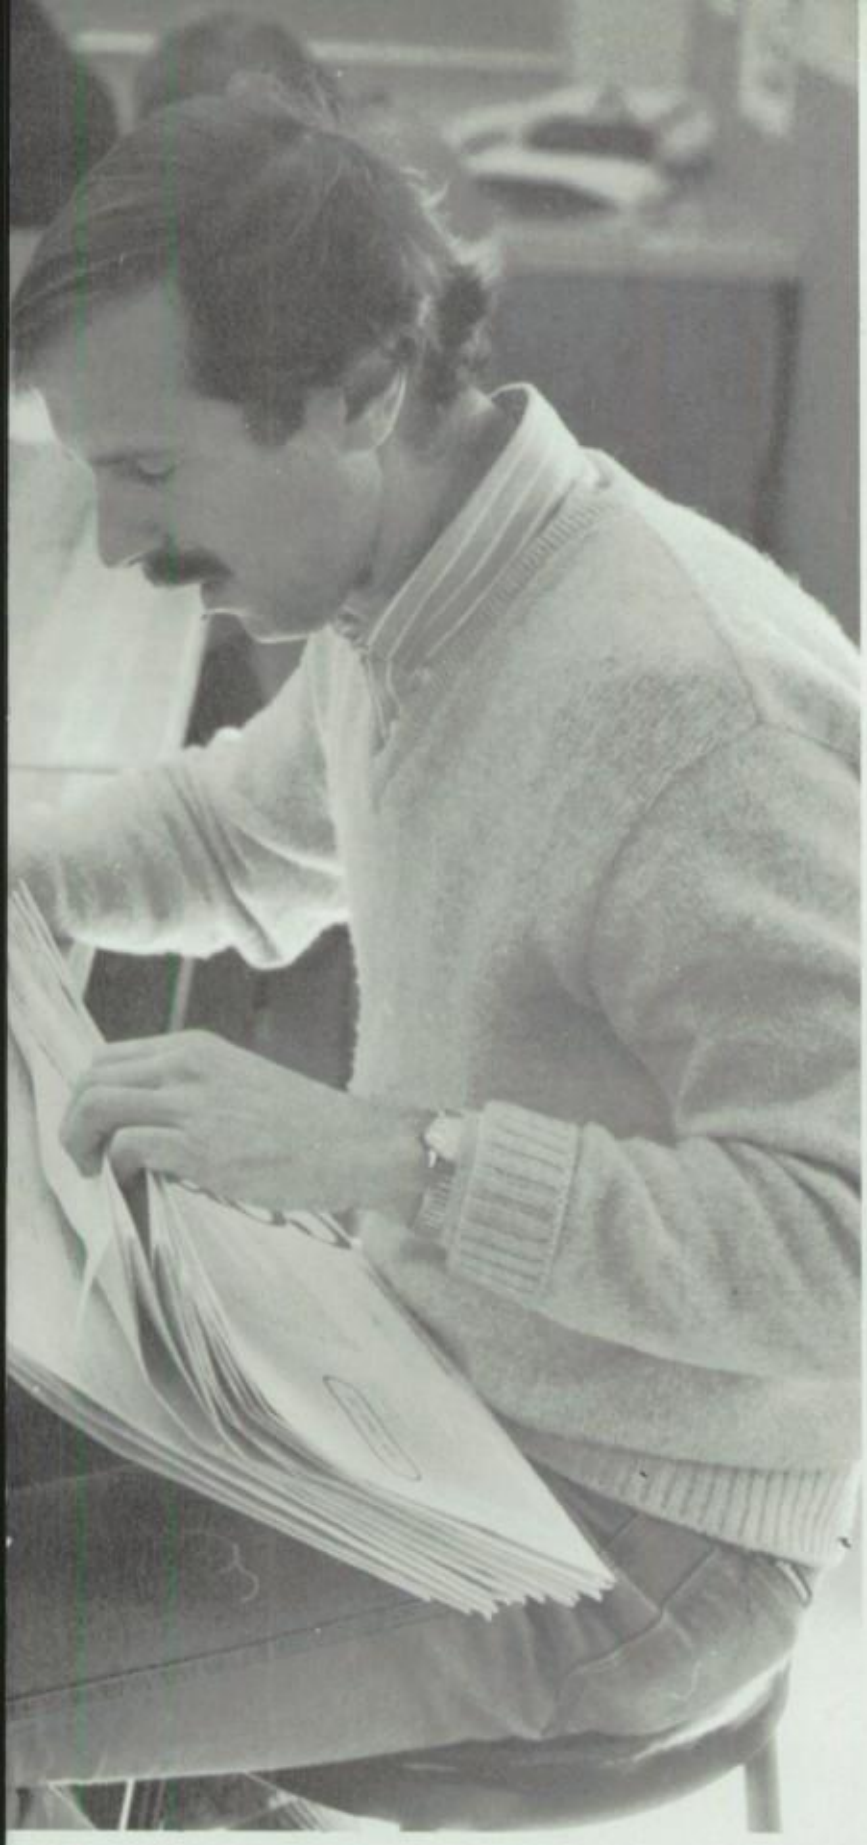
This year's Compendium staff was noticeably larger than last year's. Along with many new members was a new editor, Karin Shadwick, who added a bit of organization and expertise to the staff.

Putting together this year's book required the contribution of long hours and hard work by everyone on the staff. Layouts needed to be drawn, pictures taken, and copy written, just for starters. Then the various deadlines had to be met, which was a chore in itself.

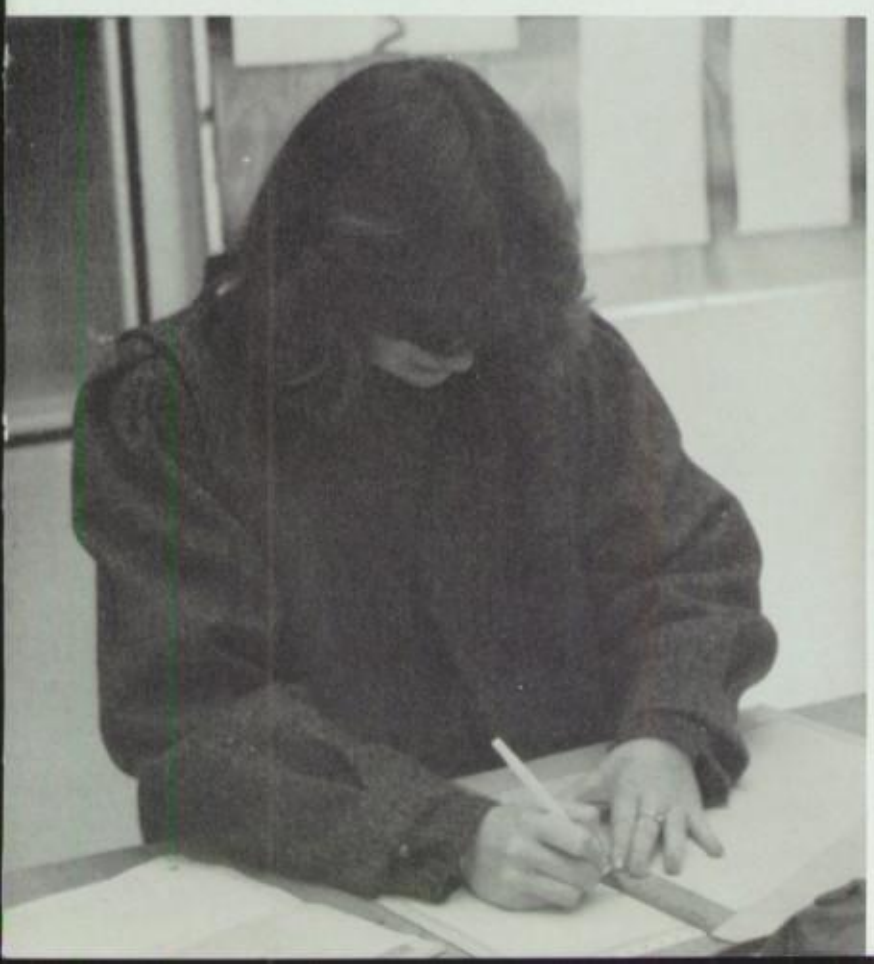
Although the completion of the yearbook was a long and complex project, seeing the finished product makes it all worthwhile. All in all, none of this could have been accomplished without the help and guidance of Mr. Tom Fulton, our fearless advisor.

Below: Tenny Garner and Karin Shadwick discuss plans for a yearbook layout.

Right: Top: Staniel Mc Daniel, Mike Mastrocovo, Second Row: Bonnie Ford, Jeanne Waldman, Marci Nelson, Rachelle Martini, Jennifer Stavros, Deanna Hillis, Julie Geer *Third Row:* Chris Bish, Mike Owens, Annie Leonti, Christy Leyman, Karin Shadwick, Sylvia Wang, Wayne Conley, *Bottom Row:* Tom Fulton, Stacey Windham, Scott Simmons, Susan Rosch



Far Left: Scott Simmons smiles at the thought of success.
Left: Mr. Fulton checks the layouts before the deadline.
Below: Jennifer Stavros relaxes while cropping some pictures.



Left: Bonnie Ford busily works on her page for the next deadline.
Above: Jeanne Waldman, Julie Geer, Marci Nelson, and Rachelle Martini smile at the sign of yearbook completion.

Le Clairon

Le Clairon 1984-85 Editor-In-Chief: Tram Phuong Dao
Associate Editors: Deidre Guiterrez, Sheryl Weaver
Editors: Danh Dang, Tran P. Dao, Jean Evans, Don Greenwood, Mike Guersch, Deidre Guiterrez, Cathy Huckabee, Malinda Hurst, Mike Neveu, Joo Pak, Sal SanFilippo, Barb Skrbina, Shawn Smith, Sheryl Weaver, Pam Wheeler.

Le Clairon refletè fidèlement nos voix, nos désirs, nos efforts étendus et incessants de notre jeunesse. Le Clairon est le lieu où nous forgeons nos esprits afin qu' une fois nous quittons l'école, nous étions déjà des membres utiles à la société. Le Clairon est encore le foyer où nous assemblons sans compter le nombred'âge, l'opinion oul'inclinaison. Autant de points de divergence, Le Clairon saura autant de sons différents plus clairs, plus reśsonants et plus forts. Tels seront nos espoirs et visions . . .

top: Mr. Cong smiles at the accomplishments of the Le Clairon. *above left:* Barb and Tram Put the finishing touches on their work. *above right:* Deirdre and Sheryl admire their work. *left:* Le Clairon. *top:* Jean Evans, Malinda Hurst, Pam Wheeler, *bottom:* Deirdre Gutierrez, Sheryl Weaver, Barb Skrbina, Tram Doa.

The 1984-85 French Club has shown outstanding participation in many areas, including candy sales, outside jobs, and Christmas tree decorating. Thanks to the enthusiasm of all active members, our club will continue to grow as the most popular club on S.T.'s campus.

Le Cercle Francais

top: The French Club members. "Bon appetit", eating lunch in the foyer.
above: Executive Officers: Ishoo Ramsin (Assistant Treasurer), Barb Skibina (President), Malinda Hurst (Vice-President), Heather Kulp (Treasurer)

National Honor Society

right: President Forrest Patterson poses with vice-president Debbie Garner.
top row: Deirdre Gutierrez, David Keller, Shelly Moore, Cindy Dale, Edmund Tso, Jenny Marshall, Veronica Tran, Gen Nilluka, Mike Palmer.
bottom row: Miko Aoki, Thu Thuy Bui, Vicky Khanbabian, Jeanne Waldman, Bonnie Ford, Svasti Patel

National Honor Society is a national organization. The students are invited to apply for membership. The invitation and selection is based on the student's grade point average, involvement in school and community activities, and if the student demonstrates leadership and character. Therefore, we like to think of the N.H.S. as a group of "movers and doers."

We are a service group; many of our members tutor other students or are volunteers. We have two major fund raising programs a year. The money raised helps support our projects and is available for scholarships for our graduating seniors.

top row: An T. Dang, Nathan Estruth, Don Blackhurst, Jennifer Greene, Miles Heller, Lisa Chiang, Kathy Riggle, Forrest Patterson, Lynn Valdivia, Tara Gilligan, Debbie Shepherd, Gina Maimone, David Lopez, Rick Opp
bottom row: Tran Dao, Julie Hendrix, Debbie Garner, Amy Ichinaga, Shiny Alex, Angela Young, Mrs. Crannel

California Scholarship Federation

California Scholarship Federation is an academic honor club for all students who earn at least three A's and two B's on each semester report card, and who apply for membership. The points are awarded three for an A and one for a B. A student must learn at least ten honor points this way to qualify.

CSF-ers sell candy twice a year to raise money for scholarships which are awarded to Life Members. So far CSF has given away approximately four thousand dollars to ST graduates.

We also sponsor a child in a Latin American country, we tutor, orient new students to ST, put on an "Honors dessert" together with National Honor Society, and we are given special notice at graduation. Our underclassmen are hosts and hostesses at Honors Day and graduation.

top: Advisor Mrs. Hoglund leads the CSF discussion.
left: President Nathan Estruth listens to a comment made by a CSF member.
above: Some of the CSF members show pride in their membership.

Mayo Club

The Mayo Club (Mexican American Youth Organization) promotes cultural understanding and awareness at Santa Teresa High School. Their activities included participating in the 1984 Cinco de Mayo parade where their float won first place.

The club also plans to participate in this year's parade where our 1985 queen will reign.

Upper left: The Queen's car escorts the 1984 queen and princesses in the Cinco de Mayo parade.
Upper right: Club members prepare the float with Mr. Cadena, the 1984-1984 advisor.
Above: Presenting the Cinco de Mayo Queen, Connie Rodriguez, and princesses Arlene Fimbrez and Annie Carbajal.
Right: The club displays their prize winning float.

Spanish Club

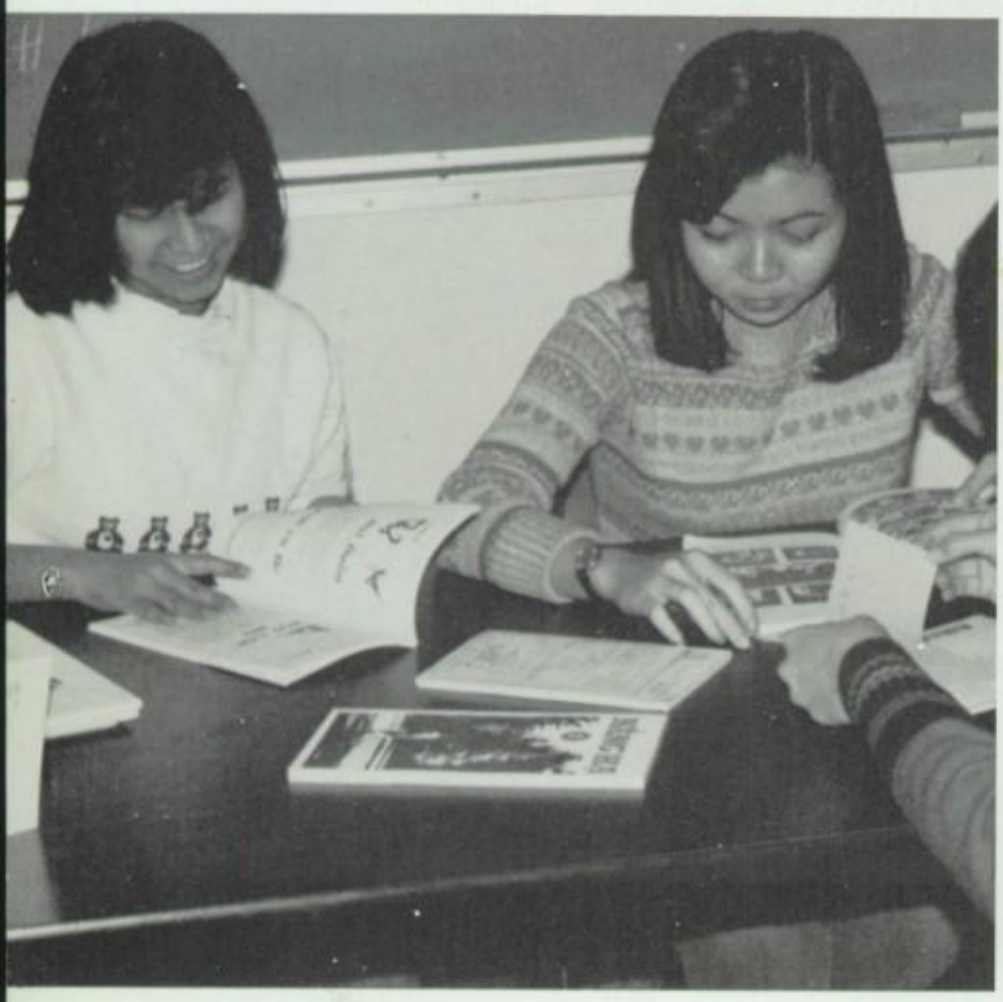
Above: Left to right- Joanna Sosinska (treasurer), Debbie Pesta (Secretary), Mr. Martinez (club advisor), Joe Brink (president), Savanna Brown (vice-president).
Middle: The club members get together for their weekly meeting.
Below: The club officers and former club member Steve Hogate (far left) convene to discuss their next fundraiser.

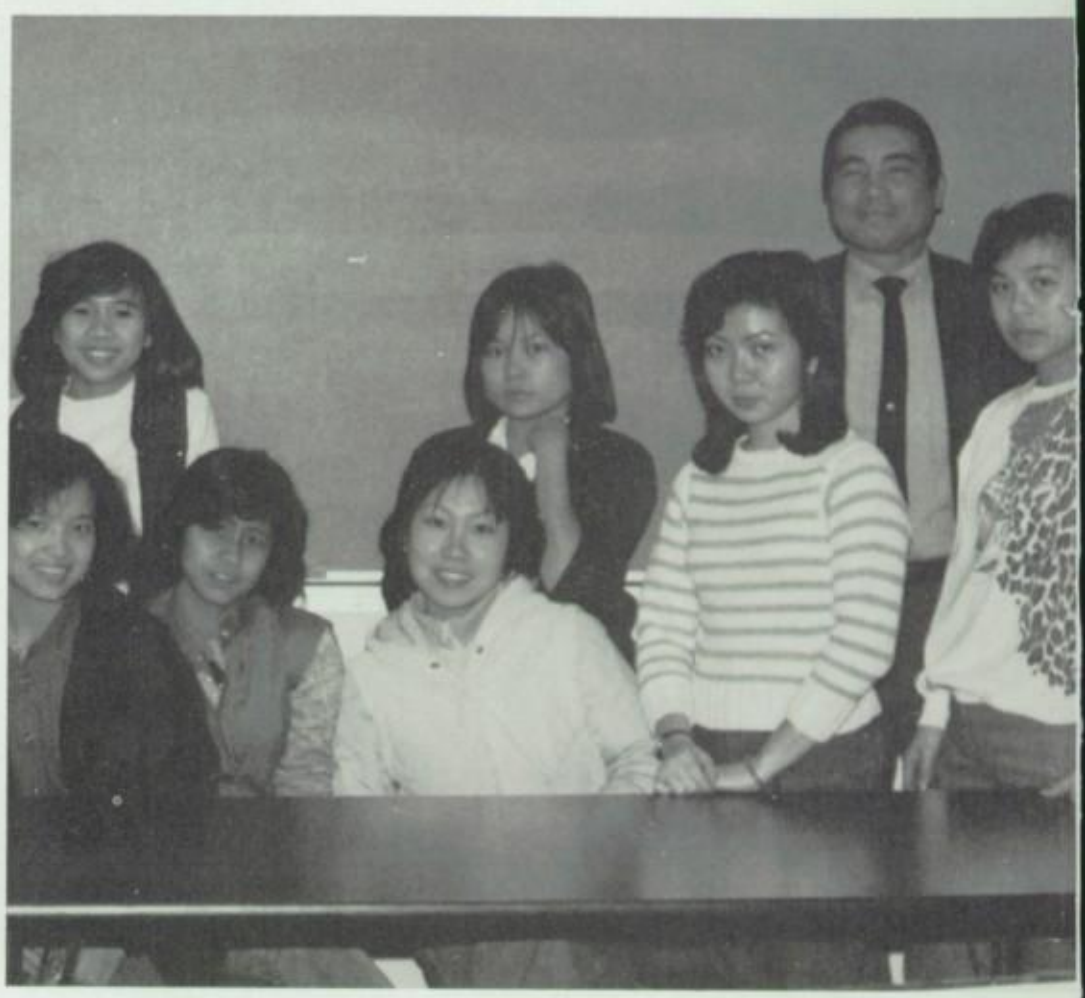
Hola Amigos! Santa Teresa's Spanish Club has had another successful year! None of the good times shared by our members would have been possible without the hard work of candy sales, sharing food sales at International Day and Cinco de Mayo. The club has the goal of bringing each of its members to a more familiar interests in the Spanish culture and its friendly people. Thanks to Mr. Martinez, all of this is made possible and a great learning experience.

The Vietnamese Club

The Vietnamese Club has grown greatly in the last few years in both mental and financial standings. Its hundred members participated in various fund-raisers to raise enough money for their annual events such as: the "Tet" celebration, club newspaper, picnics, and dances.

Advisor: Mr. Cong
President: Quy Tran
V. Pres.: An Dang
Treasurer: Tram Vu





The Speech & Debate Club

"I can't believe I did it!" exclaimed Susan Lonero.

"It was really challenging," said Kathy Riggle.

These students are talking about the speech and debate club at Santa Teresa High School.

"The work was hard but the cash, scholarship and other awards were terrific. We just had a good time spending the days together at the tournaments. We also practiced a lot," said Laura Gschwend.

Speech and Debate is a competitive club in which the participatns can compete in three different types of areas. Students can compete in individual events which is a contest involving ten different types of speeches. They can also debate. Debate is a team event in which students argue for and against the chosen topic for the year. Community speech contest such as the Veterans of Foreign Wars, Rotary Club, and the Lions Club offer students the chance to compete for cash and scholarship awards. "There is something for everyone," says Robert Shaffer.

On the day of the contest, you can expect to see students dressed in their best, as a nice appearance impresses the judges. You can also see an excited group of students busy going over their notes.

The club: Nathan Estruth, Michael Goldberg, Debbie Garner, Kathy Riggle, Ken Morrison, Marc Williams, Lisa Farrell, Fran Fernandez, Shelly Moore, Traci Bogart, Mike Lam, Terri Liv, Robert Schaffer, Susan Lonero, Mrs. Gschwend.

Debaters: Marc Williams, Fran Fernandez, Michael Goldberg, Debbie Garner, Lisa Farrell, Mike Lam, Terri Liv, Nathan Estruth.

Gaming Club

Bottom Row: Steve Hansen, *Marshall* Karl Johnson, *Commander* David Izat, *Minister* Ken MacLennan, *Colonel* Rally Soong

Middle Row: Frank Gianacaro, Jason Bennert, David Wells, Aaron Malchow, Scott Dike, Jason Sickmiller

Back Row: Andy MacLennan, John Seed, Mike Glosecki, Jeff Buccelato, Brian Casey

From the swirling far-flung outreaches of the Santa Teresa Campus, from the faceless, nameless masses of the Student Body, from the very fabric of the school itself has form a club. The likes of which has never been seen before: The Santa Teresa Gaming Club.

Like many other clubs, the Gaming Club began as an idea in the mind of one student. This student saw many games at Santa Teresa wandering around aimlessly, without direction or hope. Determined to rectify this terrible situation, this student found a sympathetic faculty member and a few loyal members, wrote a constitution, and the Gaming Club was born. Thirty games showed up for the first meeting, and elections were quickly held. The founding student, David Izat, was voted in as Commander-In-Chief by a landslide. Other leaders emerged as officers: Karl Johnson and Rally Soong were elected Marshall and Colonel of Wargames respectively, while Steven Hansen and Eric Kulp were chosen Gamemaster and Administrator of Roleplaying, also repectively, Ken MacLennan was voted Minister of Finance, and with advisor, John Turner's blessing, the club launched into several glorious gaming campaigns.

Auto Club

During the month of October, 1984, the Auto Club bought a 1975 Chevy Nova 2-door hatchback. The Nova had considerable body damage and a badly worn engine. The club rebuilt the engine and painted. The club plans to use the money for field trips and other activities.

Top right: Brad Jones pounds the dents out of the section of the door.
Middle right: Brad sands the major nicks out of the door.

Middle left: Brad does more body work
Bottom right: Tony Colon sands down some filler on the Nova's door.

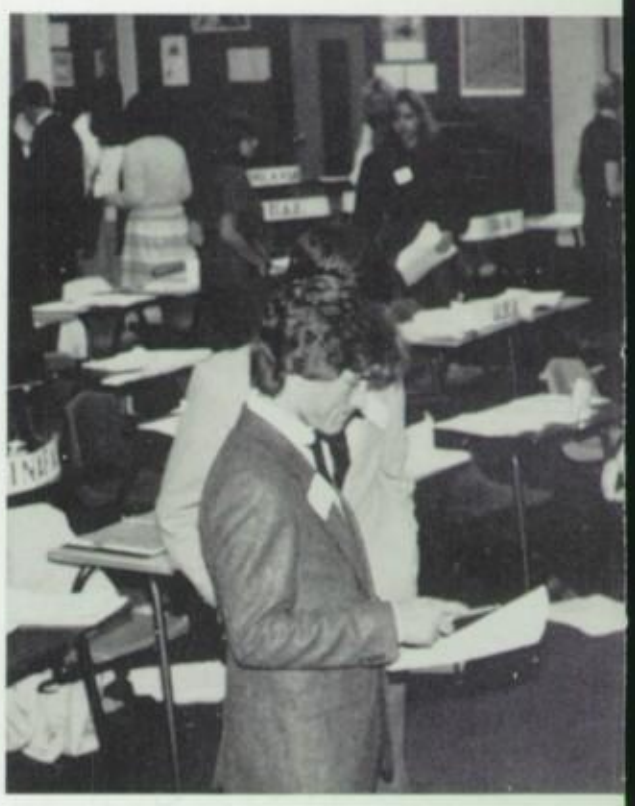
The International Relations Club

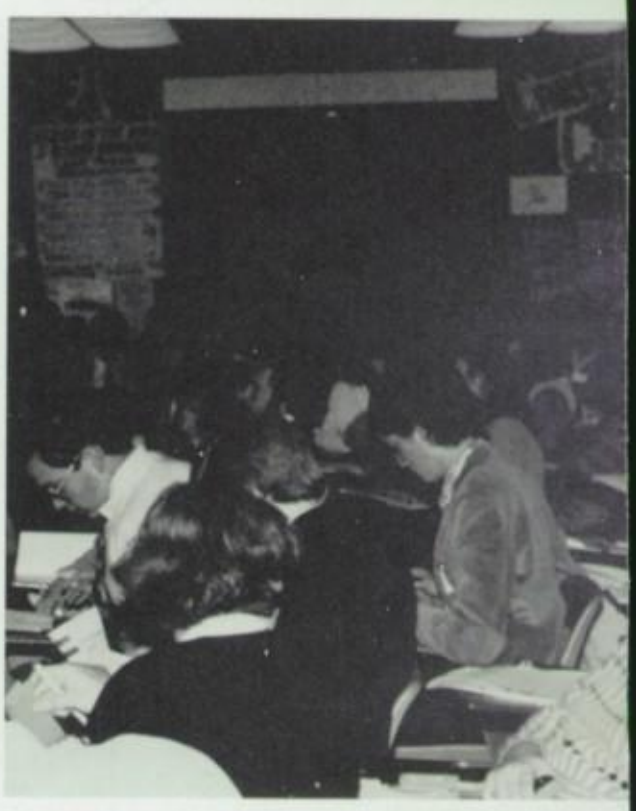
The International Relations Club (I.R.C.) is comprised of students interested in world affairs. These students take part in Model United Nations conferences (M.U.N.'s) as delegates representing assigned nations. This year, our delegates participated in the Santa Clara Valley M.U.N., the University of California at Berkeley M.U.N., and, for the first time ever, the National High School M.U.N. in New York City.

The club hosted, as it has for the past 14 years, the Santa Clara Valley Model United Nations on our campus on December 7 & 8. The delegates from our school did very well, taking home many awards.

The third M.U.N. that our school attended was the National High School Model United Nations held at the United Nations in New York. Due to the expense, only our seven best delegates and our devoted advisor, Mr. Brown, were able to attend; nonetheless, the prospect of being invited to return next year is fantastic. Our delegates represented Saudi Arabia at this important national conference.

If foreign affairs are of interest to you, and you would like to develop public speaking and other skills essential for success in college, you are invited to take part in I.R.C. next year.





top: Santa Teresa delegate David Keller lobbies with other delegates.
above right: Delegates at the 14th annual Santa Clara Valley Model United Nations work industriously.
above left: The I.R.C. members.
right: Delegates listen intentively to another delegate's speech.

University/College Opportunities Tutoring

UCO tutoring is a tutoring session for freshmen and sophomores. It is aimed at helping these kids in their studies, so they can prepare for college. Twice a week, on Tuesdays and Thursdays, several tutors meet with their "tutees." Tutoring sessions are held during either E period, 6th period, or after school. Each tutor is assigned to two to three underclassmen. Tutors are either juniors or seniors who have high level classes. Tutoring sessions are an hour long, and in return for their time and effort, tutors are paid minimum wage. The advisor for UCO tutoring is Mrs. Louden.

above: A group shot of some of the people involved in UCO tutoring.

The German Club

The German Club was again very active in and outside of school this year. The faithful advisor, Mr. Brown, took the group to many places. Their favorites include all the German movies held at various schools, the dinners at German restaurants, and the ever-popular Oktoberfest. The club also participated in numerous in-school candy sales and raffles, all of which were prosperous. In the planning is Wandertag, which is the traditional hike that the club goes on. The German club seems to be a very lively and active bunch with a lot of determination for the continuation of their club.

right: Julie Hendrix, Jennifer Greene, and Laura Heath are offered many helping hands.
far right: David Izat(President), Ben Grimmer(Vice President), and Mike Goldberg(Secretary/Treasurer) display the stout German look.

right: All of the German club members crowd together in Mr. Brown's classroom at lunch for a picture.

Greg,
hi! well your a total sweet ☺ and im glad i met you. have a nice summer and good luck with your acting. ☺ u2

KSTS

KSTS is Santa Teresa's broadcasting club. We are responsible for the morning and lunchtime announcements every day. We announce the daily lunchtime special, sports events, club meetings, and any special activities coming up. Our job is to make students more aware of what's happening at our school and to encourage them to participate in the many clubs (such as KSTS!) and activities here at S.T., thereby promoting school spirit.

In doing this, KSTS staff announcers gain valuable experience in preparing and delivering the news. Many of our members hope to make a career in broadcasting. Other activities include volunteering as fund raisers at KQED and KTEH. We also arrange tours at local stations once in a while-we party!

Top: Dave Braunstein and Yuji Honma demonstrate just how it's done.
Upper left: Diane Lunsford smiles as she gets a spot in the weekly schedule.
Upper right: From left to right- Warren S. Brown (advisor), Ranbir Chahal (member), Dave Braunstein (president), Yoji Honma (secretary-treasurer).
Left: "And this has been KSTS with your announcers ....."

Greggy what's up Have a good year NEXT year Have a rad summer.
K.I.T. From Sean P.
472-5849 P.S. Sometime over the summer I'll take you ~~Sonna~~ somewhere in my car.

Congrats Houdey! I'm glad I met you. Your really nice & have a great summer. I'll see you next year! Call me and we can all go out in July & Stay sweet and cute & Good luck with all the girls next year! Love and friendship

Good luck & have a nice summer don't do anything I wouldn't do (but if you do, have fun) forever yours Wallah

CONGRATULATIONS
TO THE
CLASS OF '85

IN MEMORY

Reminds Me of the Rose

Little lady of beauty and grace,
We've been together from place to place,
For you the mighty rose of love,
When you bloom your so sweet,
At the end of time we shall meet in heaven by the holy gates,
We will love until the bitter end,
We want that for you to understand,
Life will last as long as it can,
As I sit alone out in the cold,
I'm thinking of you while holding the Rose.

Love, your Best Friend,
Beth Dunkin

GREG
I CAN'T FIND A PLACE TO SIGN. YOU ARE A GREAT DANCER. WE SHOULD GO TO TV TO DANCE PARTY TOGETHER THIS SUMMER. EVEN IF WE DON'T, HAVE A GREAT SUMMER AND A GRADUATION TIME
Greg
That's right! Glad you helped out with drama this year. Well have a cool summer, and a cool Sophomore year

This is my P.S. Hope I
say enough. It's been
great getting to know you.
You are a sweet, friendly,
lovable person. Don't
bleach your hair or rebel.
Be a good boy & don't
break too many hearts.
Love, Chris

TEDDY BEARS MAKE THE BEST FRIENDS BECAUSE...

THEY DON'T TELL YOU THAT YOU HAVE BAD BREATH

THEY NEVER BORROW MONEY

THEY NEVER BEAT YOU AT CHECKERS

THEY NEVER TELL YOU THAT YOU'RE TOO FAT

THEY DON'T EAT ALL THE POPCORN AT THE MOVIES

THEY DON'T GET JEALOUS OF YOUR OTHER FRIENDS

THEY DON'T TELL YOU HOW TO DRIVE

THEY DON'T HOG THE BATHROOM

THEY DON'T COMPLAIN WHEN YOU EAT POTATO CHIPS IN BED

THEY DON'T LAUGH AT YOUR CLOTHES

THEY NEVER BORROW YOUR FAVORITE SWEATER

THEY DON'T EMBARRASS YOU AT PARTIES

THEY NEVER LEAVE DIRTY SOX ON THE FLOOR

THEY DON'T GET SICK

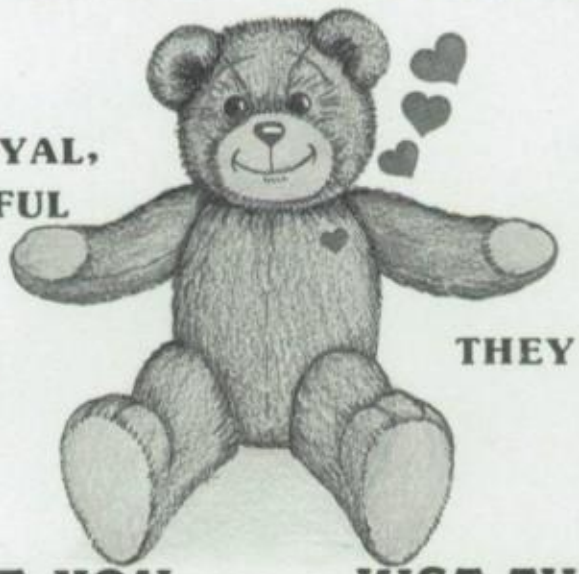
THEY DON'T OUTGROW YOU INTELLECTUALLY

THEY NEVER SAY "I TOLD YOU SO"

THEY DON'T EAT ALL YOUR CHOCOLATE CHIP COOKIES

THEY AREN'T NOISY & THEY DON'T HAVE FLEAS

THEY ARE NEVER DISLOYAL, CRITICAL, OR UNGRATEFUL



THEY LISTEN TO ALL OF YOUR PROBLEMS

THEY DON'T INTERRUPT WHEN YOU'RE TALKING

THEY ARE ALWAYS READY TO GIVE YOU A HUG

THEY ALWAYS LOVE YOU, ... JUST THE WAY YOU ARE

HELLO

(↑ Gregg, if you can't understand it dumbo!)

gregg (little gregg) - I think you're a simply marvelous girl! friend! - I said you're a great friend, say maybe we will have drama next year together, and we can do Fernando! Huf promise me, we will go to all of the dances (&) Cause remember how we had to use fire extinguishers to wash our almost burned up floor, wow we dancing shoes! Hey you know what - if I am probably taking up your space air breathing your air, but hey ya know love you wouldn't - I wouldn't you please circle YES OR NO!

Boop Boop
Be doo!
Ooo!

Love,
Erin
(MMK)

Hey, Dinner yer
Read me pet you me
hope to hear from you soon
Love: Darren Dan Dan Dan
the fashion with the hair
and the good luck with hope to
having the party night see me

Don't ya
love the way
he spells paz
see ya x
paz
(Paz)

bssb-nee

Greg,
Even though we didn't
get to know each other
very well this year,
I know we can
still be friends.
Maybe next year
we can have
this year over
again, but
with all our
friends from
this year.
Have a great
summer!
Jim Mathews

Greg
Yo Greg
Hope you
had a great
summer
Love ya
Jim

Greg,
Hi! How
ya been?
I just
hope you
have a great
summer
Love ya
Jim

Greg,
Have a great
summer!
Love ya
Jim

PAZZ!

Greage,

Sorry I spelled Pazz
wrong. Sorry I didn't
audition for GREASE. I
didnt want us to be
enimies, all I wanted
was peace!

GREG,
I ALWAYS THOUGHT THAT YOU HAD DRAMA 5TH PERIOD, BUT I'M GLAD TO HAVE MET YOU ANYWAY; YOUR A GOOD ACTOR, AND YOU WERE VERY GOOD IN "GREESE". HOPE TO SEE YOU NEXT YEAR.
YOUR FREIND,
Jim Mathews

Greg
Hi What
is your best
memory in
wrestling, for
you have a chance
to win a state
title? Also what
is your next year
during the summer
Jim
